Sufficiency of Adequate Current Information

To Whom It May Concern:

Please be advised that I am securities counsel for Competitive Games International, Inc., a corporation organized under the laws of the State of Nevada (the "Issuer"). I have been requested as securities counsel to the Issuer to render a sufficiency of adequate current information opinion (the "Opinion") in connection with the filing by the Issuer of an initial information statement (the "Initial Information Statement") pursuant to Rule 15c2-11(a)(5) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and Rule 144(c)2 under the Securities Act of 1933, as amended (the "Securities Act").

This Opinion opines that the Initial Information Statement as filed: (i) constitutes adequate current public information concerning the shares of common stock of the Issuer (the "Securities") and the Issuer and is available within the meaning of Rule 144(c)(2) under the Securities Act; (ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the shares of common stock of the Corporation (the "Securities"), under Rule 15c2-11 of the Exchange Act; (iii) complies as to form with the Pink Sheets Guidelines for Providing Adequate Current Information, which are located on the Internet at www.pinksheets.com; and (iv) has been posted in the Pink Sheets News Service. Please be advised that Pink Sheets LLC ("Pink Sheets") is entitled to rely on the Opinion in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act.

I have personally reviewed the Initial Information Statement together with all exhibits and it is my legal opinion that the Initial Information Statement comports with all necessary requirements of Rule 144(c)(2) under the Securities Act, and that the Initial Information Statement is accurate, up to date, and contains the most current information available on the Issuer, and that an interested investor would find current information therein which could help him objectively determine corporate and financially relevant information better enabling him to make an informed and educated and intelligent decision. I have also personally met and discussed with management and a majority of the directors of the Issuer the Initial Information Statement, and reviewed the information provided in the Initial Information Statement, and received management's approval of this Opinion and all filings hereunder. Moreover, to the best of my knowledge, after inquiry of management and the members of the Board of Directors of the Issuer, neither the Issuer nor its Board of Directors nor any 5% or greater shareholder is currently under investigation by any Federal or state regulatory authority for any violations of federal or state securities laws.

I am a resident of the State of Colorado, USA, and admitted to practice law in the State of Colorado. I have been retained by the Issuer for the purpose of rendering this Opinion and related matters. My relationship as counsel to the Issuer is solely as a law firm serving as securities counsel and retained solely for the purpose of reviewing the current information provided by the Issuer. I have never been prohibited from practicing before the Securities and Exchange Commission.

The opinions set forth herein are expressed as of the date hereof and remain valid so long as the documents, instruments, records and certificates I have examined and relied upon, as noted above, are unchanged and the assumptions I have made, as noted above, are valid. While this Opinion is intended exclusively for use by Pink Sheets, the same is hereby granted full and complete rights and permission without any future request to publish this Opinion as part of "pinksheets.com" for viewing by the public and regulatory agencies.

Sincerely,

Diane D. Dalmy
