Re: **Opinion Letter Regarding Current Public Information for Raadr, Inc.**

Dear Sir or Madam:

Please be advised that I have been retained by Raadr, Inc. ("RDAR"), a Nevada corporation (the "Issuer"), to provide this opinion to OTC Markets Group, Inc. ("OTC Markets"). In connection therewith, OTC Markets is entitled to rely on the contents herein in determining whether the Issuer has made adequate current public information within the meaning of Rule 144(c)(2) promulgated under the Securities Act of 1933 (the "Act"). Notwithstanding the foregoing, OTC Markets has complete and unrestricted permission to publish this opinion letter via the OTC Disclosure and News Service ("OTC Disclosure") for viewing by the general public, however no person other than OTC Markets may act in reliance thereupon.

I am a citizen of, and reside in, the United States of America and am an attorney licensed to practice before the Supreme Court of California and this opinion is limited to the laws of the United States. Accordingly, no attempt is made herein to provide an opinion with regards to the laws of any jurisdiction other than the aforementioned. Moreover, I have not been prohibited or otherwise enjoined from practicing before the Securities and Exchange Commission ("SEC") or any other government or self-regulatory agency. I am not currently under investigation by any state or federal regulatory authority. The Issuer has retained this law firm as General Counsel for the purpose of reviewing the current information disclosed by it as well as all legal matters pertaining to the Issuer.

In connection with the opinion contained herein, I have reviewed applicable federal laws, rules and regulations, including, specifically, the Act and the Securities Exchange Act of 1934 (the "Exchange Act") and such questions of laws as I considered necessary and appropriate. Moreover, I have examined originals or copies, certified or otherwise identified to my satisfaction, of such documents, certificates or records provided to me by Issuer as I have deemed necessary or appropriate as bases for the opinion set forth herein; such documents, certificates and records being, to the best of my knowledge and belief, reliable. This includes, specifically, the Issuer's: (a) Quarterly Report for the period ending March 31, 2017 filed with OTC Disclosure on June 16, 2017; (b) Annual Report for the fiscal year ending December 31, 2016 filed with OTC Disclosure on June 5, 2017; (c) Quarterly Report for the period ending September 30, 2016 filed with OTC Disclosure on June 1, 2017; and (d) the Quarterly Report for the period ending June 30, 2016 filed with OTC Disclosure on June 1, 2017 (collectively, the "Financial Statements"). I have no reason to believe that, at the time such information was published to the OTC Disclosure and News Service, the information contained an untrue statement of material fact or omitted to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading.

In my examination, I have assumed the legal capacity of all natural persons and the genuineness of all signatures and the authenticity of all documents. I have also assumed that the facts set forth in the documents are true and correct. For the purpose of the opinion set forth hereunder, I assume that none of the documents have been modified or superseded. In addition to examining the documents, I have made such investigations of the federal securities laws as we deemed necessary and relevant as a basis for rendering this opinion.

Based upon the foregoing, I am of the opinion that the information contained in the Financial Statements and the Issuer's Profile (a) constitute "adequate current public information" concerning the securities of the Issuer and "is available" within the meaning of Rule 144(c)(2) of the Act; (b) include all of the information that would be required by a broker-dealer so as to enable the same to publish a quotation for the securities of the Issuer under Rule 15(c)2-11 of the Exchange Act; (c) complies as to form with the OTC Markets Group's Guidelines for Providing Adequate Current Information, which are found on the internet at www.otcmarkets.com, and (d) has been posted through OTC Disclosure. To the best of my knowledge, after inquiry of management and the director of the Issuer, neither the Issuer, nor any directors of the Issuer, nor any 5% holder of the Company's common stock, nor counsel is currently under investigation by the SEC or any other federal or state regulatory authority for any violation of federal or state securities laws.

In accordance with the foregoing opinion, the following information is provided:

a. The Issuer's transfer agent is Manhattan Transfer Registrar Company, an SEC registered transfer agent. I have confirmed the number of outstanding shares for the Issuer as set forth in the Company's financial statements by reviewing the Company's shareholder list and share reconciliation information.

b. The Issuer's fiscal year end is December 31st. The Financial Statements are prepared in accordance with Generally Accepted Accounting Principles but have not been independently audited (the "Financial Statements"). I have specifically reviewed copies of the Financial Statements and discussed the same with the Issuer. The unaudited Financial Statements were prepared by BizCFO, Inc., a consultant to the Issuer, who has extensive experience in the areas of accounting and finance, and who is familiar with the business affairs of the Issuer.

No person other than OTC Markets Group is entitled to rely on this opinion, and I assume no obligation to update or supplement this opinion letter to reflect any change in fact or law which may hereafter occur. Please be advised that any change in the facts described as of the date of this letter may substantially alter the opinion expressed herein.

Sincerely,

Peter Hogan, Esq.
