1. The form of organization of the issuer (e.g.. corporation, partnership, limited liability company, etc.):

The organizational form of the issuer is a Corporation.

2. The year the issuer (or any predecessor) was organized

The issuer was organized in 2008.

3. The issuer's fiscal year end date

The issuers' fiscal year end date is December 31st.

4. Whether the issuer has been in bankruptcy, receivership or any similar proceeding

The issuer has never been in bankruptcy, receivership or any similar proceeding.

5. Any material reclassification, merger, consolidation, or purchase or sale of a significant amount of assets

On July 31, 2014, the Company and Bayport International Holdings, Inc. ("Bayport") closed on the Asset Purchase Agreement entered into between the companies on July 9, 2014. Included within the assets sold by the Company were certain leases covering mineral rights, oil and natural gas wells, certain right of ways and ancillary facilities constructed by the Company for the delivery of natural gas in West Virginia. In addition, all of the outstanding shares of common stock of E 3 Petroleum Corp were included within the transaction.

At Closing, Bayport remitted the required funds as per the Asset Purchase Agreement and issued to the Company three Notes with varying maturity dates. (See Note F- NOTES RECEIVABLE of the Company's Quarterly Report). Future receivables under this Asset Purchase Agreement are doubtful.

On May 28, 2010, the Company received notification from the appropriate state agencies that the acquisition of Wilon Resources by the Company was effective. On June 3, 2010, final approval was given by FINRA for the share exchange between the Company and Wilon Resources. The Company issued one share of common stock for each share of Wilon stock outstanding (49,207,973 shares) plus one warrant to purchase an additional share exercisable for a period of 5 years from the issue date. In July 2010, the Company canceled 1,000,000 shares of common stock relating to the Wilon acquisition. These shares were owned by the Company. The Company's common stock at June 3, 2010 had a value of \$.035 per share making the acquisition price \$1,687,279.

The Company accounted for the business combination using the purchase method. The estimated fair market value of Wilon's net assets (assets less liabilities) was recorded at the value of the acquisition price of \$1,687,279. Management reduced its original estimate of the fair market value. This reduction in the estimate had no effect on the recorded amount of the transaction as the excess fair market value over the acquisition price reduced the recorded value of oil and gas properties and equipment. The oil and gas properties consist of 115 natural gas wells, 12,000 acres of mineral rights leases and the gathering system interconnecting the wells. The Company intends to retain a third party to complete a Reserve Report covering the 12,000 acres located in Wayne County, West Virginia substantiating proven and unproven wells. The estimates used by the Company in recording the acquisition could change significantly pending the valuation results of the third party.

6. Any default of the terms of any note, loan, lease, or other indebtedness or financing arrangements requiring the issuers to make payments

From time to time, we may be a defendant and plaintiff in various legal proceedings arising in the normal course of our business. We are currently not a party to any material pending legal proceedings or government actions, including any bankruptcy, receivership, or similar proceedings. In addition, management is not aware of any known litigation or liabilities involving the operators of our properties that could affect our operations. Should any liabilities be incurred in the future, they will be accrued based on management's best estimate of the potential loss. As such, there is no adverse effect on our consolidated financial position, results of operations or cash flow at this time. Furthermore, management of the Company does not believe that there are any proceedings to which any director, officer, or affiliate of the Company, any owner of record of the beneficially or more than five percent of the common stock of the Company, or any associate of any such director, officer, affiliate of the Company, or security holder is a party adverse to the Company or has a material interest adverse to the Company.

On November 28, 2011, the Company entered into a Forbearance Agreement ("Agreement") with Caesar Capital Group, LLC due to the inability of the Company to pay the remaining amounts due on two outstanding notes. Subsequently, the Company failed to make payments as scheduled within the Agreement. On or about December 23, 2011, Caesar Capital, LLC filed an action against us in the New York County Supreme Court for breach of contract. On December 6, 2012, a default judgment was entered against the Company in the amount of \$85,341.13. During the second quarter of 2014, the convertible debenture/judgment was paid in full through

the issuance of common stock of the Company. For more details, please see NOTE I- CONVERTIBLE DEBENTURE PAYABLE of the Company's December 31, 2014 Unaudited Quarterly Report for further information.

7. Any change of control

None

8. Any increase of 10% or more of the same class of outstanding equity securities?

On September 30, 2015, the Company's Board of Directors voted to implement a reverse stock split of the Company's common stock and to reduce the number of Authorized shares of common stock.

On November 24, 2014, the Company filed an Amendment to its Articles of Incorporation increasing the Authorized number of common shares from 5,000,000,000 to 9,000,000,000. No changes were made to the Company's Preferred share structure.

On August 21, 2014, the Company filed an Amendment to its Articles of Incorporation increasing the Authorized number of common shares from 2,000,000,000 to 5,000,000,000. No changes were made to the Company's Preferred share structure.

On August 12, 2013, the Company effectively completed a 1:300 reverse stock split of its common stock

On July 19, 2013, the Company filed an Amendment to its articles of Incorporation reducing the Authorized number of common shares from 9,000,000,000 to 2,000,000,000 and to effectively reduce the number of common shares outstanding through a 1:300 reverse stock split.

On July 5, 2013, the Board of Directors authorized and shareholders holding a majority of our outstanding voting capital stock (the "Majority Shareholders") of Syllos Corp (the "Company") have approved an amendment to the Articles of Incorporation (the "Amendment") which was filed with the Secretary of State of Florida. Pursuant to the Amendment, the Company decreased its authorized capital to authorize the issuance of 2,000,000,000 shares of common stock, par value \$0.001.

On November 26, 2012, the Board of Directors authorized and shareholders holding a majority of our outstanding voting capital stock (the "Majority Shareholders") of Syllos Corp (the "Company") have approved an amendment to the Articles of Incorporation (the "Amendment") which was filed with the Secretary of State of Florida. Florida. Pursuant to the Amendment, the Company increased its authorized capital to authorize the issuance of 3,600,000,000 shares of common stock, par value \$0.001.

9. Any past, pending or anticipated stock split, stock dividend, recapitalization, merger, acquisition, spin-off, or reorganization

On April 14, 2014, the Company filed an Amendment to its Articles of Incorporation with the State of Florida Division of Corporations for a name change to Syllos Corp. On April 25, 2014, the Company filed the appropriate documentation with the Financial Industry Regulatory Authority ("FINRA") to effectively change the name of the publicly traded entity from US Natural Gas Corp to Syllos Corp. The name change was effective on June 20, 2014. The Company's new Cusip number associated with the name change is 871324 109.

On November 24, 2014, the Company filed an Amendment to its Articles of Incorporation increasing the Authorized number of common shares from 5,000,000,000 to 9,000,000,000. No changes were made to the Company's Preferred share structure.

On August 21, 2014, the Company filed an Amendment to its Articles of Incorporation increasing the Authorized number of common shares from 2,000,000,000 to 5,000,000,000. No changes were made to the Company's Preferred share structure.

Item 6: Business of Issuer

Sylios Corp (f/k/a US Natural Gas Corp) ("Sylios", the "Company", "we", "us", or "our") was organized as a Florida Corporation on March 28, 2008 under the name of Adventure Energy, Inc.

Sylios Corp is a holding corporation, which through its subsidiaries, has operations engaged in the exploration and development oil and natural gas properties, investments in equities and corporate debt and the development of products utilized for the medical and recreational marijuana industry.

Our operations are currently divided amongst five wholly owned subsidiaries, US Natural Gas Corp KY ("KY"), US Natural Gas Corp WV ("WV") (formerly Wilon Resources, Inc.), E 2 Investments, LLC ("E2"), The Greater Cannabis Company, LLC ("GCC") and Bud Bank, LLC ("BB").

Our primary SIC code is 1311. The Company is not now and has never been a shell.

Item 7: The nature of the products and services offered

US Natural Gas Corp WV:

US Natural Gas Corp WV's ("WV") operations were based in Wayne County, West Virginia and primarily concentrated on the production of commercially viable natural gas. On July 31, 2014, the Company and Bayport International Holdings, Inc. ("Bayport") closed on the Asset Purchase Agreement entered into between the companies on July 9, 2014. Included within the assets sold by the Company were certain leases covering mineral rights, oil and natural gas wells, certain right of ways and ancillary facilities constructed by the Company for the delivery of natural gas in West Virginia. Upon completion of the transaction with Bayport, the Company had no remaining leases, wells or activity in West Virginia.

US Natural Gas Corp KY:

US Natural Gas Corp KY ("KY"), a wholly owned subsidiary, concentrates on oil producing activities mainly in the counties of Green, Hart, Adair, Russell, Edmonson, and Monroe in Kentucky where the Company has approximately 4600 acres under lease. On average, KY maintains a 95% working interest and 83% net revenue interest in each well. To date, KY has 19 wells under bond of which 9 are currently producing commercially viable crude with minimal revenue.

On September 5, 2012, the Company entered into an Asset Purchase Agreement with Madison Brothers Investments, LLC for the sale of certain oil producing assets located in Edmonson County, Kentucky. These assets have been previously referred to as the "Pine Grove Project" throughout the Company's previous press releases and filings with the Securities and Exchange Commission. Under the terms, the Company is to convey via deed, assignment, and/or transfer, twenty five equipped oil wells, two water injection wells, and

five oil and gas leases. The 182 acres of mineral rights purchased by the Company in the Purchase transaction were sold to a non-affiliate third party in a separate transaction. The transaction was finalized and fully funded on September 13, 2012. Terms of the transactions were not disclosed.

In July 2011, the Company announced the initiation of a new natural gas development project in Whitley County, Kentucky. To date, the Company has acquired two wells capable of producing natural gas and is in discussions to acquire five to seven additional wells. The Company has reached an agreement with Magnum Hunter Production for the transmission of the Company's produced natural gas to its sales point. The Company has elected to place any further development of these leaseholds until natural gas pricing improves.

Our business strategy is to economically increase reserves, production, and the sale of natural gas and oil from existing and acquired properties in the Appalachian Basin and elsewhere, in order to maximize shareholders' return over the long term. Our strategic location in Kentucky enables us to actively pursue the acquisition and development of producing properties in that area that will enhance our revenue base without proportional increases in overhead costs.

We expect to generate long-term reserve and production growth through drilling activities and further acquisitions. We believe that our management's experience and expertise will enable us to identify, evaluate, and develop natural gas projects.

We have acquired and intend to acquire additional producing oil and gas property rights where we believe significant additional value can be created. Our Management is primarily interested in developmental properties where some combination of these factors exist: (1) opportunities for long production life with stable production levels; (2) geological formations with multiple producing horizons; (3) substantial exploitation potential; and (4) relatively low capital investment production costs.

E 2 Investments, LLC:

E 2 Investments, LLC ("E2") is a wholly owned subsidiary which manages the Company's alternative investments through a variety of avenues:

- Buying and selling of domestic equities
- Purchase of third party debt issued by publicly traded entities
- Purchase of mineral rights
- Direct Stock Purchase participation with other publicly traded entities
- Consulting capacity
- Direct funding to small and microcap companies through the issuance of debentures

The Greater Cannabis Company, LLC:

Formed in March 2014, The Greater Cannabis Company, LLC ("GCC") is the Company's operating subsidiary for its recently launched operations in the medical and recreational marijuana market. The Company will look to represent a line of premier products through licensing agreements, development, acquisitions and joint ventures. The Company will launch an online superstore for marijuana related accessories under the name of GCC Superstore.

During 2014, GCC entered into a U.S. based licensing agreement with Artemis Dispensing Technologies for the development and resell of its automated dispensing product. Under the collaboration and license agreement, Artemis will be responsible for the continued development and completion of the automated dispensing product. Upon launch and sales of the product, Artemis will be responsible for the installation, training and customer support for the hardware and software. The Company will be responsible for direct sales, addition of key distributors and sub-licensing of specific territories within the U.S.

Bud Bank, LLC:

Formed in July 2014, Bud Bank, LLC ("BB") is dedicated solely to the Company's new automated cannabis dispensing product. Through the licensing agreement entered into between The Greater Cannabis Company, LLC and Artemis Dispensing Technologies, a new automated cannabis dispensing product is in development to be branded under the name Bud Bank.

Item 14: Management's Discussion and Analysis or Plan of Operation

Plan of Operation

We began operations on March 28, 2008 and are engaged in the oil and natural gas industry focusing on exploration, development, and production. We operate oil and gas wells in which we own the majority of the working interest, and are presently re-working and completing oil wells on our current leaseholds in Kentucky. We maintain leaseholds covering approximately 4,600 acres in South Central Kentucky and are presently expanding our leasehold interests. Our first revenue from production was generated in July 2009. The Company has incurred losses of \$9,197,285 for the period March 28, 2008 (inception) through March 31, 2015 and has negative working capital balance aggregating \$1,749,853. These factors raise substantial doubt about the Company's ability to continue as a going concern.

Our Kentucky properties, operated by our wholly owned subsidiary US Natural Gas Corp KY ("KY"), are focused in the South Central region of the state encompassing the counties of Allen, Monroe, Metcalfe, Green, Hart, Adair, Edmonson and Barren. We currently have the majority Working Interest in 16 oil wells of which 9 are currently in production.

We also maintain the majority Working Interest in 3 previously producing natural gas wells in Kentucky. One well located in Eastern Kentucky is currently shut-in due to issues with the receiving transmission pipeline. We anticipate that if we elect to expand our operations in this region, we can satisfactorily resolve this issue and place this well back into production. We have reached an agreement with Magnum Hunter for the transmission of natural gas produced from our two natural gas producing wells located in Whitley County, Kentucky. We maintain a majority working interest in each of these wells. Prior to placing these wells into production, we will need to complete the laying of a 1 ¼" extension of our gathering system to a tap into Magnum Hunter's line.

We expect to generate long-term reserve and production growth through drilling activities, re-entry and completion projects, and further acquisitions. We believe that our management's experience and expertise will enable it to identify, evaluate, and develop our oil and natural gas projects.

We continue to seek to identify oil and natural gas wells for possible acquisition. However, there can be no assurance that we will be able to enter into agreements for the acquisition of these oil wells upon terms that are satisfactory to the Company.

We expect to generate long-term reserve and production growth through drilling activities, re-entry and completion projects, and further acquisitions. We believe that our

management's experience and expertise will enable us to identify, evaluate, and develop oil and natural gas projects.

Since the Company's formation in 2008, we have formed three additional operational subsidiaries.

1. **E 2 Investments, LLC** ("E2") is a wholly owned subsidiary which manages the Company's alternative investments through a variety of avenues:

- a. Buying and selling of domestic equities
- b. Purchase of third party debt issued by publicly traded entities
- c. Purchase of mineral rights
- d. Direct Stock Purchase participation with other publicly traded entities
- e. Consulting capacity
- f. Direct funding to small and microcap companies through the issuance of debentures

2. Formed in March 2014, **The Greater Cannabis Company, LLC** ("GCC") is the Company's operating subsidiary for its recently launched operations in the medical and recreational marijuana market. The Company will look to represent a line of premier products through licensing agreements, development, acquisitions and joint ventures. The Company will launch an online superstore for marijuana related accessories under the name of GCC Superstore.

3. Formed in July 2014, **Bud Bank, LLC** ("BB") is dedicated solely to the Company's new automated cannabis dispensing product. Through the licensing agreement entered into between The Greater Cannabis Company, LLC and Artemis Dispensing Technologies, a new automated cannabis dispensing product is in development to be branded under the name Bud Bank.
