

## **Wanderport Corp Signs Exclusive Agreement to Distribute Canna Energy Drinks to the State of Nevada**

SANTA MONICA, Calif., Jan. 6, 2014 -- WanderPort Corp. (OTC Markets: WDRP) is pleased to announce that its wholly owned subsidiary, Green Organic Holdings Corp. (GOH), had signed an exclusive distribution agreement with CannaLife USA, Ltd to distribute CannaLife's energy drinks to the state of Nevada.

Canna Energy is an energy supplement infused with 50 mg of Hemp seed oil and contains no THC. Since THC is not part of the ingredients, the drink will not cause a positive test for illegal substances. As an added health benefit, hemp seed oil contains approximately 80% of the essential fatty acids such as Omega 3s and 6s.

Under the terms of the agreement, GOH will be CannaLife's exclusive master distributor for the state of Nevada. The Company will offer a product line of Canna Energy in three different flavors - Original, Mango and Lite Blueberry Pomegranate. The products will be available for distribution later this month.

The Company is currently seeking for food and beverage distributors to help distribute the products throughout Nevada. All interested distributors are encouraged to contact the company at [info@wanderportcorp.com](mailto:info@wanderportcorp.com).

"We are excited to partner with CannaLife to offer Canna Energy drinks and being a part of the multi-billion dollars energy drink market", stated Eric Brown, Chief Executive Officer. "We expect the product acceptance to rapidly increase which will allow us to expand beyond Nevada to other regions nationwide. This should translate to strong growth for Wanderport" added Brown.

Forward-Looking Statements:

Statements made herein, other than historical data, constitute forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those stated or implied by such forward-looking statements. The potential risks and uncertainties include, among others, potential volatility in the company's stock price, increased competition, customer acceptance of new products and services to be offered by the company, and uncertainty of future revenue and profitability and fluctuations in its quarterly operating efforts. Forward-looking statements are projections of events, revenues, income, future economics, research, development, reformulation, product performance or management's plans and objectives for future operations. In some cases you can identify forward-looking statements by the use of terminology such as "may", "should", "anticipates", "believes", "expects", "intends", "forecasts", "plans", "future", "strategy", or words of similar meaning. While these forward-looking statements and any

assumptions upon which they are based are made in good faith and reflect current judgment regarding the direction of the business operations of Wanderport Corporation, actual results will almost always vary, sometimes materially, from any estimates, predictions, projections, assumptions or other future performance suggested in this press release. These statements are predictions and involve known and unknown risks, uncertainties and other factors, including the risk that Wanderport Corporation cannot execute its business plan for lack of capital or other resources, distribution, licensing/acquisition opportunities or internal partnering issues or restructuring/resignation which may modify existing licensing agreement, arrangements and/or contractual obligations, as well as the risks described in the periodic disclosure documents filed on OTCMarkets.com by Wanderport Corporation. Any of these risks could cause Wanderport Corporation or its industry's actual results, levels of activity, performance or achievements to be materially different from those expressed or implied by the forward-looking statements in this press release. Except as required by applicable law, including the securities laws of the United States, Wanderport Corporation does not intend to update any of the forward-looking statements to conform these statements to actual results.
