

Blue Diamond Ventures Inc. Confirms Signed MOU with Cann10 Israel

New Effort will bring the Cann10 Medical Cannabis Model to USA, Canada and Mexico.

August 21, 2017 Blue Diamond Ventures Inc. (OTC PK: BLDV) – Denver Colorado:

Blue Diamond filed its Mid-Term Report today and confirmed that **Cann10** the leading Israeli Cannabis Group and BLDV have agreed to terms to bring the [Cann10 Model](#) to North America. Cann10 has recently completed its second critically acclaimed Medical Conference in Israel and has now begun the process of expanding the Cann10 package to [Australia](#), Europe and more.

The new venture will be located in Toronto and will responsible for not only bringing the [Conference](#) to the U.S. Canada and Mexico, combined with Education and Training, but will also start to position Cannabis Manufacturing Procedures and Technologies from the Cann10 and their Cultivation & Process partners like [Seach Farms](#), for capitalization in North America.

[Cann10](#) recognizes the current state of the Medical Marijuana markets in most of the world and is committed to providing professional education and leadership in the Medical Cannabis Field to elevate the industry to the new standards being developed in Israel. “Blue Diamond Ventures was able to demonstrate specific and substantial value to Cann10, including 40 years’ experience in business with Israel and attention to Science combined with Business Development, and significant Foreign JV Experience” said Josh Alper CEO of BLDV.

The parties are expected to finalize agreements in the next 30 days.
