Re: Legal Opinion concerning Adequate Current Information of Evolution Fuels, Inc.
(Symbol-EVFN).

To Whom It May Concern:

I have been retained by Evolution Fuels, Inc. (hereinafter “Issuer” or “Company”), to render an opinion as to the Issuer’s compliance with the Guidelines for Disclosure of Adequate Current Information. The Firm is a United States citizen and has been retained for the sole purpose of reviewing the current information supplied by the Issuer. OTC Markets is entitled to rely on the current legal opinion in determining whether the Issuer has made adequate current information available within the meaning of Rule 144(c)(2) under the Securities Act of 1933.

ANALYSIS

In determining whether the Issuer has met its disclosure obligations with respect to adequate current information, counsel has reviewed a number of documents obtained from the Issuer for the purpose of rendering the within opinion, and the documents examined consist of:

- (1) The Disclosure Report with incorporated financials for the period fiscal year ended December 31, 2010, December 31, 2011, the Quarters ended March 31, 2012, June 30, 2012, and September 30, 2012 filed with the OTC Markets, Inc. on October 16, 2012;
- (3) Articles of Incorporation and all subsequent changes to Articles of Incorporation of the Issuer from inception to the present;
- (4) Minutes of the Board of Directors from inception to the present;
- (5) Bylaws of the Issuer.

In addition, I have made such investigations and have considered such questions of law as I deemed necessary and appropriate for the purpose of rendering this Opinion. In all such examinations, I have assumed the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as copies and the authenticity of all originals of such documents submitted as copies. Further, in all such examinations, I may have relied on information obtained from public officials, officers of the Issuer and other sources and represent that all such sources are believed to be reliable.

This opinion opines that the most recent Disclosure Report filed October 16, 2012, which contain the financials for the years ended December 31, 2010, and December 31, 2011, as well as the Quarters ended March 31, 2012, June 30, 2012, and September 30, 2012 as filed: (i) constitute adequate current public information concerning the shares of common stock of the Issuer (the "Securities") and the Issuer and is available within the meaning of Rule 144(c)(2) under the Securities Act; (ii) include all of the information that a broker-dealer would be required to obtain from the Issuer to publish a quotation for the shares of common stock of the Corporation (the "Securities"), under Rule 15c2-11 of the Exchange Act; (iii) comply as to form with the OTC Markets Guidelines for Providing Adequate Current Information, which are located on the Internet at www.otcmarkets.com; and (iv) have been posted in the OTC News Service.

Please be advised that OTC Markets, Inc. is entitled to rely on the Opinion in determining whether the Issuer has made adequate current information publicly available within the meaning of Rule 144(c)(2) under the Securities Act.

In rendering the Opinion, I have reviewed such corporate records and other documents as I deemed necessary regarding the filing of the Disclosure Documents as well as the filing of the Financials. In addition, I have made such investigations and have considered such questions of law as I deemed necessary and appropriate for the purpose of rendering this Opinion. In all such examination, I have assumed the genuineness of all signatures, the authenticity of all documents submitted to me as originals, the conformity to original documents of all documents submitted to me as copies and the authenticity of all originals of such documents submitted as copies. Further, in all such examinations, I may have relied on information obtained from public officials, officers of the Issuer and other sources and represent that all such sources are believed to be reliable.
