

## **\$12.5 MILLION NOTE RECEIVABLE - SUCCESSFUL COURT ACTION**

Monday, March 23, 2015 – Las Vegas, NV – Gold & Silver Mining of Nevada, Inc. (PINK SHEETS:CJTF), a junior mining company in Nevada, announces progress in the \$12.5 million legal collection efforts. The court approved the amendment to the law suit for default on the note payment due. The amendment was uncontested by the Trust which owes the company \$12.5 million for its portion of the note. Now the company and co-owners of the note will proceed to file for a summary judgment. All this means we are very close to collecting the funds due us.

The note was acquired last February of 2014. We have begun collection to be paid. The note receivable assets is not disputed and its due date is acknowledged. The trust signing the note has more than enough assets to pay this note.
