Re: Attorney Letter for Enable IPC Corporation with Respect to Current Information

To Whom It May Concern:

I am an attorney retained by Enable IPC Corporation, a Delaware Corporation (the "Issuer") to review the current information supplied by the Issuer for the purpose of rendering this letter and related matters. I am General Counsel to the Issuer and have served on the Issuer's Board of Directors since its Inception. The trading symbol for the Issuer is EIPC.

My opinion has been requested for the purpose of reviewing and reporting of adequate current information within the meaning of Rule 144(c)(2) under the Securities Act of 1933.

As counsel, I have examined such corporate records and other documents and such questions of law as I considered necessary or appropriate for purposes of rendering this letter, including but not limited to, the Issuer's Certificate of Incorporation and all amendments, the Issuer's Bylaws and all amendments, minutes of meetings of stockholders of the Issuer, minutes of meetings of the Board of Directors of the Issuer, resolutions of the Board of Directors of the Issuer, all past public filings of the Issuer with the Securities and Exchange Commission, the Initial Company Information and Disclosure Statement filed with the OTC Disclosure and News Service on August 9, 2010, the Quarterly Report covering the period ending September 30, 2010 filed with the OTC Disclosure and News Service on October 28, 2010 and the Quarterly Report filed with the OTC Disclosure and News Service on February 4, 2011 (the "Information").

The unaudited financial statements contained in the Information were prepared by the Company's CEO and acting CFO, David A. Walker, who has in excess of 15 years experience in establishing and managing corporate financial controls.

The transfer agent of the Issuer is Interwest Transfer Company, Inc., 1981 Murray Holladay Road, Suite 100, Salt Lake City, Utah 84117 (the "Transfer Agent") and I have confirmed that the Transfer Agent is registered with the SEC. I have confirmed the number of

shares outstanding set forth in the Information by comparing a complete stockholders' list provided by the Transfer Agent and with the records of the Issuer provided by the Issuer's CEO, David A. Walker.

I have (i) personally met with management and met with a majority of the directors of the Issuer, (ii) reviewed the Information, as amended, published by the Issuer through the OTC Disclosure and News Service and (iii) discussed the Information with management and a majority of the directors of the Issuer.

To the best of my knowledge, and after inquiry of management and the directors of the Issuer, neither the Issuer of the Securities, any 5% holder, nor Counsel is currently under investigation by any federal or state regulatory authority for any violation of federal or state securities laws.

Based on the foregoing, I am of the opinion that the Information (i) constitutes "adequate current public information" concerning the Securities and the Issuer and "is available" within the meaning of Rule 144(c)(2) under the Securities Act, (ii) includes all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the Securities under Rule 15c2-11 under the Securities Exchange Act of 1934 (the "Exchange Act"), (iii) complies as to form with the OTC Market Group's Guidelines for Providing Adequate Current Information, which are located on the Internet at [www.otcm Markets.com](http://www.otcm Markets.com), and (iv) has been posted through the OTC Disclosure and News Service.

This letter may be relied upon by OTC Markets Group, Inc. in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act of 1933, and OTC Markets Group, Inc. has full and complete permission and rights to publish this letter through the OTC Disclosure and News Service for viewing by the public and regulators. However, this letter may not be relied upon by any other person or entity other than OTC Markets Group, Inc.

I am a U.S. resident and am admitted to practice law in the State of California. I am permitted to practice before the Securities and Exchange Commission (the "SEC") and have not been prohibited from practice thereunder. For the purpose of preparing this letter I do not express any opinion with respect to applicable laws, or the effect or applicability of laws of any jurisdiction other than those of the State of California and the laws of the United States. As to matters of fact, I have relied upon information supplied to me from the Issuer and its filings with various agencies and from David A. Walker (an officer of the Issuer), which I believe to be reliable.

The opinions set forth herein are expressed as of the date hereof and remain valid so long as the documents, instruments, records and certificates I have examined and relied upon and noted above are unchanged and the assumptions I have made, as noted above, are valid. In addition, these opinions are limited to the laws and regulations now in effect and in all respects
