

AVATAR VENTURES CORP SHOWCASES ITS PAINTABLE and WASHABLE “ORIGINALARTISTEES.”

April 29, 2016, Carson City, Nevada. Avatar Ventures Corp. (OTCPINK:ATAR) Avatar Ventures Corp. (AVATAR) is very pleased to showcase another one of its unique products, the “ORIGINALARTISTTEE”. As the name suggests, the t-shirt available will enable purchasers to paint as they wish on our coating heat transferred to a t-shirt.

Ed Minnema, President of AVATAR states, “As with our previously announced our “WRITENWIPETEE”, both adults and children alike can have fun our “ORIGINALARTISTTEES” as well. It doesn’t matter how good a painter you are, if you don’t like what you paint you can, with water and a cloth, wash the paint from the coating and repaint to your hearts content.”

AVATAR has spent a lot of time formulating a paint that will wipe off, that will be vibrant when applied, will not stain or ghost, that has a texture and does not spill if turned over. Above all, our paint is non toxic. Initially we will provide 6 neon colors, shown in the image below. Darker colors will follow. If you or your child design something spectacular, and you wish to preserve it, one option is to take a high resolution picture and email it to us and we can press the image on another shirt in virtual photographic continuous tone quality.

AVATAR is very excited with the possibilities of its initial three products, the WIPENWRITETEES, the ORIGINALARTISTTEES, and the virtually photographic quality image pressing. In the multi billion dollar world of t-shirts and media expression, AVATAR feels its current products offer an alternative to the current t-shirt markets. AVATAR will soon proceed with initial test marketing and training in the Caribbean, starting with Jamaica. AVATAR is also exploring opportunities with online sales and advertising, infomercials, shopping channels and direct sales.

AVATAR is very excited at the possibilities surrounding its products. The company will market its unique products under the brand “TEES2BSEEN” or any extension thereof. The applications for our products are limitless, as will be the imagination of AVATARS customers.

Avatar has produced 2 short in house videos displaying the ORIGINALARTISTTEE which will be available on the AVATAR website, www.avatarvcorp.com. You can also follow us on Instagram @tees2bseen_876 and on Twitter @avatar_ven_atar.
