Special Announcement From  
Pestmaster Franchise Network President  
Jeffrey M. Van Diepen

OTCMARKETS (May 12<sup>th</sup>, 2015): The Tampa Bay area of Florida is being added to the Pestmaster Franchise Network, with the purchase of the franchise by Enviro-Serv, Inc. Sale is expected to be finalized in the coming weeks.

Pestmaster is pleased to welcome Chris Trina and the staff of Enviro-Serv, Inc. to our national team. Of special consideration is the inclusion of Enviro-Serv, Inc. to the roster of some 30 locations of Pestmaster who are offering services to the federal government via the GSA Schedule.

GSA purchases via the GSA schedule are becoming a popular way for federal buyers to access qualified contractors. Pestmaster Services is on the schedule and participates in a share of the \$33B purchased via these schedules in 2014 (Source: *FedSched*).

With the leadership and entrepreneurial spirit of Enviro-Serv, Inc. CEO Chris Trina stated, "The opportunities in this government heavy region of Florida, will be pursued and increased exponentially. As a "Small Business" concern, we're optimistic that, in addition to the V.A. Health Care System (which is already a client of Pestmaster in the Tampa area), that our management team can lead the Pestmaster operation to new and expanded opportunities, both here in Tampa, and beyond.

Pestmaster Services was founded in 1979, and has grown steadily. It has been ranked in the "Top 100" pest control firms in the nation (Source: *PCT magazine*) for fifteen years running.

"Our green approach to pest management, as well as an extensive resume in government, utility, railroad and commercial/residential

services, makes us a great option in the Tampa area of Florida.” says Pestmaster President and CEO Jeffrey M. Van Diepen.

We warmly welcome Enviro-Serv Inc. and Chris Trina to our national pest management operations! Please visit our website for further information about Pestmaster Services @ [www.pestmaster.com](http://www.pestmaster.com)
