Certain statements contained in this press release, which are not based on historical facts, are forward-looking statements as the term is defined in the Private Securities Litigation Reform Act of 1995, and are subject to substantial uncertainties and risks in part detailed in the respective Company's Securities and Exchange Commission filings, that may cause actual results to materially differ from projections. Although the Company believes that its expectations are reasonable assumptions within the bounds of its knowledge of its businesses, expectations, representations and operations, there can be no assurance that actual results will not differ materially from their expectations. Important factors currently known to management that could cause actual results to differ materially from those in forward-looking statements include the Company's ability to execute properly its business model, to raise additional capital to implement its continuing business model, the ability to attract and retain personnel – including highly qualified executives, management and operational personnel, and the inherent risk associated with a new business to achieve and maintain positive cash flow and net profitability. In light of these risks and uncertainties, there can be no assurance that the forward-looking information contained in this press release will, in fact, occur.
