RE: Legal Opinion – Disclosure of Adequate Current Information by Green Cures & Botanical Distribution Inc, a Colorado corporation, (Symbol -“GRCU”)

Ladies/Gentlemen:

You are entitled to rely on this letter in determining whether Green Cures & Botanical Distribution Inc, a Colorado corporation, (Symbol -“GRCU”) (the “Issuer”) has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933.

I am a resident of the United States and have been retained by the Issuer for the purpose of rendering this letter and related matters. This firm’s relationship with the Issuer includes, over and above writing this letter, serving as special securities counsel for the Issuer which duties include reviewing disclosure information, interfacing with management and the board of directors, and giving general legal advice to management.

I have examined such corporate records and other documents and such questions of law as I considered necessary or appropriate for purposes of writing this letter. In all such examinations, I have assumed the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as copies and the authenticity of all originals of such documents submitted as copies. Further, in all such examinations, I may have relied on information obtained from public officials, officers of the Issuer, and other sources and represent that all such sources are believed to be reliable, except as noted below.

This letter relates to the laws of the United States, specifically Federal securities law. I am a member in good standing of the bar of the State of California and State of Texas. I am permitted to practice before the Securities and Exchange Commission (the “SEC”). I have not been prohibited from practice thereunder.

In addition to the Information and Other Information, as defined above, the OTC Disclosure and News Service contains information posted by the Issuer between November 13, 2012 and October 23, 2009. I did not review or consider these documents. While I consider the Information, as defined above, to be reliable, I do not consider the Other Information, as defined above, to be reliable, in large measure because prior management of the Issuer did not provide full copies of or full access to the historical financial information concerning the Issuer. Accordingly, there is an information gap (NO UNDERLYING DATA) from what prior management filed in February 2014 for the 3rd Quarter Ended September 30, 2013 and the fresh start presented in the Issuer's Quarterly Report – Disclosure Statement – Financial Statements – Notes to Financial Statements for the period end date of June 30, 2014 posted on August 14, 2014 (the “Information”). The operating results for the periods presented in the Information are not necessarily indicative of financial results for the full year. Moreover, the results do not provide a meaningful comparison against prior periods. The financial statements have been prepared based upon the Material Definitive Agreement entered on February 1, 2014 and closed on February 25, 2014 wherein Privileged World Travel Club, Inc., a Delaware corporation, (1) purchased the Issuer's entire business, including all assets; (2) assumed all of the Issuer's outstanding debts; and (3) agreed to indemnify the Company from any and all claims related thereto for a purchase price consisting of 4,062,500 shares of common stock of Privileged World Travel Club, Inc. As such, the financial statements reflect no operations, zero assets and zero liabilities as of February 25, 2014. Investors are cautioned that even though the financial statements reflect no operations, zero assets and zero liabilities as of February 25, 2014, none of the Issuer's creditors agreed to the assumption of the Issuer's outstanding debts by Privileged World Travel Club, Inc. and that if Privileged World Travel Club, Inc. is unable to honor its obligations to satisfy the Issuer's outstanding debts, then those creditors will have a claim against the Issuer.

WEED & Co.

It is my opinion that the Information, as defined above, (i) constitutes adequate current public information concerning the Securities and the Issuer and is available within the meaning of Rule 144(c)(2) under the Securities Act.

It is my opinion that the Information and Other Information, as defined above, (ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934 (the "Exchange Act"), (iii) complies as to form with the OTC Markets Group's OTC Pink Disclosure Guidelines, which are located on the Internet at www.otcmarkets.com, and (iv) has been posted through the OTC Disclosure News Service.

The person responsible for the preparation of the financial statements contained in the Information, as defined above, is Romeo O. Cruz, Chief Financial Officer of the Issuer. The persons responsible for the preparation of the financial statements contained in the Other Information, as defined above, includes Romeo O. Cruz, Chief Financial Officer of the Issuer, and Gregory E. Lykiardopoulos, former Chief Executive Officer of the Issuer.

The financial statements have not been audited. Further, the Information contains a disclosure concerning the Issuer's limitations in preparing its financial statements. This disclosure indicates the accompanying financial statements and notes have been prepared in accordance with US GAAP by persons who the Issuer believes possess sufficient financial skills. None of the persons who assisted in the preparation of the financial statements is/are qualified as a Certified Public Accountant. Investors are cautioned that previous management did not provide full copies of or full access to the historical financial information concerning the Issuer. As such, the Issuer has chosen to present its financial statements based upon the removal of all assets and liabilities as of February 25, 2014, the closing date under the Material Definitive Agreement between the Company and Privileged World Travel Club, Inc., and the commencement of new operations during the quarter ended June 30, 2014, the sale and marketing of nutritional, medicinal and body care products through retail and wholesale channels.

The Issuer's transfer agent is Action Stock Transfer located at 2469 E. Fort Union Blvd., Salt Lake City, UT 84121, which is registered with the SEC. The method used to confirm the number of outstanding shares of common stock set forth in the Information was to examine a shareholder list as of July 28, 2014, provided by the Issuer's transfer agent and receive confirmation as to the number of outstanding shares. As of July 28, 2014, the total outstanding shares of common stock of the Issuer was 1,636,233,097.

On July 31, 2014, I personally met with management and a majority of the directors of the Issuer. Since that time, I have reviewed the Information and Other Information, as defined above, published by the Issuer through the OTC Disclosure and News Service, and discussed the

WEED & Co.

Information and Other Information with management and a majority of the directors of the Issuer.

Following an inquiry of management and the directors of the Issuer, I confirm that to the best of my knowledge there is no investigation by any federal or state regulatory authority for any violation of federal or states securities laws that involves the Issuer, any officer, director, or any 5% holder of the securities of the Issuer, or Issuer's counsel.

No person other than the OTC Markets Group is entitled to rely on this letter. However, I grant the OTC Markets Group full and complete permission and rights to publish the letter through the OTC Disclosure and News Service for viewing by the public and regulators.

Sincerely yours,
