

3D Entertainment Holdings, Inc. announces MOU with iBUZZmusic to Acquire Mobile Music Platform

Dallas, TX – May 20th, 2015 – InvestorsHub News Wire – 3D Entertainment Holdings, Inc., (OTCPK: TDEY), is pleased to announce that TDEY has entered a Memo of Understanding with iBUZZmusic, LLC for the acquisition of the iBUZZmusic music platform. iBUZZmusic is a spinoff company of IncHoldings, LLC and started as a development project that blossomed into a world class product for today's online music market.

Founder Michael Reynolds stated "We have finally worked out a deal with 3D Entertainment Holdings, Inc. that makes sense for both parties, and we are very pleased with the terms." Reynolds went on to say that "I am very confident that we will close a Definitive Agreement in a very short period of time and I can't wait to move forward as this is probably one of the most significant projects we have ever developed."

3D Entertainment Holdings Inc., and 3D Eye Solutions Inc., will begin to integrate its own 3D Technology with the iBUZZmusic software. The result should create a new 3D experience and add a new dimension to existing videos and content.

The iBUZZmusic platform is a fully mobile platform for online music enthusiasts. What started as a hobby out of frustration with the players available today became a commercial obsession which features:

- Complete mobile compatibility for audio and video
- Easy to use creation of playlists with drag and drop organization features
- No audio advertisements!
- Full lineup of radio stations
- Social network integration so users can listen to what's popular
- A user chat feature so users can discuss their favorites
- Featured live shows and performances
- Schedule of performances of your favorite artists and groups
- Regular features of undiscovered artists
- Streaming channels for live performances and events

The iBUZZmusic platform will feature a free player which will attract many subscribers and a paid version will soon be offered for user's wanting a premium "no ads" experience. The paid version is in development and will be released soon. The iBUZZmusic platform can be seen at www.ibuzzmusic.com.

In addition to subscription revenue, the music platform will generate revenue from downloaded music through sources like iTunes and Amazon, but will also produce significant revenues from advertisements and sponsored events.
