Participate! Be heard by the US authorities! Lets put the short sellers and stock Bashers on ICE. See www.minamargroup.com/ice and sign the petition, which we intend to present to US authorities and once and for all ban the short sales in the small cap markets. The same rules as in effect in Germany and Hong Kong. Our proposal has a limited scope effecting Pink Sheets and OTCBB companies only. Fight back as an investor to repeal the "Communications Decency Act" which allows for the short sellers, stock bashers and or those which offer them a safe harbor to leech and thrive on these markets, while causing distress and decline of small/micro cap companies and the values of issuers share prices.

The company reminds its shareholders and followers to monitor PinkSheets.com Filing section and also our IR company web site section "PRESS RELEASES AND FILINGS" TAB <http://www.minamargroup.net/> for non newsworthy corporate updates.

Depending on the location of the issuer and management's availability, it may take up to several days to address any pressing issues. In a normal course of business and a pending transaction, the issuer may opt to remain silent in order not to lose advantage to a competitor. MMG is mindful that sometimes shareholders want answers immediately, which for the above reasons cannot be fulfilled on a timely basis.

The company is mindful that short sellers, the company competitors and stock bashers stalk small cap Pink Sheets listed companies with hidden agendas.
