PART C – BUSINESS INFORMATION

Item 8. The Nature of the Issuer's Business

The Company is an entertainment company providing discount ticketing and discount dinner reservations. The Company is a corporation formed in the State of Delaware on April 6, 1993 under the name Cinema Ride, Inc. The Company changed its name from Cinema Ride, Inc. to Tix Corporation effective March, 3, 2005. The principal executive office of the Company is located at 12711 Ventura Blvd., Suite 340, Studio City, California 91604. Its principal website is www.tixcorp.com. The Company is listed on the OTCQX, trading under the symbol "TIXC." The Company's fiscal year-end is December 31.

Our Business Strategy

We provide discount ticketing services through our wholly owned subsidiary Tix4Tonight, LLC ("Tix4Tonight"). Our broad strategic goal is to be the leading discount ticket seller in the United States. We are pursuing this strategic goal through both internal and external means. Internally, we are looking at opportunities to enhance both revenue and operating income by increasing market share, focusing on internal cost controls and streamlining our operating procedures. Externally, we are looking for growth opportunities through the acquisition of complementary businesses and exploitation of new and existing market opportunities. In order to achieve our objectives and successfully implement our strategies, we have made and expect to continue to pursue investments and acquisitions that contribute to the above goal where the valuations, returns, and growth potential are consistent with our long-term goal of increasing shareholder value.

Primary SIC code

SIC code: 7999-73, Ticket Service

Our History

Since November 2002, our principal business activity has been the sale of tickets for Las Vegas shows at a discount from the original box office price primarily on the day of the performance, through our wholly-owned subsidiary, Tix4Tonight. The consolidated financial statements include the accounts of the Company and its wholly-owned subsidiary, Tix4Tonight. Intercompany transactions and balances are eliminated in consolidation.

In 2010, the Company deregistered its shares of Common Stock with the SEC, delisted from the NASDAQ Capital Market and listed on the OTCQX marketplace. By deregistering our Common Stock with the SEC, the Company is no longer required to file annual, quarterly and current reports with the SEC. As part of the OTCQX listing requirements, the Company is required to prepare and post material news, quarterly financial reports and annual audited financial reports on the OTCQX's website.

In February 2011, our subsidiary Tix4Tonight acquired certain assets and assumed certain leases of VegasTix4Less, LLC ("VegasTix4Less"), an affiliate of Vegas.com. We granted a non-exclusive license to Vegas.com to use the "Ticket Distribution System" patent in connection with this acquisition. The acquisition of these assets and the assumption of the leases provide us with greater coverage of the Las Vegas area in which to sell our discount tickets. In connection with the acquisition, both parties terminated its litigation against each other.

In order to focus on our core discount ticket operations, the Company sold its former live entertainment subsidiary, Tix Productions, Inc. ("TPI") in December 2010, and principally all of the assets of its exhibit merchandising subsidiary, Exhibit Merchandising, LLC ("EM"), in July 2012.

Employees

As of December 31, 2014, we had 140 employees, of which 124 are full-time employees. At our corporate office we had six full time employees. Our employees are not represented by any unions and we believe that our relations with our employees are satisfactory.

TIX CORPORATION
ANNUAL INFORMATION AND DISCLOSURE STATEMENT
FOR THE FISCAL YEAR ENDED DECEMBER 31, 2014

Item 9. The Nature of Products or Services Offered

Our wholly-owned subsidiary, Tix4Tonight, offers for sale discount show and discount dinner reservations. When selling last minute discounted tickets from our existing ten locations, Tix4Tonight sells them under short-term exclusive and non-exclusive agreements with nearly every Las Vegas show and numerous attractions and tours running at any one time. Tix4Tonight also offers discounted dinners reservations at various restaurants surrounding the Las Vegas Strip and downtown, with dining at specific times on the same day or in some cases the day after the sale.

Intellectual Property

We create and own intellectual property. It is our practice to protect our trademarks, brands, copyrights, patents and other original and acquired works, ancillary goods and services. Our trademarks include, among others, “Tix4”, “Tix4Tonight”, and “Tix4Dinners”. Additionally, the United States Patent and Trademark Office has issued two United States patents on a “Ticket Distribution System” that covers a number of the key aspects of premium and discount ticket brokerage operations and technological systems related to the sale and distribution of unused tickets. We believe the patent on the “Ticket Distribution System” for discount ticket brokerage broadly covers the way our Tix4Tonight subsidiary distributes discount tickets and encompasses our distribution methods. We have granted a non-exclusive license to use the “Ticket Distribution System” patent when our subsidiary Tix4Tonight acquired certain assets and assumed certain leases of VegasTix4Less, an affiliate of Vegas.com. We believe that our patents, trademarks and other proprietary rights have significant value and are important to our brand-building efforts and the marketing of our services.

Insurance

We maintain insurance coverage that we believe provides adequate coverage for all of our current operations. We maintain \$1.0 million of “key-man” life insurance on the life of Mitch Francis, our President and Chief Executive Officer, as to which we are the sole beneficiary.

Revenue Concentrations

Revenues are derived from the sale of discount show tickets and discount dinner reservations. Two hotel conglomerates, Caesars Entertainment Corporation and MGM Resorts International, own more than eighteen major hotels in the Las Vegas marketplace housing multiple theatres, restaurants and other types of venues. We generate approximately 70% of our revenues from the sale of discount show tickets and discount dinner reservations from Caesars Entertainment Corporation and MGM Resorts International. No single show, venue or theatre was greater than 10% of revenues.

Competition

Tix4Tonight sells unsold tickets on the same day of the performance, generally at 25% to 50% off the box office price. Producers provide such tickets to the Company both on an exclusive and non-exclusive basis. Therefore, new ticket brokers can enter into competition with the Company to offer the same or similar ticketing services to non-exclusive shows and customers. Tix4Tonight faces competition from venues and producers selling discount tickets direct to customers, from online discount ticket sellers and the possibility exists for other competitors to compete both in Las Vegas and in other markets targeted by the Company. Other competitors may possess longer operating histories, larger customer bases, longer relationships with producers, and significantly greater financial, technical, marketing, and public relations resources than the Company. Accordingly, we may not be able to compete successfully and competitive pressures may adversely affect our business, results of operations and financial condition.

Item 10. The Nature and Extent of the Issuer’s Facilities

Corporate Offices:

We lease office space at 12711 Ventura Blvd., Suite 340, Studio City, California 91604 as our corporate headquarters. The term of the lease is five years, with an option to extend the term of the lease up to one term for an additional five year period. In addition to the base annual rent, we are responsible for payment of certain operating expenses, including utilities and real estate taxes. It is expected that the Company will be able to renew this lease or to lease comparable facilities on terms commercially acceptable to us.

Weinberg & Co., PA conducted an audit of the consolidated financial statements of the Company in accordance with generally accepted auditing standards in the United States of America.

An independent auditor's objective in an audit is to obtain sufficient competent evidential matter to provide a reasonable basis for forming an opinion on the financial statements. In doing so, the auditor must work within economic limits; the opinion, to be economically useful, must be formed within a reasonable length of time and at reasonable cost. That is why an auditor's work is based on selected tests rather than an attempt to verify all transactions. Since evidence is examined on a test basis only, an audit provides reasonable assurance, rather than absolute assurance, that financial statements are free of material misstatement.

Management has the responsibility for adopting sound accounting policies, for maintaining an adequate and effective system of accounts, for the safeguarding of assets and for devising an internal control structure that will, among other things, help assure the proper recording of transactions. The transactions that should be reflected in the accounts and in the financial statements are matters within the direct knowledge and control of management. Accordingly, the fairness of representations made throughout the financial statements is an implicit and integral part of management's responsibility.
