4) Issuance History

Listed below are any events that resulted in changes in total shares outstanding by the issuer in the past two fiscal years and any interim period.

During the three months ended March 31, 2013, the Company issued a total of 201,000,000 shares of common stock. Of this amount, 100,000,000 shares of restricted common stock were issued to one of our board members, Mr. Austin, as part of a settlement agreement (See Financial Footnote 11: Related Party Transactions for more detail); 25,000,000 shares of restricted common stock were issued in exchange for services rendered; 66,000,000 shares of unrestricted common stock were issued for the conversion of 231,000 shares of Series A Convertible Preferred Stock, and the balance, or 10,000,000 shares of restricted common stock were issued to settle a total of \$24,000 in debt. In addition, in February of 2013 we issued 80 shares of Series B Convertible Preferred Stock pursuant to a definitive Contribution Agreement with Cellad, Inc. dated January 31, 2013 under which agreement we acquired, through our wholly owned subsidiary, World Acq, Inc., substantially all of the assets and liabilities of Cellad, Inc.

During the year ended December 31, 2012 and 2011, the Company had not issued any securities, because the Company's share issuance history begins as of February of 2013, when WDAS acquired substantially all of the assets and liabilities of Cellad in exchange for a total of 80 shares of WDAS's Series B Convertible Preferred Stock pursuant to a definitive Contribution Agreement dated January 31, 2013 by and among WDAS, a wholly owned subsidiary, and Cellad, Inc. (the "Contribution Agreement"). Although WDAS is the legal acquirer, for accounting purposes Cellad is the accounting acquirer and the transaction was accounted for as a reverse merger.

Each of the above securities offerings or transactions was made by officers and directors of the issuer and was not a registered offering. The offerings relied upon an exemption under Regulation S or Rule 4(2) of the Securities Act of 1933, as amended. The shares in these offerings or transactions were restricted (i.e., not freely tradable), where indicated above; and the certificates evidencing such shares contained a legend (1) stating that the shares have not been registered under the Securities Act of 1933, as amended, and (2) setting forth or referring to the restrictions on transferability and sale of the shares under the Securities Act of 1933, as amended.

WORLD ASSURANCE GROUP INC. (A Development-Stage Company) Notes to Financial Statements (Unaudited)

1. Organization and Formation

World Assurance Group, Inc. (formerly Asset Realization, Inc.) ("We" or the "Company") was incorporated in the State of Colorado on January 1, 2000, then reorganized as a Nevada corporation on November 8, 2006. On September 11, 2008 the corporation changed its name from Asset Realization, Inc. to World Assurance Group, Inc. On November 16, 2006, A Alpha Bail Bonds LLC, a limited liability company organized in the State of Colorado on August 11, 2005, was acquired by World Assurance Group, Inc. in a transaction classified as a reverse acquisition. On October 1, 2009, ANAV Holdings Company acquired World Assurance Group Inc. for an exchange of 2,000,000 shares of the combination of World Assurance Group, Inc. and ANAV Holdings Company. The assets and liabilities of the bail bonds company were then purchased by management of the bail bonds company, the principal selling shareholders of WDAS, and spun out as a privately held company. ANAV Holdings Company is a wholly- owned subsidiary of WDAS.

Effective February 1, 2013, WDAS acquired through its wholly owned subsidiary, World Acq, Inc., substantially all of the assets and liabilities of Cellad, Inc. in exchange for a total of 80 shares of WDAS's Series B Convertible Preferred Stock pursuant to a definitive Contribution Agreement dated January 31, 2013 by and among WDAS, World Acq., Inc. and Cellad Inc. Although WDAS is the legal acquirer, for accounting purposes Cellad Inc. is the accounting acquirer.

The Company has elected a calendar accounting period beginning on January 1 and ending on December 31 of each year.

2. Basis of Presentation

The accompanying financial statements have been prepared by us, without audit and in accordance with US GAAP. The balance sheet of World Assurance Group, Inc has been prepared on the accrual basis of accounting. Under this method, certain revenues are recognized when earned and certain expenses and purchases of assets are recognized when the obligation is incurred.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Development-Stage Company

The Company is considered a development-stage company in accordance with Accounting Standards Codification ("ASC") 915 "Development-Stage Entities." Management expects to sustain losses from operations until such time it can generate revenues sufficient to meet its anticipated cost structure. Upon distribution of the Company's products, it will exit the development stage. The nature of our operations is highly speculative, and there is consequently a risk of loss of your investment. The success of our plan of operation will depend to a great extent on the operations, financial condition, and management of the Company.

Basis of Consolidation

The consolidated financial statements include 100% of the assets, liabilities, revenues, expenses and cash flows of World Assurance Group Inc and its wholly owned subsidiary ANAV Holdings Company. All intercompany accounts and transactions have been eliminated in consolidation. The results of subsidiaries acquired or disposed of during the respective periods are included in the consolidated statements of operations from the effective date of acquisition or up to the effective date of disposal, as appropriate.

Property and equipment

Property and equipment are recorded at cost and depreciated under straight-line methods over each item's estimated useful life, generally seven years for furniture and fixtures and five years for office equipment.

3. Going Concern

The financial statements at March 31, 2013 have been prepared on a going concern basis, which contemplates the realization of assets and the settlement of liabilities in the normal course of our business. As reflected in the accompanying financial statements, we had a net loss of \$44,201 and \$0 for the three months ended March 31, 2013 and 2012, respectively; accumulated stockholder's surplus of \$1,363,799 and a working capital deficit of \$156,201 as of March 31, 2013. Also, as of March 31, 2013, we had very limited liquid and capital resources. We are currently highly dependent upon obtaining sufficient short and long term financing in order to continue running operations and there can be no guarantee that such financing will become available.

THE FOREGOING FACTORS RAISE SUBSTANTIAL DOUBT ABOUT OUR ABILITY TO CONTINUE AS A GOING CONCERN. ULTIMATELY, OUR ABILITY TO CONTINUE AS A GOING CONCERN IS DEPENDENT UPON OUR ABILITY TO ATTRACT NEW SOURCES OF CAPITAL, TO ATTAIN A REASONABLE THRESHOLD OF OPERATING EFFICIENCY AND ACHIEVE SUSTAINABLE PROFITABLE OPERATIONS. THIS CANNOT BE GUARANTEED GIVEN THE CURRENT LACK OF OPERATING CAPITAL. THE FINANCIAL STATEMENTS DO NOT INCLUDE ANY ADJUSTMENTS THAT MIGHT BE NECESSARY IF WE ARE UNABLE TO CONTINUE AS A GOING CONCERN.

GIVEN OUR LACK OF OPERATING CAPITAL AND CURRENT INABILITY TO ISSUE ADDITIONAL SHARES, NO GUARANTEE CAN BE GIVEN THAT WE WILL REACH ANY SUCCESSFUL CONCLUSION WITH OUR DEBT HOLDERS.

4. Acquisition of Cellad, Inc.

Effective February 1, 2013, WDAS acquired, through its wholly owned subsidiary, World Acq, Inc., substantially all of the assets and liabilities of Cellad, Inc. in exchange for a total of 80 shares of WDAS's Series B Convertible Preferred Stock (the "Shares") pursuant to a definitive Contribution Agreement dated January 31, 2013 by and among WDAS, World Acq., Inc. and Cellad Inc. (the "Contribution Agreement"). Although WDAS is the legal acquirer, for accounting purposes Cellad Inc. is the accounting acquirer.

The Series B Convertible Preferred Shares held by Cellad, Inc convert into a total of 80% of the total issued and outstanding common shares at the time of conversion. The Series B Convertible Preferred Shares vote on an as-converted basis with the common stock. Cellad, Inc. is therefore an 80% beneficial shareholder of WDAS. 50% of Cellad, Inc. is owned by Darjon Investments, Ltd., which is owned by Vincent Browne, and the remaining 50% of Cellad Inc. is owned by Sean McVeigh.

Cellad Inc. is a mobile digital media company formed in Ireland in 2011 and operating in the global 'mobile advertising' industry. Cellad has developed, along with its partners, a revolutionary new cloud based advertising platform that allows advertisers and brands to deliver high definition, full screen adverts, coupons and click-through offers to our subscribers every time the subscriber receives an inbound call or text message on their android smartphone. Advertisers can directly manage content, and campaigns to chosen demographic and geographic audiences using advances in location based technologies and smartphone applications. Cellad Inc. pays a fee – in cash or points – directly to subscribers for every advert displayed on their smartphone once they have registered and downloaded the subscriber application.

Additionally, as part of this transaction, the Series A Convertible Preferred Shares accepted revised terms and conditions to their preferred stock, such that a portion of the Shares of Series A Convertible Preferred, equal to three percent (3%) of the Company's issued and outstanding common stock at the time of conversion, shall automatically convert into Common Stock commencing February 15, 2013, and automatic conversions shall continue to occur once every 30 days thereafter at the Conversion Price. The Conversion Price is Forty Percent (40%) of the Volume Weighted Average Price of the four trading days prior to the date of conversion or \$0.0035 per share of Common Stock, whichever is the lower (the "Conversion Price"). However, the Conversion Price shall never be below \$0.00175 per share of Common Stock. Additionally, the Company shall have the right, at its sole option and discretion at any time, to convert additional Shares of Series A Convertible Preferred up to an amount not to exceed a Holder's beneficial ownership limitation of 9.99% of the total issued and outstanding shares of the common stock at the time of conversion. Additionally, the Series A Preferred Shares votes one for one with the common stock.

The issuer issued all of the preferred shares listed above upon the exemption of the registration requirements of the Securities Act of 1933, as amended, afforded the Company under Section 4(2) promulgated thereunder due to the fact that the issuance did not involve a public offering of securities. Each of the stock certificates issued hereunder contained a legend stating that the shares have not been registered under the Securities Act and set forth or refer to the restrictions on transferability and sale of the shares under the Securities Act.

5. Fixed Assets / Real Property

As of March 31, 2013 the Company had \$1,500,000 in IP Assets as a result of the acquisition of Cellad Inc. in February 2013. The initial valuation has not been carried out by an expert external source and is based on management's expectation of the future revenues that may be generated from the technology and business processes acquired with Cellad Inc. At December 31, 2012 the Company had no Fixed Assets.

The Company currently owns two lots of development property, Lot 10 and Lot 17, in gated community in Canon City, Colorado. The gated community is known as Sunrise Mesa. The lots were originally purchased in 2010 as part of a larger transaction for the purchase of an upscale home and additional development lots at Sunrise Mesa by the issuance of a \$112,000 Convertible Promissory Note and 3,500,000 Series A convertible preferred shares. In 2011, the home and additional lots where vended out to Praetorian Investments, a non-controlling shareholder on foot of Praetorian assuming agreed liabilities for work undertaken on behalf of the Company that is was unable pay, and also settling various liens against the property and paying past taxes and homeowners fees due on the property. The Company took a charge in the accounts during 2010 to reflect the loss in value of the assets acquired in 2009 as a result of the extremely difficult real estate markets at the time. The property is valued on the balance sheet at estimated market value at the date of the balance sheet and nay difference in value is booked as a revaluation of real property assets in the income statement for the respective period.

The Company owns the lots on their entirety and there is no security or lien registered against them.

6. Accounts Payable

Accounts payable at March 31, 2013 were \$44,201. 5 vendors accounted for 100% of the payables at March 31, 2013.

Accounts payable at December 31, 2012 were \$49,000. Two vendors accounted for 100% of the payables at December 31, 2012, the largest of which, our previous Chief Executive Officer and current Director Mr. Andrew Austin accounts for 51% of the payables. Subsequently these amounts where settled in exchange for the issuance of 110,000,000 shares of Common Stock in February 2013.

Although we believe that we have adequate alternative vendors to purchase services and products, there can be no assurance of comparability, which could have a detrimental effect on the business.

7. Convertible Promissory Notes

On September 19, 2009, Creative Gaming Consultants, Inc ('Creative") was issued a debenture by the Company in the amount of \$250,887 at 16% annual interest and a \$75,000 convertible loan note on foot of signing binding agreements for the acquisition of certain property located at 71 Sunrise Mesa Drive, Canon City, Colorado, 81212. On completion of the property acquisition in July 2010, Creative and the Company agreed to amend the debenture and the loan note into one convertible loan note with principal of \$112,000 accruing no interest and the issuance of 3,500,000 Series A convertible preferred shares. (See Section 8 for more details).

The amended note is convertible, at anytime at the request of the holder, into fully paid and non assessable common shares of the Company. The number of shares into which the Note can be voluntarily converted shall be determined by dividing the aggregate principal amount by the conversion price, where the conversion price is equal to 40% of the average bid price for the preceding four business days of the Company's common stock trading on the Pink Sheet market or any greater discount to be determined by the Board of Directors of the Company in its sole discretion. The note is still outstanding at March 31, 2013. Notwithstanding, the note holder cannot convert and beneficially hold greater than 9.99% of the total issued and outstanding common stock of the Company at any one point in time.
