Re: Northstar Global Business Services, Inc., Common Stock, CUSIP # 66705M100

Dear Mr. Sikandar:

This letter is in response to your recent inquiries regarding the imposition of a deposit transaction restriction (the "Deposit Chill") on CUSIP 66705M100 (the "Issue"), issued by Northstar Global Business Services, Inc. (the "Issuer").

Please be advised that The Depository Trust Company ("DTC") has examined the matter and has determined to lift the Deposit Chill and resumed accepting deposits of the Issue for depository and book-entry transfer services.

Sincerely,

A handwritten signature in blue ink, appearing to read "A. Bolaji", is written over the typed name.

Yemi A. Bolaji
