Item VI The nature of products or services offered

In responding to this item, please describe the following so that a potential investor can clearly understand the products and services of the issuer:

A. Principal products or services, and their markets;

Enzyme Environmental Solutions, Incorporated produces a unique multi-enzyme solution used in a wide variety of special purpose products. The Company manufactures the enzyme products solution based on its proprietary formulas. The primary markets for the Company's products include: Retail, Agricultural, and Industrial. Enzyme use is standard in many industries such as cleaning, health, and manufacturing and as dietary supplements for both humans and animals. Enzymes act as a catalyst to accelerate the naturally occurring processes within nature. Enzyme Environmental Solutions uses no chemicals or hazardous materials to manufacture these enzymes, as all ingredients are environmentally friendly. The enzyme solution can be used to eliminate odor and organic matter - including blood stains - to clean carpets and counter tops, remove wall paper, and as a cleaner/degreaser. The wide breadth of products provided is the result of extensive research and development efforts. Over the last several years, the Company has expanded its product offering from four primary products to thirty-six distinct products. The Company continues to be focused on new markets and new product offerings.

B. Distribution methods of the products or services;

All distribution methods of the products and services will be done by bulk shipping

C. Status of any publicly announced new product or service;

All publicly announced new products and services have and will continue to be announced by press release.

D. Competitive business conditions, the issuer's competitive position in the industry, and methods of competition;

There are many competitive businesses within the industry.

E. Sources and availability of raw materials and the names of principal suppliers;

The issuer does not have a principal supplier of raw materials.

F. Dependence on one or a few major customers;

The company does not have a dependency on one or a few major customers.

- G. Patents, trademarks, licenses, franchises, concessions, royalty agreements or labor contracts, including their duration; and

There are no Patents, trademarks, licenses, franchises, concessions, royalty agreements or labor contracts.

- H. The need for any government approval of principal products or services and the status of any requested government approvals.

There is no need for any government approval of principal products or services and the status of any requested government approvals.

Item VII The nature and extent of the issuer's facilities

6020 Huguenard Road, Fort Wayne, Indiana 46818
