

MK Automotive Inc. Welcomes New CEO

New CEO brings experience in project development as well as the pioneering and fostering of new, disruptive technologies and technological trends.

PHOENIX, AZ (January 12, 2017) MK Automotive Inc. (OTCBB: MKAU) announced today David Loflin will become the company's new CEO.

MK Automotive President Brian Wendt said, "Mr. Loflin brings us his vast expertise with project development in the telecommunications field. His experience includes wireless cable and telephone systems, dial-up and wireless internet systems, NOC's, cable content acquisition and more." Wendt also added, "Mr. Loflin is among only a handful of people who were in the Wireless Internet Industry at its infancy, up to and through its public acceptance as "WiFi". Mr. Loflin lead a company that provided Wireless Internet Systems in 5 states serving thousands of subscribers."

New CEO David Loflin said, "I look forward to helping complete existing projects as well as exploring additional opportunities for MKAU."
