

CECORS, INC. (OTC: CEOS) PROVIDES CORPORATE UPDATE REGARDING ACQUISITION OF KALOCA, INC.

CeCors, Inc., NASDAQ OTC: CEOS (the “Company”) is engaged in the acquisition and development of healthcare companies for the healthcare supplies and healthcare equipment markets. Valeria Sidorovich, CEOS’s President is pleased to announce the completion of CeCors’ 3rd business transaction, the acquisition of 100% of Kaloca, Inc. (“Kaloca”). Kaloca has 2 distinct operating business divisions: 1) MMJ Temps, a provider of personnel and training for those entering the medical marijuana market, <http://www.MMJTemps.com>; 2) Kaloca Soft, a professional IT firm with off-shore development facilities, Saigon, Vietnam, which specializes in creating custom solutions that bring clients tangible and measureable results to help grow their businesses and enhance their brand, <http://www.KalocaSoft.com>. Ms. Sidorovich stated “The acquisition of Kaloca furthers our desire to enter new and exciting markets while enhancing our technology support for our basic core mission. Kaloca’s dual pronged business will enable us to expand into new and exciting markets, while maintaining our technological edge, but also bringing superior IT capabilities to our existing core business and our clients. The medical marijuana market is one that is here to stay and we fully intend to take positive advantage of this new exciting and profitable market”.

KALOCA, INC. ACQUISITION

Kaloca, located in Fountain Valley, CA with an overseas IT development facility in Saigon, Vietnam, operates 2 distinct business operations. MMJ Temps operates the website www.mmjtemps.com, where it assists those looking to staff marijuana dispensaries with qualified and knowledgeable personnel. Many states in the United States, Canada and around the world are currently reforming their marijuana laws which have lead to a massive opportunity for qualified marijuana professionals. With over 20+ years of experience in the staffing industry, the company offers resolutions and qualified pre-screened and trained personnel. Additionally, those wishing to train to enter the field can be trained and search for employment opportunities. Over the past 3 years, the company has a remarkable track record, second to none in the industry.

Kaloca's second business segment is Kaloca Soft, www.KalocaSoft.com, a professional firm that provides its customers state-of-the art IT technology in the areas of Software & Website Development, Telecom & Help Desk Support, and IT Support. Kaloca Soft is results oriented as they tailor measureable business solutions which meet and exceed customer expectations. Kaloca's Chief Executive Officer, Raymond Espinosa Nieves, stated "We are extremely excited to become an integral part of CeCors and provide additional IT capability not only to CeCors, but to its clients. Our staffing ability brings an added dimension to CeCors' business acumen".

Statements in this press release that are not historical fact may be deemed forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Although CeCors, Inc. believes the expectations reflected in any forward-looking statements are based on reasonable assumptions, CeCors, Inc. is unable to give any assurance that its expectations will be attained. Factors that could cause actual results to differ materially from expectations include the company's ability to meet the conditions necessary to, among other matters, obtain a public listing on a major national exchange.
