Item 4 Management's discussion and analysis or plan of operation

Paragraph A Plan of Operation

Paragraph 1i

Lecere raises money on a monthly basis to satisfy its cash requirement. This will continue for the near term. It is unknown whether Lecere can raise enough money to enable the company to operate without raising any more cash in the next twelve months.

Paragraph 1ii

Lecere will perform product R & D for at least the next twelve months. This includes development of a reservation module, a management dashboard module, an inventory control module, an accounting module, a labor scheduling module, and a reports module.

Paragraph 1iii

Lecere has no plans to sell plants or equipment

Paragraph 1iv

Lecere expects to hire 5-10 employees in the next twelve months.

Paragraph B Management's Discussion and Analysis of Financial Condition and Results of Operations

Lecere is a technology startup company that has recently completed its product and has started to generate revenue. We are currently attempting to raise up to \$4 million of financing in a Rule 506 PIPE.

Paragraph 1i

There are no known trends, events or uncertainties that have, or are reasonably likely to have, a material impact on our short term or long-term liquidity.

Paragraph 1ii

There are no internal and external sources of liquidity.

Paragraph 1iii

There are no material commitments for capital expenditures and thus no expected sources of funds for such expenditures

Paragraph 1iv

There are no known trends, events or uncertainties that have had, or that are reasonably expected to have, a material impact on the net sales or revenues or income from continuing operations.

Paragraph 1v

There are no significant elements of income or loss that does not arise from the issuer's continuing operations.

Paragraph 1vi

There were no material changes from period to period in one or more line items of the issuer's financial statements.

Paragraph 1vii

There are no seasonal aspects that had a material effect on the financial condition or results of operation.

Paragraph 2

There were no material changes in financial condition and results of operations since the end of the last fiscal year and in the comparable interim period of the preceding year.
