

Protek Capital New Dividend and Shareholders Updates.

Dallas, TX – October 29th, 2015 – ProTek Capital Inc. (OTCPK: PRPM).

Today, the company and its management would like to announce several updates:

The management filed the request for Dividends with FINRA. After several “back and forth” between the company, FINRA and the Transfer Agents, the company has filed for new corporate action dates. As of today’s filings, the dates are as follows;

1. New Record date December 1st,2015. (This is the date that determines what amount of shares are held by the shareholders on December 1st, 2015 and therefore the dividend will be issues on a 20 to 1 ratio from the number of shares held on record date, for every 20 shares of PRPM the shareholder will get 1 share of SUTI).
2. New Payment/distribution date December 8th,2015 (This is when the dividend is scheduled for payment)
3. Declaration Date October 29th,2015: This is the date when this filing was announced to the public.

The management is currently waiting for the official approval from FINRA, which will follow by a Press Release from both FINRA and then both the dividend receiving company, ProTek Capital Inc., (PRPM) and the dividend issuer SutimCo International Inc., (SUTI), and the DTCC.

The Management is currently interviewing for a new CEO and additional Board Members. All resumes should be sent to: ev24903@gmail.com

The management will continue with the follow up and updates on this and other company’s developments.

Recently, the company launched a new web portal: www.protekcapital.com , and <http://www.luxuriantholdings.com/>

Protek’s new site will keep investors and stakeholders aware of the latest developments of the company and provide a professional information venue for all interested parties. Protek management feels that this step, is one of many events planned to solidify the company’s presence and provide the utmost level of transparency, while providing up-to-date information and releases concerning company developments.

About ProTek Capital, Inc.

ProTek Capital, Inc. has historically concentrated on acquiring a portfolio of unique and promising, high-growth potential companies.

Protek Capital is focused on opportunities and structured deals in emerging markets. Specifically, we are interested in the Marijuana and related markets. We want to build a marketing and an investment platform using proprietary software and social media platforms to ensure proper transparency and disclosures in these dynamic and emerging markets. New government laws regulating the sale and consumption of marijuana provide unprecedented opportunities for financial gain. This rapidly growing industry is expected to gross over \$2 Billion dollars in 2015 from the sale of legal recreational cannabis. Across the USA, many states are legalizing and taxing the sale of cannabis for medical and recreational use, a trend likely to continue over the next decade. The 420 industry is attracting many talented professionals and enthusiastic investors seeking profits.

Protek Capital's goal is to become a leader in both the medical and recreational cannabis industries. The company will seek partnerships with established brands and provide venture capital funds to manufacturers, growers and retail franchise operations. Vertical integration will allow the company to control over the production, transportation and sale of cannabis in legal markets, such as Washington

and Colorado. Protek Capital is capable of providing experienced consulting services to growers and start-up companies. The company's Board of Directors has strong ties to cannabis activists and media outlets. As marijuana legalization continues to sweep the United States, the company will be ready to establish regional grow operations in new markets.

This release includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934. Certain statements set forth in this press release constitute "forward-looking statements." Forward-looking statements include, without limitation, any statement that may predict, forecast, indicate, or imply future results, performance or achievements, and may contain the words "estimate", "project", "intend", "forecast", "anticipate", "plan", "planning", "expect", "believe", "will likely", "should", "could", "would", "may" or words or expressions of similar meaning. Such statements are not guarantees of future performance and are subject to risks and uncertainties that could cause the company's actual results and financial position to differ materially from those included within the forward-looking statements. Forward-looking statements involve risks and uncertainties, including those relating to the Company's ability to grow its business. Actual results may differ materially from the results predicted and reported results should not be considered as an indication of future performance. The potential risks and uncertainties include, among others, the Company's limited operating history, the limited financial resources, and domestic or global economic conditions -- activities of competitors and the presence of new or additional competition and conditions of equity markets.
