

eFUEL EFN, CORPORATION SETBACKS AND GAINS

Wildwood, FL October 26, 2015 Press Release: An audit by IRS, a business loss, and business gains have shaken the eFUEL EFN, CORPORATION over the last third quarters.

eFUEL EFN, CORPORATION (OTCPINK: EFLN) has experienced a major setbacks in the Hotel Marion. An inability to obtain the working capital through several sources to acquire loans needed to help offset debts. The company closed Hotel Marion, Veda's Restaurant and Bar to the future notes. Also, we laid-off 20 employees. The \$6,000,000,000 hotel was refused loans to pay off its tax debt, comments company President, Ljubica Stefanovic. Company is busy with IRS filings. We have been audited (EFUEL EFN, CORPORATION books).

Although the company has suffered setback with Hotel Marion, Efuel EFN Corporation closed a deal with Euro-American Finance Network, Inc. that allowed them to acquire the real estate property located in Wildwood, Florida that is home to the Cherokee Trading Post. The acquisition increased real estate asset value. The company generate rental income from Billboard Sign located on Hwy 301, and Ronald Regan Turnpike in Florida have signed rental agreement with Woody's Barbecue Restaurant.

Retail store, Cherokee Trading Post has seen consistent business. It continue to sell Native American Artifacts from many different cultures, citrus, fireworks year round, tropical wines, tropical marmalades, jellies, and butters, Florida Souvenirs, alligator products. It also started to carry some specialty particular to Florida, including such popular item as boiled peanut.

We want to ensure all shareholders that the company is in every way current with its filings. We are in a difficult financial time, but in good standing, and we'll push past this, The attorney letter was filed with the OTC Markets, remarks eFuel EFN, Corporation President Ljubica Stefanovic.

The attorney letter that is filed with the OTC Market has allowed the removal of the "Limited Information" status previously associated with the company. The latter details the structure and financial aspects of the company operation.

eFUEL EFN CORPORATION is a holding company that is always looking to invest, build, and do business. It's current operations are in retail, real estate, hospitality, and agriculture.
