In connection with providing this Letter, we have examined the following documents (collectively, the “Information”):

I have also made such examination of law and have examined originals or copies, certified or otherwise, of such corporate records and documents of the Company, such agreements, certificates of officers or representatives of the Company, and such other records, certificates, including certificates of public officials, and documents as we have deemed relevant and necessary as a basis for the opinions hereinafter expressed, all of which we believed to be reliable. In such examination, we have assumed the genuineness of all signatures, the authenticity of all documents submitted to us as originals and the conformity with authentic original documents of all documents submitted to us as copies. As to any facts relevant to the opinions expressed below, we have relied upon certificates and written and/or oral representations of officers of the Company and public officials. The qualification of any statement with respect to the existence or absence of facts by the phrase "to our knowledge" or "known to us" means the actual knowledge of the attorneys at this firm involved with the review and negotiation of the information reviewed. I have not conducted an independent audit of the Company or its files.

I have met with management of the Company, have reviewed the information published by the Company on the Pink Sheet News Service and discussed the information with management of the Company.
