

Medical Cannabis Holdings, Inc. (MCHI) UPDATE

Denver, October 30, 2015, Medical Cannabis Holdings, Inc. (MCHI), a wholly owned subsidiary of International Consolidated Companies, Inc., INCC - OTC PINK. MCHI is a leader in the production and delivery systems for medical and recreational marijuana and recently added hemp products and services. INCC and MCHI is providing the following update to shareholders:

Update:

- 1) Huerfano Project. (FUTL) Futureland's CEO, Cameron Cox, is having a geologist and hydrologist identify a location for a monitoring well next week. Futureland will order the drilling soon thereafter. "The geologists and hydrologists have advised me that the property has plenty of water beneath it", said Mr. Cox. Ultimately, the plan is to solve the water issue and move ahead with the project. We expect further updates to that end by December 15, 2015.
- 2) Management wishes to clarify that the company is not exploring a reverse split of its common stock.

About MCHI

Medical Cannabis Holdings, Inc. (MCHI), was founded in 2014 and is a wholly owned subsidiary of International Consolidated Companies Incorporated (INCC). MCHI is focused on acquiring and growing businesses that offer innovative, quality, and cost-efficient technologies and services to assist growers and patients with the production and delivery systems needed for the consumption of medical marijuana. MCHI and its parent company INCC are also active investors and provide venture capital funding of qualified projects in the expanding legal cannabis industry.
