

## **IJJ Corporation (IJJC) is announcing the launching of its B2B network environment for Public Companies.**

SILVER SPRING, Md., November 21, 2014 (OTC Markets Websites) -- IJJ Corporation (IJJ.PK) is launching a private business network to provide management and market development services to create partnerships for success and reduce the reporting obligation cost for public companies.

IJJ's B2B environment will provide integrated applications; various support services within a private business network, whereby active subscription memberships are entitled to group discounted services and the following resources and benefits:

- A reduction in on-going cost associated with reporting obligations between 35 to 60% under the average cost for financial and disclosure submissions for SEC and OTC market filing requirements.
- The resources to reinstatement the Public company, in good standings with their state of incorporation and funding for all entities associated with becoming current information status with OTC and SEC.
- A workout plan to address any pending issues and how to deploy instrument's to maintain current information status.
- The opportunity to engage with professional services on how to remove the DTC Chill Status and to start trading as a public company.
- Group discount services provided by approved contract service providers offering discounts to three or more Public Companies with active subscriptions. The service will include accounting, bookkeeping, audit ready accounting reports and auditors who are members of the Public Company Accounting Oversight Board (PCAOB).
- A contract agreement with IJJC to provide management and market position expertise, assistance in standardizing quarterly and annual reporting obligations by using the business tools offered in the private business network, business plan assistance and/or development, which will create project level task forecasting, resulting in worthy news being released to shareholders.
- Business Partnerships contracts for prime or subcontracting opportunities, how to increase revenues, improve profit/working capital and create annual contract revenue backlog, which represents stability.
- Membership Press Release Services: as an add-on service to the subscription at a fraction of the cost current experienced for News distribution to the financial reporting service providers nationwide.

### **1. Products and Services**

IJJ Corporation will offer a variety of services to their Public and Private clients. The partnership is based on a monthly subscription fee with add-on packages to utilize the products and services offered by IJJC. Many of the add-on packages allow clients to customize their subscriptions and group discount programs.

#### **Business Application included as add-on to the monthly subscription:**

1. Management Power Suite-MPS Enterprise
2. Management Power Suite-MPS Business
3. Edgar Filing Suite
4. OTC Annual, Quarterly and Financial Obligation Reporting Suite
5. IPress Release Distribution Service to financial reporting media for proper disclosure
6. Group Discount benefit Programs
7. Contract Service Providers (6 months, 180 1 ad, 1 banner random-10x)

The IJJ website is still in development status. We anticipate its release within two weeks. We will provide weekly updates following the Website launch.
