In April 2010, Trans Global Group, Inc., completed its acquisition of All Weather Insulation, Inc. ("AWI") TGGI acquired 100% of the common stock of AWI in a share exchange for 29,999,700 shares of the Company's restrictive Common Stock.

AWI is in the business of building spray and injection foam rigs and trailers for the spray and injection foam insulation industry, ranging from \$15,000 to over \$60,000 and currently has revenues of \$1 million. TGGI will close the Ecosafe office in Fort Lauderdale, FL and consolidate those operations into the new facility in Mobile, AL. The Mobile location will become the hub for all rig production and training for the Company.
