

BEVERLY HILLS GROUP, INC.

Shareholder Update / Letter from The Chairman of the Board

BEVERLY HILLS, California, June 17, 2016-- Beverly Hills Group, Inc. (OTCPK: BHGI), Issues this Shareholder Update:

To All BHGI Shareholders:

This is a follow up to our last Shareholder Update from a few weeks ago, in which we reviewed our planned acquisitions from Grupo Richard. The first, which has formally been acquired, was Operadora de Servicios.

The next acquisition is the construction branch of this asset. This branch of Grupo Richard has been

tasked with remodelling/rehabbing existing convenience stores with POS technology, modern equipment, updated signage, etc. Phase One is for 100 stores, and Phase Two adds another 100 stores. A commitment has already been made for similar rehabbing of an additional 3,000 stores.

We are also in discussions with another large company to become their builder of choice for their Mexican expansion.

We are particularly excited about our third acquisition, BHGI's banking asset: Comercio-On. This asset could have tremendous upside and we feel should have significant impact on shareholder value.

Grupo Richard has already implemented a pilot study of this technology in 5 of its rehabbed convenience stores, and the impact appears to be substantial. In the first year of the pilot study, average monthly sales have increased markedly.

There are at least three other projects which management expects to roll out. All three will lead to significantly increased demand on BHGI's construction arm. Two of these projects involve large government-sponsored concessions, and the third is with a large multi-national American corporation looking to expand its footprint in Latin America.

In our next shareholder letter we hope we can provide details of these new projects, as well as update you with our progress on uplisting to a higher exchange tier level.

Let me assure you that management, large shareholders, and everyone involved with the company is making every effort and has made significant fiscal sacrifices to further the success of BHGI.

Finally, I would like to personally thank each and every shareholder for their patience, and continued support during these times of growth.

Until then, Sincerely Yours,

Jacob Thomas
Chairman of the Board
Beverly Hills Group, Inc.
