TIVUS ENGAGES NEW PUBLIC ACCOUNTING FIRM

-- Company commences audit --

OMAHA, NE -- July 26, 2011 -- TiVUS, Inc. (PINKSHEETS: TIVU) today announced it has named the audit firm of Peter Messineo, CPA, a PCAOB registered public accounting firm, to perform an audit of the Company's previous two years of financial statements required to become a fully reporting Company with the United States Securities & Exchange Commission (SEC).

Shiva Prakash, TiVUS' chief executive officer commented, "I am pleased to engage the firm of Peter Messineo, CPA, as our new public accountant. Peter's firm comes well recommended. Our own due-diligence details his solid reputation, work excellence, and exemplary PCAOB record.

"We have now commenced the audit proper. Although the length of time the audit process takes is unique to each audit and a function of the auditor's inquiries, we should expect three-to-six weeks on average."

Last September, the Company announced it had retained M&K CPAS as its public accounting firm. Prakash continued, "I would like to give a nod to M&K CPAS, one of the largest and most reputable firms of its kind serving small cap companies. My decision to change was based on internal constraints unrelated to M&K, and I'd like to thank them for their professionalism and courtesy.

"In addition to our Host Hotels & Resorts installation nearing completion, current filings, and audit commencement, our sales team, headed by executive vice-president of global sales, Mr. Phil Marriott, continues to field requests for site visits and demonstrations of TiVUS' HD IPTV™ from scores of opportunities garnered at a recent trade show," Prakash concluded.

About TiVUS, Inc.

Tomorrow's Entertainment... Delivered Today™

TiVUS, Inc. is a technology entertainment services company providing internet-based TV and Cable programming, interactive game content, and goods & services to the hotel/hospitality industry. TiVUS' unique HD IPTV system is a complete hotel entertainment platform that, for the first time in the industry, generates previously untapped income for the hotel through ad-revenue sharing.
