C. the issuer’s primary and secondary SIC Codes; 8742

D. the issuer’s fiscal year end date; December 31st

E. principal products or services, and their markets;

The Company works with organizations that are looking for capital or management assistance or help in reaching their target markets so they can realize their true potential. QED primarily focuses on businesses that are producing revenue and are synergistic with our portfolio and those that will offer

additional markets sectors that can provide strong opportunity and diversity for the Company. QED looks beyond current conditions such as underperformance of an existing asset due to inadequate capital, limited development expertise or a lack of strategic vision, and is able to recognize short and long-term asset potential and value add opportunities. On June 17, 2011, the Company acquired the assets of StockProfile.com which operates a financial news Internet site. As of December 31, 2015, the operations have been terminated. On April 29, 2014, the Company entered into an agreement to acquire Emerald Med Farms, Inc., a California based medical marijuana company. As of March 2015, the Company has terminated its agreement with Emerald Med Farms, Inc. In June of 2015, QED acquired Oro Verde Inc. (formally known as Green M&A Solutions), a private US company that has 100% ownership of Green Mine Solutions, a Colombian company. The Company harvests and de-shells the Sacha Inchi seeds from farmers in the area surrounding mining communities and other farming areas in Colombia and Peru, The Sacha Inchi Plant (Plukenetia Volubilis) is a rain forest vine which produces a star-shaped pod that contains a seed known as "Sacha Inchi". Relatively unknown outside of South America, Sacha Inchi seeds are considered one of the new "superfoods" primarily for their health benefits. The seeds possess a high concentration of Omega 3 (48%) with low saturated fatty acids (6%) contain anti-inflammatory properties with Vitamin A and Vitamin E, and are a great source of protein (30%). The seeds are Organic, Non-GMO, Gluten Free, Vegan, and Kosher and have no "fishy" aftertaste as with other Essential Fatty Sources (EFS) sources. Sacha Inchi was included on Dr. Oz's 2010 checklist as the best snack food for losing weight. The Company operates a processing plant and warehouse in Florida, Colombia to de-shell, hydrate, and prepare the Sacha Inchi seeds for export. The seeds are then transported to the USA to a roasting company for final preparation, seasoning, roasting, and packaging in "retail ready" bags. The products are marketed through retailers and other outlets under their private label as well as the company's brand "Inca Snacks" in the USA, Canada, Japan, Europe and China.

In November 2015, QED entered into an agreement with Damon Worldwide, a global leader in consumables retailing. Through its renowned industry expertise in private brand building, experiential consumer marketing, and innovative retail-driven services, Daymon collaborates with more than 100 major retailers and nearly 6,000 manufacturers in 50 countries. The Company is actively engaged in development programs to introduce other products made from Inca Seeds (Sacha Inchi) such as Inca butter, Inca milk, Inca Superfood that can increase the nutritional value of foods and drinks.
