Disclose the following information regarding the transaction

*Instruction to paragraph D of Item XI:*

1. For the purposes of paragraph D of this Item XI, the term "related person" means any director, executive officer, nominee for director, or beneficial owner of more than five percent (5%) of any class of the issuer's equity securities, immediate family members<sup>5</sup> of any such person, and any person (other than a tenant or employee) sharing the household of any such person.
2. For the purposes of paragraph D of this Item XI, a "transaction" includes, but is not

limited to, any financial transaction, arrangement or relationship (including any indebtedness or guarantee of indebtedness) or any series of similar transactions, arrangements or relationships.

3. The “amount involved in the transaction” shall be computed by determining the dollar value of the amount involved in the transaction in question, which shall include:
  - a. In the case of any lease or other transaction providing for periodic payments or installments, the aggregate amount of all periodic payments or installments due on or after the beginning of the issuer’s last fiscal year, including any required or optional payments due during or at the conclusion of the lease or other transaction providing for periodic payments or installments; and
  - b. In the case of indebtedness, the largest aggregate amount of all indebtedness outstanding at any time since the beginning of the issuer’s last fiscal year and all amounts of interest payable on it during the last fiscal year.
4. In the case of a transaction involving indebtedness:
  - a. The following items of indebtedness may be excluded from the calculation of the amount of indebtedness and need not be disclosed: amounts due from the related person for purchases of goods and services subject to usual trade terms, for ordinary business travel and expense payments and for other transactions in the ordinary course of business; and
  - b. Disclosure need not be provided of any indebtedness transaction for beneficial owners of more than five percent (5%) of any class of the issuer’s equity securities or such person’s family members.
5. Disclosure of an employment relationship or transaction involving an executive officer and any related compensation solely resulting from that employment relationship or transaction need not be provided. Disclosure of compensation to a director also need not be provided.
6. A person who has a position or relationship with a firm, corporation, or other entity that engages in a transaction with the issuer shall not be deemed to have an indirect material interest for purposes of paragraph D of this Item XI where:
  - a. The interest arises only:
    - i. From such person’s position as a director of another corporation or organization that is a party to the transaction; or
    - ii. From the direct or indirect ownership by such person and all other related persons, in the aggregate, of less than a ten percent (10%) equity interest in another entity (other than a partnership) which is a party to the transaction; or
    - iii. From both such position and ownership; or
  - b. The interest arises only from such person’s position as a limited partner in a partnership in which the person and all other related persons have an interest of less than ten percent (10%), and the person is not a general partner of and does not hold another position in the partnership.
7. Disclosure need not be provided pursuant to paragraph D of this Item XI if:
  - a. The transaction is one where the rates or charges involved in the transaction are determined by competitive bids, or the transaction involves the rendering of services as a common or contract carrier, or public utility, at rates or charges fixed in conformity with law or governmental authority;

- b. The transaction involves services as a bank depository of funds, transfer agent, registrar, trustee under a trust indenture, or similar services; or
  - c. The interest of the related person arises solely from the ownership of a class of equity securities of the issuer and all holders of that class of equity securities of the issuer received the same benefit on a pro rata basis.
8. Include information for any material underwriting discounts and commissions upon the sale of securities by the issuer where any of the specified persons was or is to be a principal underwriter or is a controlling person or member of a firm that was or is to be a principal underwriter.

Item XV Management's Discussion and Analysis or Plan of Operation.

### *Instructions to Item XV*

The discussion and analysis shall focus specifically on material events and uncertainties known to management that would cause reported financial information not to be necessarily indicative of future operating results or of future financial condition.

Issuers are not required to supply forward-looking information. This is distinguished from presently known data that will impact upon future operating results, such as known future increases in costs of labor or materials. This latter data may be required to be disclosed.

### Management's Discussion and Analysis of Financial Condition and Results of Operations.

1. The issuer has recently made an acquisition in its focus field of renewable and alternative energy. It plans to make additional, synergistic acquisitions as opportunities arise, while harvesting projects toward long-term revenue streams with existing wholly-owned subsidiary.

- i. Trends in the Renewable/Alternative Energy Sector have led Execs with the issuer's company to believe that its projects are extremely viable with exponential ROI prospects for long-term growth and overall value for the company's shareholders.
- ii. Sources of liquidity have included and/or currently include Owner's working capital and revenues generated from wholly-owned subsidiaries existing projects.
- iii. The Issuer expects to raise approximately \$125,000 in working capital over the next 6 months. A majority of this should be provided as direct capital infusion from its owner or from the issuer's wholly owned subsidiaries.
- iv. Opportunities in the this sector continue to increase, with much credit to governmental decrees, cost-efficiency and environmental awareness
- v. There are no known significant elements of income or loss that do not arise from the issuer's continuing operations;
- vi. The Issuer is in a large growth, but still experimental and speculative, industry and it is not unusual to have large swings from period to period in any one line item at this early stage in the company's operations and actions on opportunities.

### Item XVI

No shares or security offerings have been issued for services to the best of issuer's knowledge and records. Global Energy Group, Inc. has not offered shares or security offerings for services since its inception.
