Greenflag Commences Trading on OTCQB

Vancouver, British Columbia / October 7, 2015 – Greenflag Ventures Inc. (“Greenflag” or the “Company”) (OTCQB: GFGVF) (Frankfurt: DV1A) is pleased to announce that effective September 28, 2015, the common shares of the Company commenced trading on the OTC Venture Market as an OTCQB under the symbol “GFGVF”. The Company has chosen to trade on this US marketplace to provide current and future US-based investors with greater access, ease of trading, home country disclosure, current financial disclosures and Real-Time Level 2 quotes at www.otcmarkets.com.

The OTC Venture Market is based in the United States and offers public companies a strong baseline of transparency and trading to inform and engage investors. OTCQB’s streamlined rules and regulations create the benefits of being publicly traded at less than a quarter of the cost of a national stock exchange listing. As America’s Venture Market, OTCQB provides efficient public trading for companies to start building shareholder liquidity today and develop into tomorrow’s leaders. As of June 30, 2015, the OTCQB had a total market cap of \$74.2B and year-to-date dollar volume of \$5.7B.
