(b) would qualify as "remittance transfers" under subpart B of Regulation E (12 CFR § 1005.30(e)) but are excluded from that definition only because the provider is not providing those transfers in the normal course of its business. See 12 CFR § 1005.30(f). For purposes of this item 16, such transfers are referred to as international remittance transfers.

Exclude transfers sent by your institution as a correspondent bank for other providers. With the exception of item 16.a.(4), report information only about transfers for which the reporting institution is the provider. For item 16.a.(4), report information about transfers for which another party is the provider, and the reporting institution is an agent or a similar type of business partner interacting with the consumers sending the international remittance transfers.
