Item IX The nature of products or services offered:

- A. *Principal products or services, and their markets;***

Through our wholly-owned subsidiary, United Power Solar, Inc., and as a result of our Master Agreement with the Chalays, our

primary business relates to the development, manufacturing, marketing and selling of solar-powered products for the consumer portable device market, such as cell phones, Blackberrys, iPods, iPhones, iPads, Kindles, etc. With this technology and the products consumer hand-held devices can be charged using solar power or through an AC outlet.

Primary Business Overview

Our technology converts solar energy into electricity, and has developed a solution that lets mobile devices be charged by solar chargers incorporated into numerous different products. Our products enable people to use their mobile devices without having to worry about plugs and connectors. Not only is it practical, but in today's "green-aware" world, where environmental concerns are very important to consumers, we offer mobile device users a reliable, environmentally-friendly power source.

Products

Our product line includes mobile phone, laptop, PDA, and PSP player cases, with a choice of connectors. We have hard cases with a solar panel on the back (such as a case for an iPhone or a Blackberry), as well as bags, like a backpack, messenger bag, etc., with flexible solar panels woven in. The solar charger with the built-in battery can double a device's battery capacity.

Business Objectives

Our current business objectives are to successfully begin to market and distribute the products based on the intellectual property we acquired in the Master Agreement from the Chalays. Some of the products are already in the European market and our immediate goal is to establish a market for those products in the United States, as well as continue to develop international markets.

B. Distribution methods of the products and services:

We established distribution and sales channels for our products, and are in the process of various negotiations regarding two basic modes of operations:

- 1) A traditional manufacturer-distributor value chain, by which the company will have control over manufacturing and distribution, and sell its products through large distributors; and/or

2) A licensing option, limited by time and dependent on results, by which our involvement in the manufacturing stage will be minimal (just enough to preserve unique knowledge and enable further product development), while distribution, promotion, and sales management are left to a licensee/business partner.

We are currently trending towards the first option, but both are still available options.

C. Status of any publicly announced new products or services;

We have not publicly announced any new products or services.

D. Competitive business conditions, the issuer's competitive position in the industry, and methods of competition;

Currently, our primary competitors are Solio for solar-based chargers for portable electronic devices, and mophie, inc. for non-solar-based extended batteries for portable electronic devices.

E. Sources and availability of raw materials and the names of principal suppliers;

Not applicable.

F. Dependence on one or a few major customers;

We do not depend on one or a few major customers.

G. Patents, trademarks, licenses, franchises, concessions, royalty agreements or labor contracts, including their duration; and

Through the Master Agreement with the Chalays, we acquired all present and future solar-related patents, provisional patents, and patents pending currently held or contemplated by the Chalays. We are responsible for all future costs related to these patents. The intellectual property rights we acquired, include, but are not limited to, the following:

(a) Provisional Patent #61/210,929 currently in the name of Natalie Chalay and a separate Patent Pending on the "solar panels incorporated in the straps of a backpack;" and

(b) At least three additional products are currently ready for applications for Provisional Patents and we plan to begin the application for these patents as soon as possible.

We may rely on a combination of trademark laws, trade secrets, confidentiality procedures and contractual provisions with our employees, consultants and business partners to protect our proprietary rights. We may seek to protect our solar-powered technologies, products, systems, documentation and other written materials under trade secret and copyright laws, which afford only limited protection. Despite our efforts to protect our proprietary rights, unauthorized parties may attempt to copy aspects of our systems or to obtain and use information that we regard as proprietary. While we are not aware that any of our systems infringe upon the proprietary rights of third parties, there can be no assurance that third parties will not claim infringement by us with respect to current or future products.

We devote substantial time, effort, and expense toward developing name recognition and goodwill for our trade names for our operations. We intend to maintain the integrity of our trade names, service marks and other proprietary names against unauthorized use and to protect the licensees' use against claims of infringement and unfair competition where circumstances warrant. Failure to defend and protect such trade name and other proprietary names and marks could adversely affect our sales of licenses under such trade name and other proprietary names and marks. We know of no current materially infringing uses.

H. The need for any government approval of principal products or services. Discuss the status of any requested government approvals.

We do not currently anticipate the need for any governmental approvals for our principal products.

For the twelve months ended December 31, 2010 our net cash provided by (used in) operating activities was \$(173,697). For those twelve months, the net cash used in operations came primarily from net loss from operations of (\$781,746), offset by an increase in accrued expenses of \$608,050.

Investing

Net cash provided by (used in) investing activities was zero for the twelve months ended December 31, 2010.

Financing

Net cash provided by (used in) financing activities was \$172,000 for the twelve months ended December 31, 2010. For those twelve months the net cash from financing activities primarily came from net proceeds from the issuance of common stock of \$164,100, and proceeds from loan payable of \$8,000.

Critical Accounting Policies

Our accounting policies are fully described in the Notes to our financial statements. The following describes the general application of accounting principles that impact our financial statements.

Our results of operations are based upon our financial statements, which have been prepared in accordance with accounting principals generally accepted in the United States. The preparation of these financial statements requires us to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. On an on-going basis, we evaluate our estimates, including those related to bad debt, inventories, investments, intangible assets, income taxes, financing operations, and contingencies and litigation.

We base our estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances, the results of which form the basis for making judgments about the carrying values of assets and liabilities that are not readily apparent from other sources. Actual results may differ from these estimates under different assumptions or conditions.

Off-balance Sheet Arrangements

We have no off-balance sheet arrangements that are reasonably likely to have a current or future effect on our financial condition, changes in financial condition, revenues or expenses, results of operations, liquidity, capital expenditures or capital resources that is deemed by our management to be material to investors.

SUNRISE CONSULTING GROUP INC. AND SUBSIDIARY
NOTES TO CONSOLIDATED FINANCIAL STATEMENTS
(UNAUDITED)

NOTE 1 ORGANIZATION

Sunrise Consulting Group, Inc. and subsidiary (the “Company” or “We” or “Our”) was originally established in 1993, under the laws of the State of Nevada. Our business operations consist of premier investment banking and financial services in Asia & Pacific Rim, bringing value to small and medium sized companies in Asia. We will also bring them Public to the United States. Our services include Mergers and Acquisitions, Trade Finances, IPO and Reverse Mergers, Project Funding, Project Financing and Company Restructuring.

On April 19, 2010, the Company incorporated another entity “Uniter Power SOLAR, Inc.”, under the laws of the State of Nevada, as a 100% owned subsidiary.

The consolidated financial statements include the accounts of Sunrise Consulting Group Inc. and its wholly owned subsidiary, United Power Solar, Inc. All significant intercompany accounts and transactions have been eliminated in consolidation.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The accompanying consolidated financial statements have been prepared in conformity with accounting principles generally accepted in the United States of America. The accompanying consolidated financial statements have been presented in United States Dollars (\$).

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

For purposes of the cash flow statements, the Company considers all highly liquid investments with original maturities of three months or less at the time of purchase to be cash equivalents.

Basic and Diluted Earnings Per Share

Earnings per share are calculated in accordance with the Statement of Financial Accounting Standards No. 128 (SFAS No. 128), "Earnings per share". SFAS No. 128 superseded Accounting Principles Board Opinion No.15 (APB 15). Net income (loss) per share for all periods presented has been restated to reflect the adoption of SFAS No. 128. Basic net income (loss) per share is based upon the weighted average number of common shares outstanding. Diluted net loss per share is based on the assumption that all dilutive convertible shares and stock options were converted or exercised. Dilution is computed by applying the treasury stock method. Under this method, options and warrants are assumed to be exercised at the beginning of the period (or at the time of issuance, if later), and as if funds obtained thereby were used to purchase common stock at the average market price during the period. Basic and diluted loss per share were \$0.00 and \$0.00 for the eleven month period ended November 30, 2010 and for the twelve month period ended December 31, 2009.

Stock-based compensation

The costs of all employee stock options, as well as other equity-based compensation arrangements, are reflected in the consolidated financial statements based on the estimated fair value of the awards on the grant date. That cost is recognized over the period during which an employee is required to provide service in exchange for the award—the requisite service period (usually the vesting period). Stock compensation for stock granted to non-employees is determined as the fair value of the consideration received or the fair value of equity instruments issued, whichever is more reliably measured.

Going Concern

The accompanying consolidated financial statements have been prepared on a going concern basis which contemplates the realization of assets and the satisfaction of liabilities in the normal course of business. The Company's accumulated deficit was \$1,636,679 as of November 30, 2010. If the Company is unable to generate profits and is unable to continue to obtain financing for its working capital requirements, it may have to curtail its business sharply or cease business altogether.

The Company has taken certain restructuring steps to provide the necessary capital to continue its operations. These steps included, but were not limited to: 1) focus on services to minimize the need for capital at this stage; 2) raising equity financing; 3) continuous focus on reductions in cost where possible.

Recent Accounting Pronouncements

In January 2010, FASB issued ASU No. 2010-06 – Improving Disclosures about Fair Value Measurements. This update provides amendments to Subtopic 820-10 that requires new disclosure as follows: 1) Transfers in and out of Levels 1 and 2. A reporting entity should disclose separately the amounts of significant transfers in and out of Level 1 and

Level 2 fair value measurements and describe the reasons for the transfers. 2) Activity in Level 3 fair value measurements. In the reconciliation for fair value measurements using significant unobservable inputs (Level 3), a reporting entity should present separately information about purchases, sales, issuances, and settlements (that is, on a gross basis rather than as one net number). This update provides amendments to Subtopic 820-10 that clarifies existing disclosures as follows: 1) Level of disaggregation. A reporting entity should provide fair value measurement disclosures for each class of assets and liabilities. A class is often a subset of assets or liabilities within a line item in the statement of financial position. A reporting entity needs to use judgment in determining the appropriate classes of assets and liabilities. 2) Disclosures about inputs and valuation techniques. A reporting entity should provide disclosures about the valuation techniques and inputs used to measure fair value for both recurring and nonrecurring fair value measurements. Those disclosures are required for fair value measurements that fall in either Level 2 or Level 3. The new disclosures and clarifications of existing disclosures are effective for interim and annual reporting periods beginning after December 15, 2009, except for the disclosures about purchases, sales, issuances, and settlements in the roll forward of activity in Level 3 fair value measurements. These disclosures are effective for fiscal years beginning after December 15, 2010, and for interim periods within those fiscal years. The Company is currently evaluating the impact of this ASU, however, the Company does not expect the adoption of this ASU to have a material impact on its consolidated financial statements.

In April 2010, FASB issued ASU No. 2010-13—Stock Compensation. The objective of this Update is to address the classification of an employee share-based payment award with an exercise price denominated in the currency of a market in which the underlying equity security trades. It provides guidance on the classification of a share-based payment award as either equity or a liability. A share-based payment award that contains a condition that is not a market, performance, or service condition is required to be classified as a liability. Under Topic 718, awards of equity share options granted to an employee of an entity's foreign operation that provide a fixed exercise price denominated in (1) the foreign operation's functional currency or (2) the currency in which the employee's pay is denominated should not be considered to contain a condition that is not a market, performance, or service condition.

The amendments in this Update affect entities that issue employee share-based payment awards with an exercise price denominated in the currency of a market in which a substantial portion of the entity's equity securities trades that differs from the functional currency of the employer entity or payroll currency of the employee. The amendments affect entities that have previously considered such awards to be liabilities because of their exercise price.

The amendments in this Update are effective for fiscal years, and interim periods within those fiscal years, beginning on or after December 15, 2010. The amendments in this Update should be applied by recording a cumulative-effect adjustment to the opening balance of retained earnings. The Company is currently evaluating the impact of this ASU on its consolidated financial statements.

In July 2010, the FASB issued Accounting Standards Update 2010-20 which amends “Receivables” (Topic 310). ASU 2010 20 is intended to provide additional information to assist financial statement users in assessing an entity’s risk exposures and evaluating the adequacy of its allowance for credit losses. The disclosures as of the end of a reporting period are effective for interim and annual reporting periods ending on or after December 15, 2010. The disclosures about activity that occurs during a reporting period are effective for interim and annual reporting periods beginning on or after December 15, 2010. The amendments in ASU 2010-20 encourage, but do not require, comparative disclosures for earlier reporting periods that ended before initial adoption. However, an entity should provide comparative disclosures for those reporting periods ending after initial adoption. While ASU 2010-20 will not have a material impact on our consolidated financial statements, we expect that it will expand our disclosures related to notes receivables.

Upon payment in full of the liquidation value to which the holders of shares of the shares of Convertible Preferred Stock are entitled, the holders of shares of this Series will not be entitled to any further participation in any distribution of assets by the Company.
 - (c) Neither a consolidation or merger of the Company with or into any other corporation, nor a merger of any other corporation with or into the Company, nor a sale or transfer of all or any part of the Company's assets for cash or securities or other property shall be considered a liquidation, dissolution or winding-up of the Company within the meaning of this Paragraph 5.
6. **Voting Rights.** Except as otherwise required by law, each share of outstanding Series B Convertible Preferred Stock shall have no voting rights. Upon conversion into common shares, voting rights will apply as an ordinary common stock shareholder.
7. **Redemption.** The shares of Series B Convertible Preferred Stock are redeemable. Conversion Provisions.
8. **Conversion Provisions.**

(a) Conversion at Option of Holders. *Provided that, and only to the extent that, the Corporation has a sufficient number of shares of authorized but unissued and unreserved Common Stock available to issue upon conversion, each share of Convertible Preferred Stock shall be convertible at the option of the holder thereof, at any time, into fully paid and non-assessable shares of Common Stock and such other securities and property as hereinafter provided, initially at the rate of 1 share of Common Stock for each full share of Series B Convertible Preferred Stock ("Conversion Ratio").*

For the purpose of these Articles of Designation, the term "Common Stock" shall initially mean the class designated as Common Stock, par value \$.001 per share.

(b) Automatic Conversion. Upon the occurrence of a Recapitalization Event, each outstanding share of Convertible Preferred Stock shall automatically be converted, without cost, on the terms set forth in this Section into the number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio that is in effect at the time of conversion. A "Recapitalization Event" shall be deemed to occur upon either (i) effectiveness of a filing in the office of the Secretary of State of Colorado, or such other state in which the Corporation is legally domiciled, of an amendment to (or amendment and restatement of) the Articles of Incorporation or other charter document of the Corporation that increases the number of authorized shares of Common Stock to a sufficient number (after taking into account all shares reserved for issuance by the Board of Directors) so as to enable the conversion of all outstanding shares of Convertible Preferred Stock into such number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio then in effect, (ii) a change in the number of authorized shares of capital stock that the Corporation is authorized to issue by any means, including a reduction in the number of outstanding shares, merger for the purpose of a change of corporate domicile, or (iii) the effective date of any other corporate action that enables the conversion of all outstanding shares of Convertible Preferred Stock into such number of fully paid and non-assessable shares of Common Stock as specified by the Conversion Ratio then in effect.

(c) Mechanics of Conversion.

(i) **Optional Conversion.** Any holder of shares of Series B Convertible Preferred Stock desiring to convert such shares into Common Stock shall surrender the certificate or certificates for such shares of Series B Convertible Preferred Stock at the office of the transfer agent for the Convertible Preferred Stock, which certificate or certificates, if the Corporation shall so require, shall be duly endorsed to the Corporation or in blank, or accompanied by proper instruments of transfer to the Corporation or in blank, accompanied by irrevocable written notice to the Corporation that the holder elects so to convert such shares of Convertible Preferred Stock and specifying the name or names (with address) in which a certificate or certificates for Common Stock are to be issued. Upon issuance, such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the initial date the Preferred Holder received the Series "B" Convertible Preferred Shares.

(ii) **Automatic Conversion.** Upon the effectiveness of a Recapitalization Event, the conversion of such shares is effective, each holder of shares so converted may surrender the certificate therefore at the office of the Corporation or any transfer agent for the Convertible Preferred Stock. Upon such surrender, the Corporation shall issue and deliver to each holder a certificate or certificates for the number of whole shares of Common Stock to which such holder is entitled. In lieu of any fractional shares to which the holder would otherwise be entitled, the Corporation shall the next highest whole number of shares of Common Stock. The conversion of shares of Convertible Preferred Stock shall be effective simultaneously with the effectiveness of a Recapitalization Event, whether or not the certificates representing such shares of Convertible Preferred Stock shall have been surrendered or new certificates representing the shares of Common Stock into which such shares have been converted shall have been issued and the person or persons entitled to receive the shares of Common Stock insurable upon such conversion shall be treated for all purposes as the record holder or holders of such shares of Common Stock on the initial date the Preferred Holder received the Series "A" Convertible Preferred Shares. Any dividends or distributions declared but unpaid on the Common Stock to which the Convertible Preferred Stock is entitled pursuant to Section 4 above, shall be paid on the payment date therefore.

(d) The Conversion Ratio shall be subject to adjustment as follows:

(i) In case the Company shall (A) pay a dividend or make a distribution in Common Stock, or (B) subdivide or reclassify its outstanding shares of Common Stock into a greater number (but not smaller number) of shares, the Conversion Ratio in effect immediately prior thereto shall be adjusted retroactively as provided below so that the Conversion Ratio thereafter shall be determined by multiplying the Conversion Ratio at which such shares of this Series were theretofore convertible by a fraction of which the numerator shall be the number of shares of Common Stock outstanding immediately following such action and of which the denominator shall be the number of shares of Common Stock outstanding immediately prior thereto. Such adjustment shall be made whenever any event listed above shall occur and shall become effective retroactively immediately after the record date in the case of a dividend and shall become effective immediately after the effective date in the case of a subdivision or reclassification.

9. Protective Provisions.

(a) **Reservation of Shares; Transfer Taxes; Etc.** The Corporation shall at all times serve and keep available, out of its authorized and unissued stock, solely for the purpose of effecting the conversion of the Convertible Preferred Stock, such number of shares of its Common Stock free of preemptive rights as shall from time to time be sufficient to effect the conversion of all shares of Convertible Preferred Stock from time to time outstanding. The Corporation shall from time to time, in accordance with the laws of the State of Colorado, increase the authorized number of shares of Common Stock if at any time the number of shares of Common Stock not outstanding shall not be sufficient to permit the conversion of all the then outstanding shares of Convertible Preferred Stock. If any shares of Common Stock required to be reserved for purposes of conversion of the Convertible Preferred Stock hereunder require registration with or approval of any governmental authority under any Federal or State law before such shares may be issued upon conversion, the Corporation will in good faith and as expeditiously as possible endeavor to cause such shares to be duly registered or approved, as the case may be. If the Common Stock is listed on the New York Stock Exchange or any other national securities exchange, the Corporation will, if permitted by the rules of such exchange, list and keep listed on such exchange, upon official notice of issuance, all shares of Common Stock issuable upon conversion of the Convertible Preferred Stock.

The Corporation will pay any and all issue or other taxes that may be payable in respect of any issue or delivery of shares of Common Stock on conversion of the Convertible Preferred Stock. The Corporation shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the

issue of delivery of Common Stock (or other securities or assets) in a name other than that which the shares of Convertible Preferred Stock so converted were registered, and no such issue or delivery shall be made unless and until the person requesting such issue has paid to the Corporation the amount of such tax or has established, to the satisfaction of the Corporation, that such tax has been paid.

(b) **Class Voting Rights.** So long as the Convertible Preferred Stock is outstanding, the Corporation shall not, without the affirmative vote or consent of the holders of at least a majority of all outstanding Convertible Preferred Stock voting separately as a class, (i) Amend, alter or repeal (by merger or otherwise) any provision of the Articles of Incorporation or the By-Laws of the Corporation, as amended, so as adversely to affect the relative rights, preferences, qualifications, limitations or restrictions of the Convertible Preferred Stock, (ii) authorize or issue, or increase the authorized amount of, any additional class or series of stock, or any security convertible into stock of such class or series, ranking prior to the Convertible Preferred Stock in respect of the payment of dividends or upon liquidation, dissolution or winding up of the Corporation or (iii) effect any reclassification of the Convertible Preferred Stock. A class vote on the part of the Convertible Preferred Stock shall, without limitation, specifically not be deemed to be required (except as otherwise required by law or resolution of the Corporation's Board of Directors) in connection with: (a) the authorization, issuance or increase in the authorized amount of any shares of any other class or series of stock which ranks junior to, or on a parity with, the Convertible Preferred Stock in respect of the payment of dividends and distributions upon liquidation, dissolution or winding up of the Corporation; or (b) the authorization, issuance or increase in the amount of any bonds, mortgages, debentures or other obligations of the Corporation.

The affirmative vote or consent of the holders of a majority of the outstanding Convertible Preferred Stock, voting or consenting separately as a class, shall be required to (a) authorize any sale, lease or conveyance of all or substantially all of the assets of the Corporation, or (b) approve any merger, consolidation or compulsory share exchange of the Corporation with or into any other person unless (i) the terms of such merger, consolidation or compulsory share exchange do not provide for a change in the terms of the Convertible Preferred Stock and (ii) the Convertible Preferred Stock is, after such merger, consolidation or compulsory share exchange on a parity with or prior to any other class or series of capital stock authorized by the surviving corporation as to dividends and upon liquidation, dissolution or winding up other than any class or series of stock of the Corporation prior to the Convertible Preferred Stock as may have been created with the affirmative vote or consent of the holders of at least 66-2/3% of the Convertible Preferred Stock (or other than a class or series into which such prior stock is converted as a result of such merger, consolidation or share exchange).

10. **Outstanding Shares.** For purposes of this Certificate of Designation, all shares of Convertible Preferred Stock shall be deemed outstanding except (i) from the date of surrender of certificates representing shares of Convertible Preferred Stock, all shares of Convertible Preferred Stock converted into Common Stock; (ii) the effective date of a Recapitalization Event defined in clause 8(b), and (iii) from the date of registration of transfer; all shares of Convertible Preferred Stock held of record by the Corporation or any subsidiary of the Corporation.

11. **Certain Definitions.** As used in this Certificate, the following terms shall have the following respective meanings:

"Affiliate" of any specified person means any other person directly or indirectly controlling or controlled by or under common control with such specified person. For purposes of this definition, "control" when used with respect to any person means the power to direct the management and policies of such person, directly or indirectly, whether through the ownership of voting securities or otherwise; and the term "controlling" and "controlled" having meanings correlative to the foregoing.

"Common Shares" shall mean any stock of the Company which has no preference in respect of dividends or of amounts payable in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Company and which is not subject to redemption by the Company. However, Common Shares issuable upon conversion of shares of this series shall include only shares of the class designated as common Shares as of the original date of issuance of shares of this Series, or shares of the Company of any class or classes resulting from any reclassification or reclassifications thereof and which have no preference in respect of dividends or of amounts payable in the event of any voluntary or involuntary liquidation, dissolution or winding-up of the Company and which are not subject to redemption by the Company; provided that if at any time there shall be more than one such resulting class, the shares of each such class then so issuable shall be substantially in the proportion which the total number of shares of such class resulting from such reclassifications bears to the total number of shares of all classes resulting from all such reclassifications.

12. **Securities Not Registered Under the Securities Act of 1933.** Neither the shares of Convertible Preferred Stock nor the Common Stock issuable upon conversion thereof has been registered under the Securities Act of 1933 or the laws of any state of the United States and may not be transferred without such registration or an exemption from registration. NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors does hereby fix and determine the rights, preferences, privileges, restrictions and other matters relating do the Series B Convertible Preferred Stock as follows:

1. Definitions. For purposes of this Certificate of Designation, the following definitions shall apply:

1.1 "Board" shall mean the Board of Directors of the Company.

1.2 "Company" shall mean Sunrise Consulting Group, Inc., a Nevada corporation.

1.3 "Common Stock" shall mean the Common Stock, no par value per share, of the Company.

1.4 "Common Stock Dividend" shall mean a stock dividend declared and paid on the Common Stock that is payable in shares of Common Stock.

1.5 "Distribution" shall mean the transfer of cash or property by the Company to one or more of its stockholders without consideration, whether by dividend or otherwise (except a dividend in shares of Company's stock).

1.6 "Original Issue Date" shall mean the date on which the first share of Series B Convertible Preferred Stock is issued by the Company.

1.7 "Original Issue Price" shall mean \$0.01 per share for the Series B Convertible Preferred Stock.

1.8 "Series B Convertible Preferred Stock" shall mean the Series B Convertible Preferred Stock, no par value per share, of the Company.

1.9 "Subsidiary" shall mean any corporation or limited liability company of which at least fifty percent (50%) of the outstanding voting stock or membership interests, as the case may be, is at the time owned directly or indirectly by the Company or by one or more of such subsidiary corporations:

2. Dividend Rights. The Series B Convertible Preferred Stock does not have dividend rights.

3. Liquidation Rights. In the event of any liquidation, dissolution or winding up of the Company; whether voluntary or involuntary, the funds and assets of the Company that may be legally distributed to the Company's shareholders (the "Available Funds and Assets") shall be distributed to shareholders in the following manner:

3.1 Series B Convertible Preferred Stock. The holders of each share of Series B Convertible Preferred Stock then outstanding shall be entitled to be paid, out of the Available Funds and Assets, and prior and in preference to any payment or distribution (or any setting apart

of any payment or distribution) of any Available Funds and Assets on any shares of Common Stock or subsequent series of preferred stock, an amount per share equal to the Original Issue Price of the Series B Convertible Preferred Stock plus all accrued but unpaid dividends on the Series B Convertible Preferred Stock. If upon any liquidation, dissolution or winding up of the Company, the Available Funds and Assets shall be insufficient to permit the payment to holders of the Series B Convertible Preferred Stock of their full preferential amount as described in this subsection, then all of the remaining Available Funds and Assets shall be distributed among the holders of the then outstanding Series B Convertible Preferred Stock pro rata, according to the number of outstanding shares of Series B Convertible Preferred Stock held by each holder thereof.

3.2 Merger or Sale of Assets. A reorganization or any other consolidation or merger of the Company with or into any other corporation, or any other sale of all or substantially all of the assets of the Company, shall not be deemed to be a liquidation, dissolution or winding up of the Company within the meaning of this Section 3, and the Series B Convertible Preferred Stock shall be entitled only to (i) the right provided in any agreement or plan governing the reorganization or other consolidation, merger or sale of assets transaction, (ii) the rights contained in the Nevada Revised Statutes and (iii) the rights contained in other Sections hereof.

3.3 Non-Cash Consideration. If any assets of the Company distributed to shareholders in connection with any liquidation, dissolution or winding up of the Company are other than cash, then the value of such assets shall be their fair market value as determined by the Board, except that any securities to be distributed to shareholders in a liquidation, dissolution or winding up of the Company shall be valued as follows:

(a) The method of valuation of securities not subject to investment letter or other similar restrictions on free marketability shall be as follows:

- (i) if the securities are then traded on a national securities exchange or the Nasdaq National Market (or a similar national quotation system), then the value shall be deemed to be the average of the closing prices of the securities on such exchange or system over the ten (10) day period ending three (3) days prior to the distribution; and,
- (ii) if actively traded over-the-counter, then the value shall be deemed to be the average of the closing bid prices over the ten (10) day period ending three (3) days prior to the distribution; and
- (iii) if there is no active public market, then the value shall be the fair market value thereof, as determined mutually in good faith by (i) the Board of Directors of the Company and (ii) the holders of the Series B Convertible Preferred Stock acting as a group. In the event the Company and the holders cannot mutually agree upon a

value, then the value shall be determined by a mutually acceptable third party licensed business valuation expert paid for equally by both parties.

(b) The method of valuation of securities subject to investment letter or other restrictions on free marketability shall be to make an appropriate discount from the market value determined as above in subparagraphs (a)(i), (ii) or (iii) of this subsection to reflect the approximate fair market value thereof.

4. Conversion Rights.

(a) **Conversion of Preferred Stock.** Provided that, and only to the extent that, the Company has a sufficient number of authorized but unissued and unreserved shares of common stock available to issue upon conversion, each share of Class B Convertible Preferred Stock shall be convertible, at the option of the holder thereof, at any time, into one share of the Company's common stock.

(b) **Procedures for Exercise of Conversion Rights.** The holders of any shares of Class B Convertible Preferred Stock may exercise their conversion rights as to all such shares or any part thereof by delivering to the Company during regular business hours, at the office of any transfer agent of the Company for the Class B Convertible Preferred Stock, or at the principal office of the Company or at such other place as may be designated by the Company, the certificate or certificates for the shares to be converted, duly endorsed for transfer to the Company (if required by the Company), accompanied by written notice stating that the holder elects to convert such shares. Conversion shall be deemed to have been effected on the date when such delivery is made, and such date is referred to herein as the "Conversion Date." As promptly as practicable after the Conversion Date, but not later than ten (10) business days thereafter, the Company shall issue and deliver to or upon the written order of such holder, at such office or other place designated by the Company, a certificate or certificates for the number of full shares of Common Stock to which such holder is entitled and a check for cash with respect to any fractional interest in a share of Common Stock as provided in section 4(c) below. The holder shall be deemed to have become a shareholder of record on the Conversion Date. Upon conversion of only a portion of the number of shares of Class B Convertible Preferred Stock represented by a certificate surrendered for conversion, the Company shall issue and deliver to or upon the written order of the holder of the certificate so surrendered for conversion, at the expense of the Company, a new certificate covering the number of shares of Class B Convertible Preferred Stock representing the unconverted portion of the certificate so surrendered.

(c) **No Fractional Shares.** No fractional shares of Common Stock or scrip shall be issued upon conversion of shares of Class B Convertible Preferred Stock. If more than one share of Class B Convertible Preferred Stock shall be surrendered for conversion at any one time by the same holder, the number of full shares of Common Stock issuable upon conversion thereof shall be computed on the basis of the aggregate number of shares of Class B Convertible Preferred Stock so surrendered. Instead of any fractional shares of Common Stock which would

otherwise be issuable upon conversion of any shares of Class B Convertible Preferred Stock, the Company shall pay a cash adjustment in respect of such fractional interest equal to the fair market value of such fractional interest as determined by the corporation's Board of Directors.

(d) **Payment of Taxes for Conversions.** The Company shall pay any and all issue and other taxes that may be payable in respect of any issue or delivery of shares of Common Stock on conversion pursuant hereto of Class B Convertible Preferred Stock. The Company shall not, however, be required to pay any tax which may be payable in respect of any transfer involved in the issue and delivery of shares of Common Stock in a name other than that in which the shares of Class B Convertible Preferred Stock so converted were registered, and no such issue or delivery shall be made unless and until the person requesting such issue has paid to the Company the amount of any such tax, or has established, to the satisfaction of the Company, that such tax has been paid.

(e) **Registration or Listing of Shares of Common Stock.** If any shares of Common Stock to be reserved for the purpose of conversion of shares of Class B Convertible Preferred Stock require registration or listing with, or approval of, any governmental authority, stock exchange or other regulatory body under any federal or state law or regulation or otherwise, before such shares may be validly issued or delivered upon conversion, the Company will in good faith and as expeditiously as possible endeavor to secure such registration, listing or approval, as the case may be.

(f) **Status of Common Stock Issued Upon Conversion.** All shares of Common Stock which may be issued upon conversion of the shares of Class B Convertible Preferred Stock will upon issuance by the Company be validly issued, fully paid and nonassessable and free from all taxes, liens and charges with respect to the issuance thereof.

(g) **Status of Converted Preferred Stock.** In case any shares of Class B Convertible Preferred Stock shall be converted pursuant to this section 4, the shares so converted shall be canceled and shall not be issuable by the corporation.

5. Adjustment of Conversion Price.

(a) **General Provisions.** In case, at any time after the date hereof, of any capital reorganization, or any reclassification of the stock of the Company (other than a change in par value or as a result of a stock dividend or subdivision, split-up or combination of shares), or the consolidation or merger of the Company with or into another person (other than a consolidation or merger in which the Company is the continuing entity and which does not result in any change in the Common Stock), or of the sale or other disposition of all or substantially all the properties and assets of the Company as an entirety to any other person, the shares of Class B Convertible Preferred Stock shall, after such reorganization, reclassification, consolidation, merger, sale or other disposition, be convertible into the kind and number of shares of stock or other securities or property of the Company or of the entity resulting from such consolidation or surviving such merger or to which such properties and assets shall have been sold or otherwise disposed to which such holder would have been entitled if immediately prior to such reorganization,

reclassification, consolidation, merger, sale or other disposition it had converted its shares of Class B Convertible Preferred Stock into Common Stock. The provisions of this section 5(a) shall similarly apply to successive reorganizations, reclassifications, consolidations, mergers, sales or other dispositions. The provisions of this section 5 shall not affect the conversion of the Class B Convertible Preferred Stock in the event of a forward or reverse stock split.

(b) **No Impairment.** The Company will not, through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, including amending this Certificate of Designation, avoid or seek to avoid the observance or performance of any of the terms to be observed or performed hereunder by the Company, but will at all times in good faith assist in the carrying out of all the provisions of this section 5 and in the taking of all such action as may be necessary or appropriate in order to protect the conversion rights of the holders of Class B Convertible Preferred Stock against impairment. This provision shall not restrict the Company from amending its Articles of Incorporation in accordance with the Nevada Revised Statutes and the terms hereof.

6. **Call Provisions.** The Series B Convertible Preferred Stock shall not be callable by the Company.

7. **Redemption Provisions.** The Series B Convertible Preferred Stock shall not be redeemable by the holders thereof.

8. **Notices.** Any notices required by the provisions of this Certificate of Designation to be given to the holders of shares of Series B Convertible Preferred Stock shall be deemed given if deposited in the United States mail, postage prepaid, and addressed to each holder of record at its address appearing on the books of the Company.

9. **Voting Provisions.** Each share of Series B Convertible Preferred Stock shall have voting rights equal to 2,100 shares of the Company's common stock for any matters properly brought to the Company's common stockholders for approval, which rights shall be adjusted for any stock splits, recapitalizations, etc.

10. **Protective Provisions.** The Company may not take any of the following actions without the approval of a majority of the holders of the outstanding Class B Convertible Preferred Stock: (i) effect a sale of all or substantially all of the Company's assets or which results in the holders of the Company's capital stock prior to the transaction owning less than fifty percent (50%) of the voting power of the Company's capital stock after the transaction, (ii) alter or change the rights, preferences, or privileges of the Class B Convertible Preferred Stock, (iii) increase or decrease the number of authorized shares of Class B Convertible Preferred Stock, (iv) authorize the issuance of securities having a preference over or on par with the Class B Convertible Preferred Stock, or (v) effectuate a forward or reverse stock split or dividend of the Company's common stock.

IN WITNESS WHEREOF, the Company has caused this Amended and Restated Certificate of Designation of Series B Convertible Preferred Stock to be duly executed by its President and attested to by its Secretary and has caused its corporate seal to be affixed hereto effective as of January 11, 2011.

The Board of Directors may delegate the management of the day-to-day operation of the business of the Corporation to a management company or other persons, provided that the business and affairs of the Corporation shall be managed, and all corporate powers shall be exercised, under the ultimate direction of the Board.

B. Standard of Care; Liability:

(i) Each Director shall exercise such powers and otherwise perform such duties, in good faith, in the matters such Director believes to be in the best interests of the Corporation, and with such care, including reasonable inquiry, using ordinary prudence, as a person in a like position would use under similar circumstances.

(ii) In performing the duties of a Director, a Director shall be entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, in which case prepared or presented by:

(a) One or more officers or employees of the Corporation whom the Director believes to be reliable and competent in the matters presented,

(b) Counsel, independent accountants or other persons as to which the Director believes to be within such person's professional or expert competence, or

(c) A Committee of the Board upon which the Director does not serve, as to matters within its designated authority, which committee the Director believes to merit confidence, so long as in any such case the Director acts in good faith, after reasonable inquiry when the need therefore is indicated by the circumstances and without knowledge that would cause such reliance to be unwarranted.

C. Exception for Close Corporation. Notwithstanding the provisions of Section 1 of this Article, in the event that the Corporation shall elect to become a close corporation, its Shareholders may enter into a Shareholders' Agreement. Said Agreement may provide for the exercise of corporate powers and the management of the business and affairs of the Corporation by the Shareholders; provided, however, such agreement shall, to the extent and so long as the discretion or powers of the Board of Directors in its management of corporate affairs is controlled by such agreement, impose upon each Shareholder who is a party hereof, liability for managerial acts performed or omitted by such person pursuant thereto otherwise imposed upon Directors; and the Directors shall be relieved to that extent from such liability.

Section 2. Number and Qualification of Directors. The authorized number of Directors of the Corporation shall be at least one (1) but not more than seven (7) until changed by a duly adopted amendment to the Articles of Incorporation or by an amendment to this Section 2 of Article II of these Bylaws, adopted by the vote or written consent of Shareholders entitled to exercise majority voting power as provided in the Act.

Section 3. Election and Term of Office of Directors. Directors shall be elected at each annual meeting of the Shareholders to hold office until the next annual meeting. Each Director, including a Director elected to fill a vacancy, shall hold office until the expiration of the term for which elected and until a successor has been elected and qualified.

Section 4. Vacancies.

A. Vacancies on the Board of Directors may be filled by a majority of the remaining Directors, though less than a quorum, or by a sole remaining Director, except that a vacancy created by the removal of a Director by the vote or written consent of the Shareholders, or by a court order, may be filled only by the vote of a majority of the shares entitled to vote, represented at a duly held meeting at which a quorum is present, or by the written consent of holders of the majority of the outstanding shares entitled to vote. Each Director so elected shall hold office until the next annual meeting of the Shareholders and until a successor has been elected and qualified.

B. A vacancy or vacancies on the Board of Directors shall be deemed to exist in the event of the death, resignation or removal of any Director, or if the Board of Directors by resolution declares vacant the office of a Director who has been declared of unsound mind by an order of court or convicted of a felony.

C. The Shareholders may elect a Director or Directors at any time to fill any vacancy or vacancies not filled by the Directors, but any such election by written consent shall require the consent of a majority of the outstanding shares entitled to vote.

D. Any Director may resign, effective on giving written notice to the Chairman of the Board, the President, the Secretary, or the Board of Directors, unless the notice specifies a later time for that resignation to become effective. If the resignation of a Director is effective at a future time, the Board of Directors may, prior to the effective date of a Director's resignation, elect a successor to take office when the resignation becomes effective.

E. No reduction of the authorized number of Directors shall have the effect of removing any Director before that Director's term of office expires.

Section 5. Removal of Directors.

A. The entire Board of Directors, or any individual Director, may be removed from office as provided by the Act. In such case, the remaining members, if any, of the Board of Directors may elect a successor Director to fill such vacancy for the remaining unexpired term of the Director so removed.

B. No Director may be removed (unless the entire Board is removed) when the votes cast against removal or not consenting in writing to such removal would be sufficient to elect such Director if voted cumulatively at an election at which the same total number of votes were cast (or, if such action is taken by written consent, all shares entitled to vote, were voted) and the entire number of Directors authorized at the time of the Directors most recent election were then being elected; and when by the provisions of the Articles of Incorporation the holders of the shares of any class or series voting as a class or series are entitled to elect one or more Directors, any Director so elected may be removed only by the applicable vote of the holders of the shares of that class or series.

Section 6. Place of Meetings. Regular meetings of the Board of Directors shall be held at any place within or outside the state that has been designated from time to time by resolution of the Board. In the absence of such resolution, regular meetings shall be held at the principal executive office of the Corporation. Special meetings of the Board shall be held at any place within or outside the state that has been designated in the notice of the meeting, or, if not stated in the notice or there is no notice, at the principal executive office of the Corporation. Any meeting, regular or special, may be held by conference telephone or similar communication equipment, so long as all Directors participating in such meeting can hear one another, and all such Directors shall be deemed to have been present in person at such meeting.

Section 7. Annual Meetings. Immediately following each annual meeting of Shareholders, the Board of Directors shall hold a regular meeting for the purpose of organization, the appointment of officers and the transaction of other business. Notice of this meeting shall not be required. Minutes of any meeting of the Board, or any committee thereof, shall be maintained as required by the Act by the Secretary or other officer designated for that purpose.

Section 8. Other Regular Meetings.

A. Other regular meetings of the Board of Directors shall be held without call at such time as shall from time to time be fixed by the Board of Directors. Such regular meetings may be held without notice, provided the time and place of such meetings has been fixed by the Board of Directors, and further provided the notice of any change in the time of such meeting shall be given to all the Directors. Notice of a change in the determination of the time shall be given to each Director in the same manner as notice for such special meetings of the Board of Directors.

B. If said day falls upon a holiday, such meetings shall be held on the next succeeding day thereafter.

Section 9. Special Meetings/Notices.

A. Special meetings of the Board of Directors for any purpose or purposes may be called at any time by the Chairman of the Board or the President or any Vice President or the Secretary or any two Directors.

B. Notice of the time and place for special meetings shall be delivered personally, by telephone, email or by facsimile to each Director or sent by first class mail, charges prepaid, addressed to each Director at his or her address as it is shown in the records of the Corporation. In case such notice is mailed, it shall be deposited in the United States mail at least four days prior to the time of holding the meeting. In case such notice is delivered personally, by telephone, email or facsimile, it shall be delivered personally, by telephone, email or facsimile at least 48 hours prior to the time of the holding of the meeting. Any oral notice given personally, by telephone, email or facsimile may be communicated to either the Director or to a person at the office of the Director who the person giving the notice has reason to believe will promptly communicate same to the Director. The notice need not specify the purpose of the meeting, nor the place, if the meeting is to be held at the principal executive office of the Corporation.

Section 10. Waiver of Notice.

A. The transactions of any meeting of the Board of Directors, however called, noticed, or wherever held, shall be as valid as though had at a meeting duly held after the regular call and notice if a quorum be present and if, either before or after the meeting, each of the Directors not present signs a written waiver of notice, a consent to holding the meeting or an approval of the minutes thereof. Waivers of notice or consent need not specify the purposes of the meeting. All such waivers, consents and approvals shall be filed with the corporate records or made part of the minutes of the meeting.

B. Notice of a meeting shall also be deemed given to any Director who attends the meeting without protesting, prior thereto or at its commencement, the lack of notice to such Director.

Section 11. Quorums. A majority of the authorized number of Directors shall constitute a quorum for the transaction of business, except to adjourn as provided in Section 12 of this Article II. Every act or decision done or made by a majority of the Directors present at a meeting duly held at which a quorum was present shall be regarded as the act of the Board of Directors, subject to the provisions of the Act. A meeting at which a quorum is initially present may continue to transact business notwithstanding the withdrawal of Directors, if any action taken is approved by at least a majority of the required quorum for that meeting.

Section 12. Adjournment. A majority of the Directors present, whether or not constituting a quorum, may adjourn any meeting to another time and place.

Section 13. Notice of Adjournment. Notice of the time and place of the holding of an adjourned meeting need not be given, unless the meeting is adjourned for more than 24 hours, in which case notice of such time and place shall be given prior to the time of the adjourned meeting to the Directors who were not present at the time of the adjournment.

Section 14. Board of Directors Provided by Articles or Bylaws. In the event only one Director is required by the Bylaws or the Articles of Incorporation, then any reference herein to notices, waivers, consents, meetings or other actions by a majority or quorum of the Board of Directors shall be deemed or referred as such notice, waiver, etc., by the sole Director, who shall have all rights and duties and shall be entitled to exercise all of the powers and shall assume all the responsibilities otherwise herein described, as given to the Board of Directors.

Section 15. Directors Action by Unanimous Written Consent. Any action required or permitted to be taken by the Board of Directors may be taken without a meeting and with the same force and effect as if taken by a unanimous vote of Directors, if authorized by a writing signed individually or collectively by all members of the Board of Directors. Such consent shall be filed with the regular minutes of the Board of Directors.

Section 16. Compensation of Directors. Directors, and members as such, shall not receive any stated salary for their services, but by resolution of the Board of Directors, a fixed sum and expense of attendance, if any, may be allowed for attendance at each regular and special meeting of the Board of Directors; provided, however, that nothing contained herein shall be construed to preclude any Director from serving the Corporation in any other capacity as an officer, employee or otherwise receiving compensation for such services.

Section 17. Committees. Committees of the Board of Directors may be appointed by resolution passed by a majority of the whole Board. Committees shall be composed of two or more members of the Board of Directors. The Board may designate one or more Directors as alternate members of any committee, who may replace any absent member at any meeting of the committee. Committees shall have such powers as those held by the Board of Directors as may be expressly delegated to it by resolution of the Board of Directors, except those powers expressly made non-delegable by the Act.

Section 18. Meetings and Action of Committees. Meetings and action of committees shall be governed by, and held and taken in accordance with, the provisions of Article II, Sections 6, 8, 9, 10, 11, 12, 13 and 15, with such changes in the context of those Sections as are necessary to substitute the committee and its members for the Board of Directors and its members, except that the time of the regular meetings of the committees may be determined by resolution of the Board of Directors as well as the committee, and special meetings of committees may also be given to all alternate members, who shall have the right to attend all meetings of the committee. The Board of Directors may adopt rules for the government of any committee not inconsistent with the provisions of these Bylaws.

Section 19. Advisory Directors. The Board of Directors from time to time may elect one or more persons to be Advisory Directors, who shall not by such appointment be members of the Board of Directors. Advisory Directors shall be available from time to time to perform special assignments specified by the President, to attend meetings of the Board of Directors upon invitation and to furnish consultation to the Board of Directors. The period during which the title shall be held may be prescribed by the Board of Directors. If no period is prescribed, the title shall be held at the pleasure of the Board of Directors.

ARTICLE III OFFICERS

Section 1. Officers. The principal officers of the Corporation shall be a President, a Secretary, and a Chief Financial Officer who may also be called Treasurer. The Corporation may also have, at the discretion of the Board of Directors, a Chairman of the Board, one or more Assistant Secretaries, one or more Assistant Treasurers, and such other officers as may be appointed in accordance with the provisions of Section 3 of this Article III. Any number of offices may be held by the same person.

Section 2. Appointment of Officers. The principal officers of the Corporation, except such officers as may be appointed in accordance with the provisions of Section 3 or Section 5 of this Article, shall be chosen by the Board of Directors, and each shall serve at the pleasure of the Board of Directors, subject to the rights, if any, of an officer under any contract of employment.

Section 3. Subordinate Officers, Etc. The Board of Directors may appoint such other officers as the business of the Corporation may require, each of whom shall hold office for such period, have such authority and perform such duties as are provided in the Bylaws or as the Board of Directors may from time to time determine.

Section 4. Removal and Resignation of Officers.

A. Subject to the rights, if any, of an officer under any contract of employment, any officer may be removed, either with or without cause, by a majority of the Directors at that time in office, at any regular or special meeting of the Board of Directors, or, except in the case of an officer chosen by the Board of Directors, by any officer upon whom such power of removal may be conferred by the Board of Directors.

B. Any officer may resign at any time by giving written notice to the Board of Directors. Any resignation shall take effect on the date of the receipt of that notice or at any later time specified in that notice; and, unless otherwise specified in that notice, the acceptance of the resignation shall not be necessary to make it effective. Any resignation is without prejudice to the rights, if any, of the Corporation under any contract to which the officer is a party.

Section 5. Vacancies. A vacancy in any office because of death, resignation, removal, disqualification or any other cause shall be filled in the manner prescribed in the Bylaws for regular appointments to that office.

Section 6. Chairman of the Board. The Chairman of the Board, if such an officer be appointed, shall, if present, preside at the meetings of the Board of Directors and exercise and perform such other powers and duties as may, from time to time, be assigned by the Board of Directors or prescribed by the Bylaws. If there is no President, the Chairman of the Board shall, in addition, be the Chief Executive Officer of the Corporation and shall have the powers and duties prescribed in Section 7 of this Article III.

Section 7. President and Chief Executive Officer. Subject to such supervisory powers, if any, as may be given by the Board of Directors to the Chairman of the Board, if there is such an officer, the President along with the Chief Executive Officer of the Corporation shall, subject to the control of the Board of Directors, have general supervision, discretion and control of the business and officers of the Corporation. The President or the Chief Executive Officer shall preside at all meetings of the Shareholders and, in the absence of the Chairman of the Board, or if there be none, at all meetings of the Board of Directors. The President and Chief Executive Officer, jointly, shall have the general powers and duties of management usually vested in the office of President and Chief Executive Officer of a corporation, each shall be ex officio a member of all the standing committees, including the Executive Committee, if any, and shall have such other powers and duties as may be prescribed by the Board of Directors or the Bylaws.

Section 8. Secretary.

A. The Secretary shall keep, or cause to be kept, a book of minutes of all meetings of the Board of Directors and Shareholders at the principal office of the Corporation or such other place as the Board of Directors may order. The minutes shall include the time and place of holding the meeting, whether regular or special, and if a special meeting, how authorized, the notice thereof given, and the names of those present at Directors' and committee meetings, the number of shares present or represented at Shareholders' meetings and the proceedings thereof.

B. The Secretary shall keep, or cause to be kept, at the principal office of the Corporation or at the office of the Corporation's transfer agent, a share register, or duplicate share register, showing the names of the Shareholders and their addresses; the number and classes or shares held by each; the number and date of certificates issued for the same; and the number and date of cancellation of every certificate surrendered for cancellation.

C. The Secretary shall give, or cause to be given, notice of all the meetings of the Shareholders and of the Board of Directors required by the Bylaws or by law to be given. The Secretary shall keep the seal of the Corporation in safe custody, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or by the Bylaws.

Section 9. Chief Financial Officer or Treasurer.

A. The Chief Financial Officer shall keep and maintain, or cause to be kept and maintained, in the manner the Chief Financial Officer deems appropriate in the best interest of the Corporation, adequate and correct accounts of the properties and business transactions of the Corporation, including accounts of its assets, liabilities, receipts, disbursements, gains, losses, capital, earnings (or surplus) and shares issued. The books of account shall, at all reasonable times, be open to inspection by any Director.

B. The Chief Financial Officer shall deposit all monies and other valuables in the name and to the credit of the Corporation with such depositaries as may be designated by the Board of Directors. The Chief Financial Officer shall disburse the funds of the Corporation as may be ordered by the Board of Directors, shall render to the President and Directors, whenever they request it, an account of all of the transactions of the Chief Financial Officer and of the financial condition of the Corporation, and shall have such other powers and perform such other duties as may be prescribed by the Board of Directors or the Bylaws.

**ARTICLE IV
SHAREHOLDERS' MEETINGS**

Section 1. Place of Meetings. Meetings of the Shareholders shall be held at any place within or outside the state of Nevada designated by the Board of Directors. In the absence of any such designation, Shareholders' meetings shall be held at the principal executive office of the Corporation.

Section 2. Annual Meeting.

A. The annual meeting of the Shareholders shall be held, each year, as follows:

Time of Meeting:	10:00 A.M.
Date of Meeting:	May 15

B. If this day shall be a legal holiday, then the meeting shall be held on the next succeeding business day, at the same time. At the annual meeting, the Shareholders shall elect a Board of Directors, consider reports of the affairs of the Corporation and transact such other business as may be properly brought before the meeting.

C. If the above date is inconvenient, the annual meeting of Shareholders shall be held each year on a date and at a time designated by the Board of Directors within ninety days of the above date upon proper notice to all Shareholders.

Section 3. Special Meetings.

A. Special meetings of the Shareholders for any purpose or purposes whatsoever, may be called at any time by the Board of Directors, the Chairman of the Board, the President, or by one or more Shareholders holding shares in the aggregate entitled to cast not less than 10% of the votes at any such meeting. Except as provided in paragraph B below of this Section 3, notice shall be given as for the annual meeting.

B. If a special meeting is called by any person or persons other than the Board of Directors, the request shall be in writing, specifying the time of such meeting and the general nature of the business proposed to be transacted, and shall be delivered personally or sent by registered mail or by telegraphic or other facsimile transmission to the Chairman of the Board, the President, or the Secretary of the Corporation. The officer receiving such request shall forthwith cause notice to be given to the Shareholders entitled to vote, in accordance with the provisions of Sections 4 and 5 of this Article, indicating that a meeting will be held at the time requested by the person or persons calling the meeting, not less than 35 nor more than 60 days after the receipt of the request. If the notice is not given within 20 days after receipt of the request, the person or persons requesting the meeting may give the notice in the manner provided in these Bylaws. Nothing contained in this paragraph of this Section shall be construed as limiting, fixing or affecting the time when a meeting of Shareholders called by action of the Board of Directors may be held.

Section 4. Notice of Meetings - Reports.

A. Notice of any Shareholders meetings, annual or special, shall be given in writing not less than 10 days nor more than 60 days before the date of the meeting to Shareholders entitled to vote thereat by the Secretary or the Assistant Secretary, or if there be no such officer, or in the case of said Secretary or Assistant Secretary's neglect or refusal, by any Director or Shareholder.

B. Such notices or any reports shall be given personally or by mail or other means of written communication as provided in the Act and shall be sent to the Shareholder's address appearing on the books of the Corporation, or supplied by the Shareholder to the Corporation for the purpose of notice, and in the absence thereof, as provided in the Act by posting notice at a place where the principal executive office of the Corporation is located or by publication at least once in a newspaper of general circulation in the county in which the principal executive office is located.

C. Notice of any meeting of Shareholders shall specify the place, the day and the hour of meeting, and (i) in case of a special meeting, the general nature of the business to be transacted and that no other business may be transacted, or (ii) in the case of an annual meeting, those matters which the Board of Directors, at the date of mailing of notice, intends to present for action by the Shareholders. At any meetings where Directors are elected, notice shall include the names of the nominees, if any, intended at the date of notice to be presented for election.

D. Notice shall be deemed given at the time it is delivered personally or deposited in the mail or sent by other means of written communication. The officer giving such notice or report shall prepare and file in the minute book of the Corporation an affidavit or declaration thereof.

E. If action is proposed to be taken at any meeting for approval of (i) contracts or transactions in which a Director has a direct or indirect financial interest, (ii) an amendment to the Articles of Incorporation, (iii) a reorganization of the Corporation, (iv) dissolution of the Corporation, or (v) a distribution to preferred Shareholders, the notice shall also state the general nature of such proposal.

Section 5. Quorum.

A. The holders of a majority of the shares entitled to vote at a Shareholders' meeting, present in person, or represented by proxy, shall constitute a quorum at all meetings of the Shareholders for the transaction of business except as otherwise provided by the Act or by these Bylaws.

B. The Shareholders present at a duly called or held meeting at which a quorum is present may continue to transact business until adjournment, notwithstanding the withdrawal of enough Shareholders to leave less than a quorum, if any action taken (other than adjournment) is approved by a majority of the shares required to constitute a quorum.

Section 6. Adjourned Meeting and Notice Thereof.

A. Any Shareholders' meeting, annual or special, whether or not a quorum is present, may be adjourned from time to time by the vote of the majority of the shares represented at such meeting, either in person or by proxy, but in the absence of a quorum, no other business may be transacted at such meeting.

B. When any meeting of Shareholders, either annual or special, is adjourned to another time or place, notice need not be given of the adjourned meeting if the time and place thereof are announced at a meeting at which the adjournment is taken, unless a new record date for the adjourned meeting is fixed, or unless the adjournment is for more than 45 days from the date set for the original meeting, in which case the Board of Directors shall set a new record date. Notice of any adjourned meeting shall be given to each Shareholder of record entitled to vote at the adjourned meeting in accordance with the provisions of Section 4 of this Article. At any adjourned meeting, the Corporation may transact any business which might have been transacted at the original meeting.

Section 7. Waiver or Consent by Absent Shareholders.

A. The transactions of any meeting of Shareholders, either annual or special, however called and noticed, shall be valid as though had at a meeting duly held after regular call and notice, if a quorum be present either in person or by proxy, and if, either before or after the meeting, each of the Shareholders entitled to vote, not present in person or by proxy, sign a written waiver of notice, or a consent to the holding of such meeting or an approval of the minutes thereof.

B. The waiver of notice or consent need not specify either the business to be transacted or the purpose of any regular or special meeting of Shareholders, except that if action is taken or proposed to be taken for approval of any of those matters specified in Section E of Section 4 of this Article, the waiver of notice or consent shall state the general nature of such proposal. All such waivers, consents or approvals shall be filed with the corporate records or made a part of the minutes of the meeting.

C. Attendance of a person at a meeting shall also constitute a waiver of notice of such meeting, except when the person objects, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened, and except that attendance at a meeting is not a waiver of any right to object to the consideration of matters not included in the notice. A Shareholder or Shareholders of the Corporation holding at least 5% in the aggregate of the outstanding voting shares of the Corporation may (i) inspect, and copy the records of Shareholders' names and addresses and shareholdings during usual business hours upon five days prior written demand upon the Corporation, and/or (ii) obtain from the transfer agent by paying such transfer agent's usual charges for such a list, a list of the Shareholders' names and addresses who are entitled to vote for the election of Directors, and their shareholdings, as of the

most recent record date for which such list has been compiled or as of a date specified by the Shareholders subsequent to the day of demand. Such list shall be made available by the transfer agent on or before the later of five days after the demand is received or the date specified therein as the date as of which the list is to be compiled. The record of Shareholders shall also be open to inspection upon the written demand of any Shareholder or holder of a voting trust certificate, at any time during usual business hours, for a purpose reasonably related to such holder's interest as a Shareholder or as a holder of a voting trust certificate. Any inspection and copying under this Section may be made in person or by an agent or attorney of such Shareholder or holder of a voting trust certificate making such demand.

Section 8. Maintenance and Inspection of Bylaws. The Corporation shall keep at its principal executive office, or if not in this state, at its principal business office in this state, the original or a copy of the Bylaws amended to date, which shall be open to inspection by the Shareholders at all reasonable times during office hours. If the principal executive office of the Corporation is outside the state and the Corporation has no principal business office in this state, the Secretary shall, upon written request of any Shareholder, furnish to such Shareholder a copy of the Bylaws as amended to date.

Section 9. Annual Report to Shareholders.

A. Provided the Corporation has 100 Shareholders or less, the Annual Report to Shareholders referred to in the Act is expressly dispensed with, but nothing herein shall be interpreted as prohibiting the Board of Directors from issuing annual or other period reports to Shareholders of the Corporation as they deem appropriate.

B. Should the Corporation have 100 or more Shareholders, an Annual Report to Shareholders must be furnished not later than 120 days after the end of each fiscal period. The Annual Report to Shareholders shall be sent at least 15 days before the annual meeting of the Shareholders to be held during the next fiscal year and in the manner specified in Section 4 of Article V of these Bylaws for giving notice to Shareholders of the Corporation. The Annual Report to Shareholders shall contain a Balance Sheet as of the end of the fiscal year, an Income Statement, and a Statement of Cash Flows or similar financial statements as the Chief Financial Officer deems appropriate in the best interest of the Corporation, for the fiscal year, accompanied by any report of independent accountants or, if there is no such report, the certificate of an authorized officer of the Corporation that the statements were prepared without audit from the books and records of the Corporation.

Section 10. Financial Statements.

A. A copy of any annual financial statement and any Income Statement of the Corporation for each quarterly period of each fiscal year, and any accompanying Balance Sheet of the Corporation as of the end of each such period, that has been prepared by the Corporation shall be kept on file at the principal executive office of the Corporation for 12 months from the date of its execution, and each such statement shall be exhibited at all reasonable times to any Shareholder demanding an examination of such statement or a copy shall be made for any such Shareholder.

B. If a Shareholder or Shareholders holding at least 5% of the outstanding shares of any class of stock of the Corporation make a written request to the Corporation for an Income Statement of the Corporation for the three month, six month or nine month period of the then current fiscal year ended more than 30 days prior to the date of the request, and a Balance Sheet of the Corporation at the end of such period, the Chief Financial Officer shall cause such statement to be prepared, if not already prepared, and shall deliver personally or mail such statement or statements to the person making the request within 30 days after the receipt of such request. If the Corporation has not sent to the Shareholders its Annual Report for the last

fiscal year, this report shall likewise be delivered or mailed to such Shareholder or Shareholders within 30 days after such request.

C. The Corporation also shall, upon the written request of any Shareholder, mail to the Shareholder a copy of the last annual, semi-annual or quarterly Income Statement which it has prepared and a Balance Sheet as of the end of such period. This quarterly Income Statement and Balance Sheet referred to in this Section shall be accompanied by the report thereon, if any, of any independent accountants engaged by the Corporation or the certificate of authorized officer of the Corporation such that financial statements were prepared without audit from the books and records of the Corporation.

Section 11. Annual Statement of General Information. The Corporation shall, in a timely manner, in each year, file with the Secretary of State of Nevada, on the prescribed form, the statement setting forth the authorized number of Directors, the names and complete business or residence addresses of all incumbent Directors, the names and complete business or residence addresses of the Chief Executive Officer, Secretary and Chief Financial Officer, the street address of its principal executive office or principal business office in this state and the general type of business constituting the principal business activity of the Corporation, together with a designation of the agent of the Corporation for the purpose of the service of process, all in compliance with the Act.

ARTICLE V AMENDMENTS TO BYLAWS

Section 1. Amendment by Shareholders. New Bylaws may be adopted or these Bylaws may be amended or repealed by the vote or written consent of holders of a majority of the outstanding shares entitled to vote; provided, however, that if the Articles of Incorporation of the Corporation set forth the number of authorized Directors of the Corporation, the authorized number of Directors may be changed only by amendment to the Articles of Incorporation.

Section 2. Amendment by Directors. Subject to the rights of the Shareholders to adopt, amend or repeal the Bylaws, as provided in Section 1 of this Article V, and the limitations of the Act, the Board of Directors may adopt, amend or repeal any of these Bylaws other than an amendment to the Bylaws changing the authorized number of Directors.

Section 3. Record of Amendments. Whenever an amendment or new Bylaw is adopted, it shall be placed in the corporate book of Bylaws with the original Bylaws, in the appropriate place. If any Bylaw is repealed, the fact of repeal with the date of the meeting at which the repeal was enacted or written assent was filed shall be stated in the corporate book of Bylaws.

ARTICLE VI MISCELLANEOUS

Section 1. Shareholders' Agreements. Notwithstanding anything contained in this Article VI to the contrary, in the event the Corporation elects to become a close corporation, an agreement between two or more Shareholders thereof, if in writing and signed by the parties thereto, may provide that in exercising any voting rights, the shares held by them shall be voted as provided therein or in the Act, and may otherwise modify the provisions contained in Article IV, herein as to Shareholders' meetings and actions.

Section 2. Effect of Shareholders' Agreements. Any Shareholders' Agreement authorized by the Act, shall only be effective to modify the terms of these Bylaws if the Corporation elects to become a close corporation with the appropriate filing of an amendment to its Articles of Incorporation as required by

the Act and shall terminate when the Corporation ceases to be a close corporation. Any other provisions of the Act or these Bylaws may be altered or waived thereby, but to the extent they are not so altered or waived, these Bylaws shall be applicable.

Section 3. Subsidiary Corporations. Shares of the Corporation owned by a subsidiary shall not be entitled to vote on any matter.

Section 4. Accounting Year. The accounting year of the Corporation shall be fixed by resolution of the Board of Directors.

Section 5. Form. The corporate seal shall be circular in form, and shall have inscribed thereon the name of the Corporation, the date of its incorporation, and the word "Nevada" to indicate the Corporation was incorporated pursuant to the laws of the State of Nevada.
