UMAIRCO, INC.
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
For the Quarter Ended MARCH 31, 2014

NOTE 1: NATURE OF OPERATIONS

Umairco, Inc. ("Umairco" or the "Company") was formed in the State of Colorado on April 27, 2013. The Company engaged in offering personalized aircraft services in private air-travel. On May 25, 2007, the Company changed the name from Communications Systems International, Inc. to Redijet, Inc. On August 2, 2013, Umairco acquired Uninsured Motorist Asset Investigation Recovery Services, Inc. ("UMAIRS"), a New York Corporation (the "Share Exchange Transaction"). Immediately following the Share Exchange Transaction, the Company incorporated the business of UMAIRS. The acquisition was accounted as a reverse merger. Effective September 27, 2013, the Company changed its name to Umairco, Inc., which was approved by Financial Industry Regulatory Authority.

UMAIRS is engaged in the recovery efforts of "Uninsured Motorist" claims on behalf of New York State's Motor Vehicle Accident Indemnification Corporation ("MVAIC") as well as reporting to Albany Department of Motor Vehicles their investigations. MVAIC indemnifies New York State residents who are victims of uninsured motor vehicle accidents occurring in New York State. After paying qualified claims, MVAIC seeks to recover from the uninsured parties. MVAIC has engaged and empowered UMAIRS to pursue claims on its behalf. The founders of UMAIRS have a long-standing history and experience in the industry. UMAIRS generally takes a strategic approach to the recovery effort as it has a set of powerful legal tools at the disposal to boost recovery effectiveness. UMAIRS also applies a "win-win" approach that encourages cooperation with the uninsured owners and/or operators to make payment in full or to formulate a repayment plan.

NOTE 2: BASIS OF ACCOUNTING AND GOING CONCERN ASSUMPTION

The accompanying financial statements are prepared in accordance with generally accepted accounting principles (GAAP).

The financial statements have been prepared on a going concern basis, which presumes the realization of assets and discharge of liabilities in the normal course of business for the foreseeable future.

The Company will also require additional capital to fund its continuing operations and development. The Company's ability to continue as a going concern is dependent on its ability to raise additional capital and achieve and maintain profitable operations. The outcome of these matters cannot be predicted at this time. These financial statements do not include any adjustments which might be necessary should the Company be unable to continue its operations.

NOTE 3: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
