

Press Release

Fort Lauderdale, FL July 27, 2016: REELCAUSE, INC. (OTCPINK:RCIT), a Nevada corporation, is pleased to announce that its majority shareholders, Michael Jacobson, Judith Cunningham, Judith Cunningham Educational Programs and Montessori Model UN have executed an escrow agreement for the sale of their controlling interest in the Company to James Robert Ford. It is expected that the closing of such sale shall occur on or before August 10, 2016. James Robert Ford plans to change the company's name to "OMGE Global Limited" and focus on commercializing patented technology related to new renewable energy projects.

The patents are for a product that produces energy using water. It relates to water molecules with centrifugal force of the water molecule bubble, letting it collapse, synthesis, and climb passed the repetitive heat generation process. Molecules generate tremendous heat energy and the water is instantaneously found to rise to 1500 degrees. There is zero percent carbon emissions from the heating equipment, whereas oil produces 64% carbon emissions and gas produces 40%. The patented product does not use fossil fuels.

REELCAUSE, INC. currently provides a new, unique, patent pending way to fund humanitarian and nonprofit causes anywhere, through easily managed custom entertainment media channels enhanced with rewards, prizes and values for participating and inviting others to participate
