Re: Attorney Letter with Respect to Current Information - TPII

September 19, 2019

To Whom It May Concern:

This office has been retained by Triad Pro Innovators, Inc., a Nevada Corporation, with its principal office located at 9550 Warner Ave., Suite 11, Fountain Valley, CA 92708 (the "Issuer") for the specific purpose of rendering this letter. Only OTC Markets Group is entitled to rely on this letter and publish in determining whether it has made adequate current information publicly available on its website within the meaning of Rule 144(c)(2) under the Securities Act of 1933. OTC Markets Group is granted full and complete permission and rights to publish this letter through the OTC Disclosure & News Service for public viewing

I am a U.S. Resident and licensed to practice law in the states of Texas and Oklahoma. I am permitted to practice before the Securities and Exchange Commission (SEC) and have not, at any time, been prohibited from practice thereunder. The jurisdictions covered by this letter include the laws of the United States of America. I have not currently, nor have been in the past five years, suspended or barred from practicing in any state or jurisdiction, nor charged in a civil or criminal case.

I am independent counsel retained solely for the purpose of reviewing the current information supplied by the Issuer. I do not beneficially own any shares of the Issuer's securities. I have not received, nor have an agreement to receive in the future, shares of the Issuer's stock, in payment for services.

I have examined such corporate records and other documents, and such questions of law that I have considered necessary or appropriate for the purposes of rendering this letter. The documents that I have reviewed ("Information") include, but are not limited to:

- a) The Issuer's Quarterly Report for the period ending 05/31/2019 and uploaded on 09/19/2019; and
- b) The Issuer's Quarterly Report for the period ending 02/28/2019 and uploaded on 08/27/2019; and
- c) The Issuer's Annual Report for the period ending 11/30/2018 and uploaded on 08/27/2019.

As to matters of fact, I have relied on information obtained from public officials, officers and directors of the Issuer and other source, and these sources are believed to be reliable. In examining the Information, I have assumed that:

- 1) All statements and representations contained therein were accurate and reliable;
- 2) All signatures contained therein were genuine;
- 3) All documents submitted to me were true and accurate copies; and
- 4) All natural persons who signed documents had the legal capacity to do so.

Based on the foregoing review and other matters set forth herein, it is my opinion that the Information (i) constitutes "adequate current public information" concerning the Securities and the Issuer; (ii) has been made publicly available within the meaning of Rule 144(c)(2) under the Securities Act; (iii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15(c)-11 under the Securities Exchange Act of 1934 (the "Exchange Act"); (iv) complies as to form with the OTC Markets Group's Pink Basic Disclosure Guidelines; and (v) has been posted through the OTC Disclosure & News Service.

The financial statements contained in the Information are not audited, and were prepared by TPll's sole director and officer, Murray Goldenberg. Mr. Goldenberg has represented to me that he has many years of financial and executive management experience; was formerly a Canadian chartered accountant; and, has been preparing financial statements for both public and private companies since 1965. He is highly qualified to prepare the unaudited financial statements of TPll. Mr. Goldenberg is the sole officer of TPll; in that capacity he is referred to herein as the "Management". Mr. Goldenberg is also the sole director of TPll; in that capacity he is referred to herein as the "Director".

TPll's transfer agent is Pacific Stock Transfer Company ("Pacific Stock Transfer"). Pacific Stock Transfer is registered with the SEC to perform transfer agent services. I confirmed with Pacific Stock Transfer and Management and the Director (through E-Mail and review of documentation sent directly to me by Pacific Stock Transfer) that the number of authorized and issued/outstanding common and preferred shares shown in the Information is listed correctly for the corresponding period.

I have personally had meetings with the sole Director, Murray Goldenberg, who constitutes Issuer management and a majority of the directors, and discussed the Information with the same.

To the best of my knowledge, after inquiry of management and the directors of the Issuer, the Issuer, nor any 5% holder, nor counsel, is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

Neither the Issuer, nor its predecessors, is or ever was a “shell company” as defined in Rules 405 of the Securities Act of 1933 and 12b-2 of the Exchange Act of 1934.

No person other than the OTC Markets Group is entitled to rely on this letter; however, OTC Markets Group is granted full and complete permission and rights to publish the letter through the OTC Disclosure & News Service for public viewing.

This letter is meant to cover and speak in regard to the Issuer's fiscal year 2019 only and shall not apply for any other period.

Yours Truly,
