Re: Turbo Global Partners, Inc. (TRBO)
Attorney Letter with respect to the Adequacy of Current Information for the
Year Ended December 31, 2018

Ladies and Gentlemen:

My office has been engaged by Turbo Global Partners, Inc. (the "Company") to be its special securities counsel. My services include reviewing disclosure information, including the Financial Statements, interfacing with the Chief Accounting Officer and independent accountants, if any. I have examined such corporate records and other documents and have asked such questions of law as I have considered necessary or appropriate for the purpose of writing this letter. I have relied on publicly available information from the Secretary of State of the State of Nevada and information obtained from the Company's officers and directors. I have also reviewed documents published at www.OTCMarkets.com and publicly available in connection with the preparation of this letter:

I specifically state the following:

1. OTC Markets Group, Inc. is entitled to rely on this letter in determining whether the Issuer has made current information publicly available within the meaning of Rule 144(c)(2) of the Securities Act of 1933.
2. I am a United States resident and have been retained by the Issuer for the purpose of rendering this letter and other matters; specifically, I am an attorney acting as Special Counsel to Turbo Global Partners, Inc. a Nevada corporation (TRBO). I have ever been an officer, nor on the Board of Directors of the Issuer, and I do not own any stock currently, nor do I have any agreement to acquire such in the future, directly or beneficially.
3. I have examined such corporate records and other documents and such questions of law as I considered necessary or appropriate under the circumstances for the purpose of rendering this letter.

4. I am authorized to practice law in the state of Arkansas. This letter applies to laws of the State of Arkansas and the United States of America and to all jurisdictions therein. This letter does not rely on the work of other counsel.

5. I am permitted to practice before the United States Securities and Exchange Commission (the "SEC") and have not been prohibited from practicing thereunder.

6. Counsel is not currently, nor has counsel been suspended or barred from practicing in any state or jurisdiction within the last five years, nor has counsel been charged in a civil or criminal case.

7. As to matters of fact, I have relied on information obtained from public officials, officers of the Issuer and other sources and all such sources I believed to be reliable, and upon which I did rely. In my examination, I have assumed the genuineness of all signatures on all documents, the legal capacity of all natural persons, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as photostatic copies, and authenticity of the originals of such latter documents.

8. I have reviewed the following reports for the preparation of this opinion letter:

FILINGS AND DISCLOSURE OTC Disclosure & News

- The Company's Articles of Incorporation – DIBZ Certificate of Reinstatement, as published on OTC Markets on September 5, 2014;
- Corporate Bylaws, as published on OTC Markets on September 5, 2014;
- And such other information that I considered necessary under the specific circumstances.

After considering the information presented to me, it is my opinion that said documents are accurate, up-to-date and contain the most current information available on Turbo Global Partners, Inc., all as published, or re-published, on the OTC Markets Group website, or other sites.

9. The information referred to above (i) constitutes "adequate current public information" concerning the Securities and the Issuer and "is available" within the meaning of Rule 144(c)(2) under the Securities Act of 1933, (ii) includes all of the information that a broker-dealer would require to obtain from the issuer to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934 (the "Exchange Act"), (iii) complies as to form with the OTC Markets Group's Pink Basic Disclosure Guidelines for Providing Adequate Current Information, which are located on the Internet at www.otcmarkets.com, and (iv) has been posted through the OTC Disclosure and News Service.

10. Robert W. Singerman, Chairman, President, Chief Executive Officer, Secretary, Treasurer, Principal Accounting Officer, Chief Financial Officer, and Director prepared the financial statements, which are unaudited, and the integrated disclosures, and he has over 40-years media, marketing, entertainment and technology experience, with companies such as Total Fitness, Inc., University Television Network, ANBO, Advantage Care, MedLink, The People's Princess Charitable Foundation, URS, and Power Quality International including both traditional media platforms and outlets and new media platforms and outlets, with special emphasis on strategic implementation of multifaceted communications solutions to diverse international audiences. The financial statements, and disclosures were prepared internally, and are unaudited, under the supervision of Mr. Singerman. His experience includes the production, and supervision, of accounting records and financial statements, and, as a founding member of Turbo Communications, Inc. he is familiar with the Company and its operations and accounting. His 40 years of progressively responsible experience

have prepared Mr. Singerman to supervise the preparation of the Company's financial statements and disclosures.

11. The Issuer's transfer agent is Madison Stock Transfer, Inc. and is registered with the SEC as confirmed by checking the SEC's EDGAR system. The contact information for the transfer agent is:

Madison Stock Transfer Inc.
2500 Coney Island Avenue
Sub Level
Brooklyn, NY 11223
718-627-4453

The method used to confirm the number of outstanding shares of common stock set forth in the Information Statement was to contact a member of management and receive written confirmation as to the number of outstanding shares.

12. I have (i) met face to face via videoconference with all of management, consisting of Robert W. Singerman, of the Issuer and each director, consisting of Robert W. Singerman and Randal Stewart, (ii) reviewed the Information, as amended, published by the Issuer through OTC Disclosure and News Service and (iii) discussed pertinent information with its management and directors.

13. To the best of my knowledge, after inquiry of management and the directors, neither the Issuer of the Securities, any 5% shareholder, nor counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

14. No person other than OTC Markets Group is entitled to rely on this letter, or the contents thereof, but OTC Markets Group is granted full and complete permission and rights to publish this Letter the OTC Disclosure & News Service for public viewing.

15. Base on my review of filings, and information supplied to me by management of the Issuer, the Issuer, nor any of it's predecessors, is or ever was a "shell company" as defined in Rules 405 of the Securities Act of 1933 and 12b-2 of the Exchange Act of 1934. There was a period where filings were not made. However, upon further research, and query of management, in appears to me that there was always material activity, the lack of filings being a symptom of a lack of applicable cash-flow, which has been remedied.

Dr. Demosthenes Vardiabasis, PhD resigned as Director, effective December 1, 2018, therefor, he is not listed as a director. There was no disagreement with the Issuer.
