1.01 Announcement of Acquisition

Rising Biosciences, Inc. (OTC: RBII) announced the recent acquisition of Southern Northern Behavioral Health, Inc. (SNB Health) a growing substance abuse treatment company, as a wholly owned subsidiary. SNB Health was a wholly owned subsidiary of Motor City Health.

In conjunction with the acquisition, Rising Biosciences has signed a contract to purchase a 40,000sq foot 4.5 acre former recreation facility that will be renovated for use as a behavioral health inpatient center for the purpose of treating all types of substance abuse including opioid addiction, alcohol abuse and related mental health issues. The facility is located in Sandusky, Ohio.

The acquisition has resulted in an amendment to share structure of RBII. The Board of Directors has amended Article IV of the By Laws as follows:

The total number of Common shares the Company has the authority to issue is 1,750,000,000 at par value .001 and Preferred A shares Company at par value .001 with voting and conversion rights will now be equal to 500 shares of common stock. The Company now has the authority to issue 10,000,000 shares of Preferred B stock at a par value of .001. The Preferred B shares will carry conversion rights equal to 100 shares of common stock.

The acquisition will be completed using Preferred B Shares and will name Scott Frankel as CEO of SNB Health.
