

AGENCY AGREEMENT

June 26, 2017

Titan Medical Inc.
170 University Avenue, Suite 1000
Toronto, Ontario M5H 3B3

Attention: David J. McNally, President and Chief Executive Officer

Dear Sir:

Bloom Burton Securities Inc. (the “**Agent**”) understands that Titan Medical Inc. (the “**Corporation**”) proposes to issue and sell a minimum of 46,666,666 units of the Corporation (the “**Offered Units**”) and up to a maximum of 100,000,000 Offered Units at a price of \$0.15 per Offered Unit (the “**Offering Price**”) for aggregate gross proceeds of a minimum of approximately \$7,000,000 (the “**Minimum Offering**”) and a maximum of \$15,000,000 (the “**Maximum Offering**”). Each Offered Unit shall consist of (i) one Common Share (as defined herein) (a “**Unit Share**”) and (ii) one Common Share purchase warrant (a “**Warrant**”), each Warrant entitling the holder thereof to purchase one Common Share (a “**Warrant Share**”) at an exercise price of \$0.20 per Warrant Share, subject to adjustment, at any time until 5:00 p.m. (Toronto time) on the date that is 60 months after the Initial Closing Date (as defined herein). The offering of the Offered Units by the Corporation is hereinafter referred to as the “**Offering**”.

The Corporation wishes to appoint the Agent to act as its exclusive agent, and to effect the sale of the Offered Units on a best efforts basis. The Agent shall be entitled to appoint a soliciting dealer group consisting of other registered dealers acceptable to the Corporation (each, a “**Selling Firm**”) for the purpose of arranging for purchases of the Offered Units.

It is further understood and agreed that the Corporation shall be entitled to offer and sell Offered Units sold pursuant to the Offering to certain subscribers on a president’s list or other excluded subscribers and settling directly with the Corporation (the “**President’s List Subscribers**”); provided, however, that (i) the Agent and any Selling Firm shall not be required to conduct a suitability review in respect of sales by the Corporation of Offered Units to any President’s List Subscriber; (ii) the Agent and any Selling Firm shall not be obligated, and may, in their sole discretion, refuse to process any subscription for Offered Units from any President’s List Subscriber, and (iii) the Corporation shall indemnify and save harmless the Agent, any Selling Firm and any Indemnified Party (as hereinafter defined) for and against all losses relating to any sales of Offered Units by the Corporation to any President’s List Subscriber.

In consideration of the Agent’s services hereunder, the Corporation agrees to pay to the Agent on each Closing Date a fee (the “**Agency Fee**”) equal to 7.0% of the gross proceeds realized by the Corporation in respect of the sale of the Offered Units (excluding any Offered Units sold to any President’s List Subscriber) on such Closing Date. Proceeds raised through the sale of Offered Units to President’s List Subscribers will not be subject to any commission and will in no way make up the Agency Fee. As additional consideration for its services performed under this Agreement (as hereinafter defined), the Corporation shall issue to the Agent, on each Closing Date (in such name or names as the Agent may direct in writing) compensation warrants (the “**Compensation Warrants**”) exercisable to acquire that number of Common Shares as is equal to 7.0% of the Offered Units sold under the Offering (excluding any Offered Units sold to any President’s List Subscriber) on such Closing Date at an exercise price equal to the Offering Price at any time before 5:00 p.m. (Toronto time) on the date that is 24 months following the Initial Closing Date.

The obligation of the Corporation to pay the Agency Fee and to issue the Compensation Warrants shall arise at the Closing Time (as hereinafter defined) against payment for the Offered Units, and the Agency Fee and the Compensation Warrants shall be fully earned by the Agent at such time.

The completion of the Offering may occur in one or more separate closings on one or more dates (each, a “**Closing Date**”) as the Company and the Agent may agree. Provided that the Minimum Offering is subscribed for, it is expected that the Initial Closing Date of the Offering will occur on or about June 29, 2017, or such earlier or later date as the Company and the Agent may agree.

If subscriptions for the Minimum Offering have not been received within 10 days following the date of issuance of a receipt for the Final Prospectus, the Offering will not continue and the subscription proceeds will be returned to subscribers, without interest or deduction. In any event, the total period of the distribution will not end more than 30 days from the date of issuance of a receipt for the Final Prospectus. Should a closing occur in respect of the Minimum Offering, one or more additional closings, if necessary, may occur until the earlier of the Maximum Offering being subscribed and the expiry of the 30 day period.

It is understood that the Offered Units will be offered to Purchasers (as hereinafter defined) resident in: (i) the Provinces of British Columbia, Alberta and Ontario (collectively, the “**Canadian Selling Jurisdictions**”); and (ii) jurisdictions other than the Canadian Selling Jurisdictions as may mutually be agreed to by the Corporation and the Agent, including the United States in accordance with Schedule B hereto (collectively with the Canadian Selling Jurisdictions, the “**Selling Jurisdictions**”), on a private placement basis, provided that the Corporation is not required to file a prospectus, registration statement or other disclosure document or become subject to continuing obligations in such other jurisdictions, in each case in accordance with the provisions of this Agreement. With respect to the offer or sale of any Offered Units in the United States, the parties to this Agreement acknowledge and agree that the Agent may appoint duly registered U.S. broker-dealers (each, a “**U.S. Selling Group Member**” and collectively the “**U.S. Selling Group Members**”) to act as sub-agents to conduct offers and sales of the Offered Securities in the United States or to, or for the account or benefit of, persons in the United States or U.S. Persons (as defined herein).

The Agent agrees to use its best efforts to sell the Offered Units, but it is hereby understood and agreed that the Agent shall act as agent only and is under no obligation to purchase any of the Offered Units, although the Agent may subscribe for the Offered Units if it so desires. The Offering will be subject to subscriptions being received for the Minimum Offering. All funds received by the Agent will be held in trust until the Minimum Offering has been attained. Notwithstanding any other term of this Agreement, all subscription funds received by the Agent will be returned to the Purchasers if the Minimum Offering is not attained by the Closing Time.

Until the Closing or termination of this Agreement, the Corporation and Agent shall approve in writing (prior to such time that marketing materials are provided to potential investors) any marketing materials reasonably requested to be provided by the Agent to any potential investor of Offered Units, such marketing materials to comply with Applicable Securities Laws of the Canadian Selling Jurisdictions. The Agent shall provide a copy of any marketing materials used in connection with the Offering, to the Corporation in accordance with this Section 1. The Corporation shall file a template version and any revised template version of such marketing materials with the Canadian Securities Regulators as soon as reasonably practicable after such marketing materials are so approved in writing by the Corporation and the Agent, and in any event on or before the day the marketing materials are first provided to any potential investor of Offered Units, and such filing shall constitute the Agent's authority to use such marketing materials in connection with the Offering. Any comparables shall be redacted from the template version in accordance with NI 44-101 prior to filing such template version with the Canadian Securities Regulators and a complete template version containing such comparables and any disclosure relating to the comparables, if any, shall be delivered to the Canadian Securities Regulators by the Corporation.

The Corporation and the Agent, on a several basis, covenant and agree:

- (a) not to provide any potential investor of Offered Units with any marketing materials unless a template version of such marketing materials has been filed by the Corporation with the Canadian Securities Regulators on or before the day such marketing materials are first provided to any potential investor of Offered Units;
- (b) not to provide any potential investor with any materials or information in relation to the Distribution of the Offered Units or the Corporation other than: (i) such marketing materials that have been approved and filed in accordance with this Section 1; (ii) the Prospectus and any Prospectus Amendments; and (iii) any standard term sheets approved in writing by the Corporation and the Agent; and

2. Final Prospectus

The Corporation shall use commercially reasonable best efforts to file a Final Prospectus in each of the Canadian Selling Jurisdictions not later than 10:45 p.m. (Toronto time) on June 26, 2017.

Until the date on which the Distribution of the Offered Units is completed, the Corporation will promptly take, or cause to be taken, all additional steps and proceedings that may from time to time be required or desirable under Applicable Securities Laws of the Canadian Selling Jurisdictions to continue to qualify the Distribution of the Offered Units and the Compensation Warrants, or, in the event that the Offered Units and the Compensation Warrants have, for any reason, ceased to so qualify, to so qualify again the Offered Units and the Compensation Warrants for Distribution in the Canadian Selling Jurisdictions.

3. Covenants and Representations of the Agent

- (a) The Agent has complied and will comply, and shall require any other Selling Firm with which the Agent has a contractual relationship in respect of the Distribution of the

- (g) The representations and warranties of the Agent contained in this Agreement shall be true at the Closing Time and they shall survive the completion of the transactions contemplated under this Agreement until the third anniversary of the Closing Date.

The Corporation understands and agrees that the Agent may arrange for Purchasers of the Offered Units in jurisdictions other than Canada and the United States, on a private placement basis and provided that the purchase of such Offered Units does not contravene the Applicable Securities Laws of the jurisdiction where the Purchaser is resident and provided that such sale does not trigger: (i) any obligation to prepare and file a prospectus, registration statement or similar disclosure document; or (ii) any registration or other obligation on the part of the Corporation including, but not limited to, any continuing obligation in that jurisdiction.

4. Deliveries

- (a) The Corporation shall deliver, or cause to be delivered to the Agent, without charge:

of the Offering (the “**TSX Letter**”), and which Standard Listing Conditions shall, for the avoidance of doubt, exclude any requirement for shareholder approval; and

- (v) contemporaneously with, or prior to, the filing of the Final Prospectus, a “long form” comfort letter dated the date of the Final Prospectus, in form and substance satisfactory to the Agent, addressed to the Agent from the Corporation’s Auditors with respect to financial and accounting information relating to the Corporation contained in the Prospectus, which letter shall be based on a review by the Corporation’s Auditors within a cut-off date of not more than two Business Days prior to the date of the letter, which letter shall be in addition to the Corporation’s Auditors consent letter addressed to the Canadian Securities Regulators.

Such deliveries shall also constitute the Corporation’s consent to the use by the Agent and any Selling Firm of the Prospectus and any Prospectus Amendment in connection with the Distribution of the Offered Units in the Selling Jurisdictions in compliance with this Agreement and Applicable Securities Laws.
- (c) The Corporation shall cause commercial copies of the Prospectus and the U.S. Memorandum to be delivered to the Agent without charge, in such numbers and in such cities as the Agent may reasonably request. Such delivery shall be effected as soon as

- (b) The Corporation will comply with Section 57 of the *Securities Act* (Ontario) and with the comparable provisions of other Applicable Securities Laws in the Canadian Selling Jurisdictions, and the Corporation will prepare and will file any Prospectus Amendment, which, in the opinion of the Agent and its counsel, acting reasonably, may be necessary to continue to qualify the Offered Units and Compensation Warrants for Distribution in each of the Canadian Selling Jurisdictions.

10. All Terms to be Conditions

The Corporation agrees that the conditions contained in this Agreement, including those terms in Section 9, will be construed as conditions and any breach or failure to comply with any of the conditions shall entitle the Agent to terminate its obligations hereunder by written notice to that effect given to the Corporation at or prior to the Closing Time. It is understood that the Agent may waive, in whole or in part, or extend the time for compliance with, any of such terms and conditions without prejudice to the rights of the Agent in respect of any such terms and conditions or any other or subsequent breach or non-compliance of the Corporation, provided that to be binding on the Agent, any such waiver or extension must be in writing and signed by the Agent.

11. Rights of Termination

Without limiting any of the other provisions of this Agreement, the Agent will be entitled, at its option, to terminate and cancel, without any liability on its part or on the part of the Purchasers, its obligations under this Agreement by giving written notice to the Corporation at any time prior to the Closing Time if, after the date hereof and at any time prior to the Closing:

- (a) there shall have occurred any change in any material fact, material adverse change (actual, intended, anticipated or threatened) or the Agent shall have discovered any previously undisclosed material fact (determined by the Agent in its sole discretion, acting reasonably) in relation to the Corporation, which, in the opinion of the Agent, acting reasonably, prevents or restricts trading in or the Distribution of the Offered Units or securities underlying the Offered Units or has or could reasonably be expected to have a Material Adverse Effect;
- (b) there shall have occurred any change in the Applicable Securities Laws of any Selling Jurisdiction or any inquiry, investigation or other proceeding by a securities regulatory authority or any order is issued under or pursuant to any statute of Canada or any province thereof or any stock exchange in relation to the Corporation or any of its securities (except for any inquiry, investigation or other proceeding based upon activities of the Agent and not upon activities of the Corporation), which, in the reasonable opinion

of the Agent, would be expected to have a significant adverse effect on the market price of value of the Offered Units or securities underlying the Offered Units;

- (c) there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence or catastrophe, accident, public protest, government law or regulation, war or act of terrorism of national or international consequence or any law or regulation which, in the opinion of the Agent, seriously adversely affects or involves, or will seriously adversely affect, or involve, the financial markets or the business, operations or affairs of the Corporation or the market price of value of the Offered Units or securities underlying the Offered Units;
- (d) the state of the financial markets in Canada and the United States is such that, in the reasonable opinion of the Agent, the Offered Units cannot be marketed profitably;
- (e) there is an inquiry or investigation (whether formal or informal) by any Securities Regulator or other regulatory authority in relation to the Corporation or any one of its directors or officers, or any of its principal shareholders, which has not been rescinded, revoked or withdrawn and which, in each case, operates to materially prevent or restrict the Distribution of the Offered Units as contemplated by this Agreement;

- (g) the Agent, acting reasonably, is not satisfied in its sole discretion with its due diligence review and investigations;
- (h) the Corporation is in breach of a material term, condition or covenant of this Agreement or any representation or warranty given by the Corporation in this Agreement becomes or is false or misleading; and
- (i) the Corporation receives notice from the TSX that the Unit Shares or Warrant Shares shall not be accepted for listing on the TSX.

The rights of termination contained herein are in addition to any other rights or remedies that the Agent may have in respect of any default, act or failure to act or non-compliance by the Corporation in respect of any of the matters contemplated by this Agreement or otherwise.

In the event of any such termination, there shall be no further liability on the part of the Agent to the Corporation or on the part of the Corporation to the Agent except in respect of any liability which may have arisen prior to or arise after such termination under any of Sections 12 and 13.

12. Indemnity and Contribution

The Corporation agrees to indemnify and hold harmless the Agent and each Selling Firm (provided that each such Selling Firm is in material compliance with the covenants and obligations of the Agent set forth in Section 3 herein (as if such Selling Firm were an Agent), to the extent applicable) and each of their subsidiaries and affiliates, and each of their respective directors, officers, employees, shareholders, partners, advisors and agents (collectively, the “**Indemnified Parties**” and each, an “**Indemnified Party**”), to the full extent lawful, from and against any and all losses (except loss of profit), claims,

actions, suits, proceedings, damages, liabilities or expenses of whatsoever nature or kind, including the aggregate amount paid in reasonable settlement of any actions, suits, proceedings, investigations or claims and the reasonable fees and expenses of their counsel in connection with any action, suit, proceeding, investigation or claim that may be made or threatened against any Indemnified Party or in enforcing this indemnity (collectively, the “**Claims**”) to which an Indemnified Party may become subject or otherwise involved in any capacity insofar as the Claims relate to, are caused by, result from, arise out of or are based upon, directly or indirectly, the performance of professional services rendered to the Corporation by an Indemnified Party hereunder or otherwise in connection with the matters referred to in this Agreement, whether performed before or after the Corporation’s execution of this Agreement, including, without limitation, in connection with Claims relating to or arising from the following:

- (a) any information or statement (except any information or statement relating solely to or provided by the Agent) contained in the Offering Documents, which at the time and in light of the circumstances under which it was made contains or is alleged to contain a misrepresentation (as defined in the *Securities Act* (Ontario)) or any omission or any alleged omission to state therein any fact or information (except facts or information relating solely to the Agent) required to be stated therein or necessary to make any of the statements therein not misleading in light of the circumstances in which they are made;
- (b) the omission or alleged omission to state in any certificate of the Corporation or of any officers of the Corporation delivered in connection with the Offering any material fact (except facts or information relating solely to the Agent) required to be stated therein where such omission or alleged omission constitutes or is alleged to constitute a misrepresentation;
- (c) any order made or any inquiry, investigation or proceeding commenced or threatened by any securities regulatory authority, stock exchange or by any other competent authority, based upon any misrepresentation (as defined in the *Securities Act* (Ontario)) or alleged misrepresentation (except a misrepresentation relating solely to the Agent) in the Offering Documents (except any document or material delivered or filed solely by the Agent) based upon any failure or alleged failure to comply with Applicable Securities Laws (other than any failure or alleged failure to comply by the Agent) preventing and restricting the trading in or the sale of the Offered Units in any of the Selling Jurisdictions;
- (d) the non-compliance or alleged non-compliance by the Corporation with any material requirement of Applicable Securities Laws, including the Corporation’s non-compliance with any statutory requirement to make any document available for inspection; or
- (e) material breach of any representation, warranty or covenant of the Corporation contained in this Agreement or the failure of the Corporation to comply in all material respects with any of its obligations hereunder or thereunder,

and further agrees to immediately reimburse each Indemnified Party forthwith, upon demand, for any legal or other expenses reasonably incurred by such Indemnified Party in connection with any Claim.

The Corporation also agrees that no Indemnified Party shall have any liability (either direct or indirect, in contract or tort or otherwise) to the Corporation or any person asserting Claims on the Corporation’s behalf or in right for or in connection with the performance of professional services rendered to the Corporation by an Indemnified Party hereunder or otherwise in connection with the matters referred to in this Agreement, whether performed before or after the Corporation’s execution of the Agreement, except

to the extent that any losses, expenses, Claims, actions, damages or liabilities incurred by the Corporation are determined by a court of competent jurisdiction in a final judgement that has become non-appealable to have resulted from the Indemnified Party's breach of this Agreement, or the gross negligence, wilful misconduct, fraud or dishonesty of such Indemnified Party.

In the event and to the extent that a court of competent jurisdiction in a final judgement that has become non-appealable determines that an Indemnified Party breached this Agreement, or was grossly negligent or guilty of wilful misconduct, fraud or dishonesty in connection with a Claim in respect of which the Corporation has advanced funds to the Indemnified Party pursuant to this indemnity, such Indemnified Party shall immediately reimburse such funds to the Corporation and thereafter this indemnity shall not apply to such Indemnified Party in respect of such Claim.

The Corporation agrees to waive any right the Corporation might have of first requiring the Indemnified Party to proceed against or enforce any other right, power, remedy or security or claim payment from any other person before claiming under this indemnity.

In case any Claim is brought against an Indemnified Party, or an Indemnified Party has received notice of the commencement of any investigation in respect of which indemnity may be sought against the Corporation, the Indemnified Party will give the Corporation prompt written notice of any such Claim or investigation of which the Indemnified Party has knowledge and the Corporation will undertake the investigation and defence thereof on behalf of the Indemnified Party, including the prompt employment of counsel acceptable to the Indemnified Parties affected and the payment of all expenses. Failure by the Indemnified Party to so notify shall not relieve the Corporation of its obligation of indemnification hereunder unless (and only to the extent that) such failure results in the forfeiture by the Corporation of substantive rights or defences or the extent that the Corporation is materially prejudiced thereby.

No admission of liability and no settlement, compromise or termination of any Claim shall be made without the Corporation's consent and the consent of the Indemnified Parties affected, such consents not to be unreasonably withheld.

Notwithstanding that the Corporation will undertake the investigation and defence of any Claim, an Indemnified Party will have the right to employ separate counsel with respect to any Claim and participate in the defence thereof, but the fees and expenses of such counsel will be at the expense of the Indemnified Party unless:

- (a) the employment of such counsel has been authorized in writing by the Corporation;
- (b) the Corporation has not assumed the defence within a reasonable period of time after receiving notice of such Claim;
- (c) the named parties to any such Claim include both the Corporation and the Indemnified Party and the Indemnified Party shall have been advised by counsel that there may be a conflict of interest between the Corporation and the Indemnified Party; or
- (d) the Indemnified Party has been advised in writing by counsel that there are one or more defences available to the Indemnified Party which are different from or in addition to those available to the Corporation, which makes representation by the same counsel inappropriate.

The rights accorded to the Indemnified Parties hereunder shall be in addition to any rights an Indemnified Party may have at common law or otherwise.

If for any reason the foregoing indemnification is unavailable (other than in accordance with the terms hereof) to the Indemnified Parties (or any of them) or insufficient to hold them harmless, then the Corporation shall contribute to the amount paid or payable by the Indemnified Parties as a result of such Claim in such proportion as is appropriate to reflect not only the relative benefits received by the Corporation on the one hand and the Indemnified Parties on the other hand, but also the relative fault of the Corporation and the Indemnified Parties, as well as any other equitable considerations which may be relevant; provided that the Corporation shall, in any event, contribute to the amount paid or payable by the Indemnified Parties as a result of such Claim, any amount in excess of the fees actually received by the Indemnified Parties hereunder in which case such fees and expenses will be for the Corporation's account.

The Corporation hereby acknowledges the Agent as trustee for each of the other Indemnified Parties of the Corporation's covenants under this indemnity with respect to such persons and the Agent agrees to accept such trust and to hold and enforce such covenants on behalf of such persons.

The Corporation agrees to immediately reimburse the Agent monthly for the time spent by an Indemnified Party in connection with any Claim at their reasonable per diem rates. The Corporation also agrees that if any Claim shall be brought against, or an investigation commenced in respect of the Corporation or the Corporation and the Indemnified Parties shall be required to testify, participate or respond in respect of or in connection with the performance of professional services rendered to the Corporation by an Indemnified Party hereunder or otherwise in connection with the matters referred to in this Agreement, the Agent shall have the right to employ its own counsel in connection therewith and the Corporation will immediately reimburse the Agent monthly for the time spent by an Indemnified Party in connection therewith at their reasonable per diem rates together with such fees and disbursements and reasonable out-of-pocket expenses as may be incurred, including the fees and disbursements of the Agent's counsel.

13. Expenses

Whether or not the transactions contemplated by this Agreement shall be completed, all expenses of or incidental to the Offering and all expenses of or incidental to all other matters in connection with the transaction set out in this Agreement shall be borne directly by the Corporation, including, without limitation, fees and expenses payable in connection with the qualification of the Offered Units and the Compensation Warrants for Distribution, fees and disbursements of counsel to the Agent incurred in connection with the Offering (to a maximum of US \$75,000 plus disbursements and applicable taxes), all fees and disbursements of counsel to the Corporation and local counsel, all fees and expenses of the Corporation's Auditors, all fees or commissions payable in connection with sales of Offered Units to President's List Subscribers, the reasonable fees and expenses relating to the marketing of the Offered Units (including, without limitation, "road shows", marketing meetings, marketing documentation and institutional investor meetings) and all reasonable out-of-pocket expenses of the Agent (including the Agent's travel expenses in connection with due diligence, marketing meetings and "road shows") and all costs incurred in connection with the preparation and printing of the Prospectus, any Prospectus Amendment, and certificates representing the Unit Shares, Warrants and Compensation Warrants issued in connection with the Offering. All reasonable expenses incurred by or on behalf of the Agent and all fees and disbursements of counsel to the Agent payable pursuant to the foregoing shall be deducted from the aggregate purchase price for the Offered Units in accordance with Section 8.

14. Survival of Representations, Warranties, Covenants and Agreements

The representations, warranties, covenants and agreements of the Corporation contained in this Agreement and in any certificate delivered pursuant to this Agreement or in connection with the purchase

and sale of the Offered Units shall be true and correct at the Closing Time and shall survive the purchase of the Offered Units and shall continue in full force and effect until the later of: (i) three years following the Closing Date; and (ii) the latest date under the Applicable Securities Laws in which a Purchaser of Offered Units is resident or, if the Applicable Securities Laws do not specify such a date, the latest date under the *Limitations Act, 2002* (Ontario).

15. Conflict of Interest

The Corporation acknowledges that the Agent and its affiliates carry on a range of businesses, including providing stockbroking, investment advisory, research, investment management and custodial services to clients and trading in financial products as agent or principal. It is possible that the Agent and other entities in its group that carry on those businesses may hold long or short positions in securities of companies or other entities, which are or may be involved in the transactions contemplated in this Agreement and effect transactions in those securities for their own account or for the account of their respective clients. The Corporation agrees that these divisions and entities may hold such positions and effect such transactions without regard to the Corporation's interests under this Agreement.

16. Fiduciary

The Corporation hereby acknowledges that the Agent is acting solely as agent in connection with the offer and sale of the Offered Units. The Corporation further acknowledges that the Agent is acting pursuant to a contractual relationship created solely by this Agreement entered into on an arm's length basis, and in no event do the parties intend that the Agent act or be responsible as a fiduciary to the Corporation, its management, shareholders or creditors or any other person in connection with any activity that the Agent may undertake or have undertaken in furtherance of such offer and sale of the Corporation's securities, either before or after the date hereof. The Agent hereby expressly disclaims any fiduciary or similar obligations to the Corporation, either in connection with the transactions contemplated by this Agreement or any matters leading up to such transactions, and the Corporation hereby confirms its understanding and agreement to that effect. The Corporation and the Agent agree that they are each responsible for making their own independent judgments with respect to any such transactions and that any opinions or views expressed by the Agent to the Corporation regarding such transactions, including, but not limited to, any opinions or views with respect to the price or market for the Corporation's securities, do not constitute advice or recommendations to the Corporation. The Corporation and the Agent agree that the Agent is acting as principal and not the agents or fiduciaries of the Corporation and the Agent has not, and the Agent will not assume, any advisory responsibility in favour of the Corporation with respect to the transactions contemplated hereby or the process leading thereto (irrespective of whether the Agent has advised or is currently advising the Corporation on other matters). The Corporation hereby waives and releases, to the fullest extent permitted by law, any claims that the Corporation may have against the Agent with respect to any breach or alleged breach of any fiduciary duty to the Corporation in connection with the transactions contemplated by this Agreement.
