

GoIP Inc. (GOIG) Will Host Shareholder Teleconference on August 17, 2010

-- Filing --

New York, NY, July 30, 2010 -- GoIP Global, Inc. (GOIG; www.goigcorp.com) announces an upcoming shareholder teleconference scheduled for August 17, 2010 at 10AM EST.

CEO Ike Sutton will chair the teleconference, the aim of which is to address the most common shareholder inquiries in a broad and open forum. Participants can expect to learn more about GoIP's flagship Go800 text messaging service and become further informed as to the current state and future plans of the company. Shareholders are invited to email their questions to the company in advance of the conference, to info@goipglobal.com

If for some reason shareholders cannot attend this teleconference, the updates and explanations provided will be compiled and posted on Pink Sheets for convenient future reference.
