Re: Attorney Letter with Respect to Adequate Current Information  
Hall of Fame Beverages, Inc. (Symbol: HFBG)

To Whom It May Concern:

This firm is serving as counsel to Hall of Fame Beverages, Inc. (hereinafter the "Company") and has been retained by the Company for the purposes of (a) entering into the Attorney Letter Agreement with Pink OTC Markets Inc. (hereinafter "Pink OTC") and (b) posting this letter on the Pink Sheets News Service in accordance with the requirements set forth in the Attorney Letter Agreement. Pink OTC is entitled to rely on this letter in determining whether the Company has made adequate current information publicly available within the meaning of Rule 144 (c) (2) of the Securities Act of 1933, as amended (the “Securities Act”).

Specifically, this law firm has been retained solely for the purpose of reviewing the current information supplied by the Company. The undersigned Attorney is a resident of the United States of America and has been retained by the Company to render this opinion letter. The undersigned Attorney is licensed to practice law in New Jersey and this letter covers the jurisdiction of New Jersey and the applicable laws of the United States of America. The undersigned Attorney is permitted to practice before the Securities and Exchange Commission and has not been prohibited from practice thereunder.

In rendering this letter, I have examined the Corrected March 31, 2011 Quarterly Report (also, the “Posted Report”) posted by the Company on the Pink Sheets News Service on May 24, 2011, and such other Company records, certificates of officers, certificates of public officials, and other instruments and documents and such questions of law as I have considered necessary and appropriate as a basis for the opinions expressed herein. All of the sources noted above are deemed to be reliable.

In rendering this letter, the undersigned Attorney has personally met with the management and the directors of the Company, and has reviewed the Posted Report published by the Company with and personally discussed it with the management and the directors of the Company.

In my opinion, the Posted Report constitutes adequate current information that is publicly available within the meaning of Rule 144 (c) (2) under the Securities Act of 1933 as a result of such Posted Report being posted in the Pink Sheets News Service on May 24, 2011, and that the Posted Report includes all of the information that a broker-dealer would be required to obtain from the Company to publish a quotation for the common stock of the Company under Rule 15c2-11 under the Securities Exchange Act of 1934, and that the Posted Report complies as to form with the Pink Sheets Guidelines for Providing Adequate Current Information.

The unaudited financial statements contained within the Posted Report were prepared by Aaron Joshua, a Certified Public Accountant for the past 13 years, the principal of The Joshua Management Group, LLC, Accountancy Corporation with an address at 15030 Ventura Blvd, Suite 610, Sherman Oaks, CA 91403. The transfer agent for the Company is Action Stock Transfer Corp., 7069 South Highland Drive, Suite 300, Salt Lake City, UT 84121. The transfer agent is registered with the SEC under the Securities Exchange Act. The undersigned Attorney personally confirmed the number of outstanding shares set forth in the Posted Report with Ms. Justeene Blankenship, the representative of Action Stock Transfer Corp.

To the best of my knowledge, after inquiry of management and the directors of the Company, neither the Company nor any 5% holder, or the undersigned Attorney, is currently under investigation by any Federal or state regulatory authority for any violation of Federal or state securities laws.

Since the common stock of the Company may have been subject to promotional activities, please be advised as follows:

The following executive officer, director, general partner, and other control person of the Company own the following common and preferred shares, respectively, as of the date of this letter.

Calvin Ross, Founder, Director and CFO – number of common and preferred shares held: 0 and 5,000,000\*, respectively;  
263 West Olive Avenue  
Burbank, CA 92009

Brad Godfrey, Director and Chief Business Development Officer – number of common and preferred shares held: 730,385,000\*\* and 0\*, respectively;  
1201 Jones Blvd.  
Las Vegas, NV 89146

---

\*As of the date indicated, there are a total of 5,000,000 shares of preferred stock outstanding representing 50% of the outstanding voting shares at anytime.

\*\* Mr. Godfrey was issued 500,000,000 of these shares in connection with his appointment as an officer and director; the remaining shares that he owns (230,385,000) were purchased in the open market at various times prior to his appointment as an officer and director. The later shares although not restricted are “control shares” and can only be publicly sold in accordance with SEC Rule 144.

---

Except as indicated immediately above regarding Mr. Godfrey’s “control shares”, all of the above shares are restricted and certificates representing such shares (1) state that said shares have not been registered under the Securities Act, and (2) set forth the restrictions on transferability and sale of the shares under the Securities Act. The preferred shares were originally issued to the two founders of the Company (Calvin Ross and Giovanni Luciano, 2,500,000 preferred shares each), were issued in consideration of capital contributions of \$150,000 each. Mr. Luciano, due to severe health problems, has recently resigned as a director and the Company’s COO and conveyed his preferred shares to Mr. Ross.

There is no promoter, finder, consultant or any other advisor of the Company that assisted, prepared or provided information with respect to the Issuer’s disclosure, who received securities as consideration for the services rendered to the Issuer.

I have made specific inquiry to each of the above named individuals, any persons who were known to have engaged in promotional activities regarding the Company, and any persons owning ten percent (10%) or more of the Company’s securities (common or preferred) (collectively, the “Insiders”).

Based upon such inquiries and other information available to me: any and all sales of the Securities by the Insiders within the twelve-month period prior to this letter opinion, if any, have been made in compliance with Rule 144, including, without limitation, any required filings of Form 144

And lastly, nothing has come to my attention indicating that any Insiders are or were in possession of any material non-public information regarding the Issuer or the Securities that would prohibit any of them from buying or selling the Securities under Rules 10b-5 or 10b5-1 under the Exchange Act.
