

Telecorp Inc. Announces Details on Preferred “B” Shares

New York, NY September 11, 2014 – Telecorp Inc. (OTC Markets: TLNUF), is pleased to announce details on Preferred “B” Shares. Telecorp Inc. wants to be sure all investors and shareholders have a clear understanding how the receipt of Preferred “B” Shares will work and benefit each shareholder in the long term.

Shareholders are reminded that the Company, Transfer Agents and Government Agencies require proof of purchase, your name (the stock name it is to be in), total amount purchased, address and Tax ID to be completed. Please be sure to have necessary documentation required above is delivered to investors@telecorp.com by September 30th, 2014. Preferred “B” will be distributed in October 2014.

The process is that once matured (one year restriction), the Preferred “B” Shares can be converted into common shares at a par value of \$0.00001. This means that one Preferred “B” share will give investors and shareholders 250,000 common shares.

Telecorp is in the process of considering a Reverse Split. A meeting today is anticipated to confirm all aspects including ratio of the reverse. With the Preferred “B” and with the reverse it anticipated that the shareholders and investor will benefit greatly. Within a few days the company will make an announcement regarding the Director’s decisions.

Safe Harbor Statement

This release includes "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E and or 27E of the Securities Exchange Act of 1934 that are based upon assumptions that in the future may prove not to have been accurate and are subject to significant risks and uncertainties, including statements as to the future performance of the company and the risks and uncertainties detailed from time to time in reports filed by the company with the Securities and Exchange Commission. Statements contained in this release that are not historical facts may be deemed to be forward-looking statements. Investors are cautioned that forward-looking statements are inherently uncertain. Although the company believes that the expectations reflected in its forward-looking statements are reasonable, it can give no assurance that such expectations or any of its forward-looking statements will prove to be correct.

Factors that could cause results to differ include, but are not limited to, the company's ability to raise necessary financing, retention of key personnel, timely delivery of inventory from the company's contract manufacturers, timely product

development, product acceptance, and the impact of competitive services and products, in addition to general economic risks and uncertainties.

About Forward-Looking Statements

Statements in this press release may be "forward-looking statements". Words such as "anticipate," "believe," "estimate," "expect," "intend" and similar expressions, as they relate to the company or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties and assumptions that are difficult to predict.

Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above. In addition, such statements could be affected by risks and uncertainties related to the exploration for and development of mineralized material, product demand, market and customer acceptance, competition, pricing and development difficulties, as well as general industry and market conditions and growth rates and general economic conditions. Any forward-looking statements speak only as of the date on which they are made, and the company does not undertake any obligation to update any forward-looking statement to reflect events or circumstances after the date of this release.
