PV Enterprises International, Inc. Announces the declaration and Record Date of a 1 for 175 Preferred-Share Stock Dividend

PR Newswire FORT LAUDERDALE, Fla., February 28, 2014

FORT LAUDERDALE, Fla., February 28, 2014 /PRNewswire/ – PV Enterprises International, Inc. (OTC: PVEC, the “Company”), is extremely pleased to announce to all shareholders of record on March 14th, 2014 the company will offer a stock dividend of 1 (one) share of PVEC Series C Preferred Stock for every 175 (one hundred seventy-five) shares of PVEC common stock held.

The Company wishes to show its gratitude to long-term shareholders that have been firmly invested in PVEI throughout the challenges that the Company has had to overcome in the preceding months. Similarly, the Company wishes to restore value and confidence to the shareholders that had been lost as a result of the IMAG dividend, that for circumstances beyond control of the Company, were unable to be issued.

As the Company continues to move forward we are confident our business plans that are currently in, and being set into motion will propel the company forward at a fast-paced rate in the coming weeks and months. Partnered with this philosophy we are providing the following stock dividend to all shareholders of record on March 14th, 2014:

1 (one) share of Series C Preferred Stock for every 175 (one hundred and seventy-five) shares of Common Shares owned of PV Enterprises International, Inc. (PVEC)

Series C Preferred Stock is a preferred stock that will be restricted from trading for 6 months from the date of issue and has a par value of \$.20 (twenty cents). Series C stock will be issued in certificate form and mailed to all shareholders of record beginning the following week after recording, the week of March 17th, 2014 and will arrive to shareholders by mail. Starting September 17th, 2014 certificates will be able to be redeemed for face value in cash or redeemed for \$.20 worth of PVEC common stock. In the event the price per share is higher than face value of \$.20 (twenty cents), the Preferred C Series Stock may be redeemed for 1 (one) share of common stock at the current price per share. There will not be partial shares issues or cash issued in lieu of the Preferred Series C Stock. Any shareholder retaining less than 175 shares of common stock in PVEC on the record date will forfeit the right to receive the stock dividend.

Example:

Common Stock Owned = 10,000,000 shares

Series C Preferred Stock Dividend Par Value of .20 at 1:175 = 57,143

– See amendment to Corporate Bylaws attached

The filing for this Series C Preferred Stock has already been completed with the Nevada Secretary of State. When this Series C Preferred Stock is listed, the par value will be shown as \$.001. The Company would like to assure shareholders that this is not the actual par value of the stock, which is set at \$.20 (twenty cents). *(Please refer to the Amendment to the Corporate Bylaws attached)* In an effort to expedite the process and provide value to shareholders and their investments, the filing was fast-tracked and will reflect the correct price of the Series C Preferred Stock in the coming weeks.

As the Company continues to execute current and upcoming business plans we look forward to bringing the highest value and the utmost confidence to our shareholders in the shortest amount of time.
