

## Digital Utilities Ventures, Inc. (DUTV.PK) strengthens leadership team with appointment of new Technical Director

FT. LAUDERDALE, FL, July 30, 2014 - Garry McHenry has appointed a new Technical Director, John Molnar, to fill an integral leadership role in the organization as it continues to expand its product portfolio and businesses into the Middle East, Asia and Africa.

Digital Utilities Ventures, Inc. is a fast-growing company with diverse services in both the B2B and B2C markets. Its wholesale business is currently establishing new interconnections, and exploring other opportunities in both Africa and the Middle East.

As Technical Director, Mr. Molnar has many years of experience managing network rollouts, Wholesale A-Z through its multiple direct interconnects with PTT / Tier 1 / Tier 2 and mobile operators, expansions and network operations in emerging and growth markets. He joins DUTV from where he also worked as a group level IT strategy consultant.

Garry McHenry, CEO of Digital Utilities Ventures, Inc. said, "2013 was a very exciting year for us, as we broke into a number of new markets and product areas. 2014 will be stronger still for us; and I think John's experience and expertise will add insight, value and leadership to the company's future expansion.
