

## **TELECORP ANNOUNCES BUSINESS OUTLOOK FOR REMAINDER OF ITS FISCAL YEAR**

**Barrie, Ontario Canada – September 29<sup>th</sup>, 2015 – Telecorp, Inc. (OTC Markets: TLNUF)** (“Telecorp” or the “Company”), a growing provider of software communications solutions, is pleased to give a corporate update and business outlook for its upcoming third and fourth quarters.

Telecorp is in the midst of a breakthrough that began in early spring. This turnaround is being fueled by a number of factors, among them is Management’s clear strategy on building upon its acquisition approach to generate revenue for the Company. On March 8<sup>th</sup>, the Company formally signed the necessary paperwork to acquire Chandigarh-headquartered IT development and search engine marketing company, Dev Datamedics & Software Pvt Ltd (“Dev Datamedics”). With the financial audits of Dev Datamedics now completed, the final closing is expected to be concluded this upcoming week. Dev Datamedics provides state-of-the-art custom web design, web development and search engine optimization to clients worldwide and with this acquisition, approximately \$20,000 to \$40,000 in monthly revenues is estimated to be reflected on Telecorp’s income statement.

With the expected cash flow from the acquired business, Telecorp intends to use the cash to pay off approximately \$225,000 in debt. Telecorp continues to attract strong investment and funding interest and is presently working to secure non-toxic funding to close other acquisitions.

“We are now in serious negotiations for significant investments to purchase up to three (3) more companies,” stated Paul Phillips, CEO of Telecorp Inc. “With that we anticipate that we can also generate meaningful revenues that can spearhead aggressive development of all of Telecorp’s products.”
