

RE: Share Structure Clarification

July 7, 2010

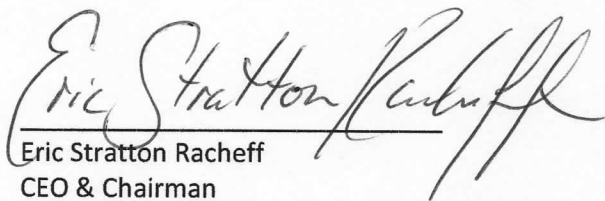

Between the dates of 28 May, 2010 through today's date of 7 July, 2010 the Company has not issued any shares. In addition to this, none of the Board of Directors has sold any shares, neither through a third party nor in any other manner. During this time period no shares have come off of restriction. All recent volume and share price activity is through existing free tradable shares through "street" investors and/or shorted shares.
