During the quarter ended March 31, 2011, the Company had \$ 0 revenues compared to \$47,782 for the quarter ended March 31, 2010, the decrease was attributable to the Company's decision to wind down the Dental/Medical Operations and focus its attention of the development and marketing of waterless toothbrush.

The certificates evidencing such shares when and if issued will be without restriction on transferability and sale.

During the quarter ended June 30, 2010 the Company sold an aggregate of 10,000,000 shares of its Common Stock, 1,250,000 Common Stock Purchase Warrants exercisable at \$.20 per share and 1,250,000 Common Stock Purchase Warrants exercisable at \$.30 per share for an aggregate purchase price of \$25,000 to Rio Sterling Holdings, Inc. The Agreement requires the Company to purchase a minimum of Five Hundred Thousand (500,000) toothbrushes annually commencing January 1, 2010. In addition upon signing the Agreement the Company paid P&B a non-refundable initial license fee of

Seventy Thousand Dollars (U.S. \$70,000.00). The Company plans to finance the operations of the liquid free toothbrush business and its internal growth through traditional bank financing sources as well as additional potential debt and equity private placements. There can be no assurance that financing sufficient to enable us to expand and grow our business will be available to us in the future. The failure to obtain future financing or to produce levels of revenue to meet our financial needs could result in our inability to operate, grow and expand our business.
