

BluDog Stackable Modular Grow House UPDATE

SARASOTA, FL / OTC Markets / August 17th, 2017 / BluDog Products LLC, a subsidiary of International Consolidated Companies, Inc. (INCC), is pleased to update it's shareholders with floor plans and 3d rendering of the proposed Stackable Modular Grow House (SMGH).

“This creative stackable, modular design, allows for perfect, sustainable grow houses that efficiently makes for great space planning. This is a logical, green approach to efficiently grow in areas where spaces are premium in all climate conditions and maximizes the return on investment on the unit cost,” said Jeffrey Halferty, JH Design.

“We are excited about the next steps as JHD details out the design specifics and puts prototype out for bid,” said Antonio Uccello, President INCC.

International Consolidated Companies (INCC) was founded in 2002. INCC is focused on acquiring and growing businesses that offer innovation, quality, and cost-efficient Cannabis technologies.
