

COM-GUARD, INC. ANNOUNCES ITS NEW AND UPDATED WEBSITE.

Encinitas, California—November 8, 2017—Com-Guard.com, Inc. (CGUD.pk), the technology company that has been designing and developing security applications for over 15 years has announced its Social Media Policy to its Shareholders and the Investment Community.

Com Guard, Inc is announcing today that it has updated its website and has started to implement its plan for product development, delivery and acquisition in the Security Marketplace and we intend to continually update and improve the Website as we develop and add new products and capabilities to the Company, said Dr. Edward W. Savarese, its Chief Executive Officer. Com-Guard, Inc. has been developing software in the security and data protection markets for over 15 years and has a tremendous amount of experience in software development and applications.

As stated previously, "We are looking into the development of secure mobile software for protecting and presenting data. Com-Guard, Inc. has been developing software in the security and data protection markets for over 15 years and we look forward to expanding that expertise into the mobile platform market and presentation markets. The company has a software developer's license from Apple and the software tools for the Android platform", said Dr. Edward W. Savarese, CEO of Com-Guard, Inc.

Com-Guard, Inc. has been focusing on three different markets segments using its software development expertise.

1. Security Applications – Using its award winning, ComputerSafe®, FileCrypt™ software the Company will continue improve its applications for encrypting files on the Apple, Android and Windows® mobile platforms.
2. Tracker Applications – The Company has launched in the past an application on the Apple App store called “Missed Call Tracker”. Tracking users and data is becoming more important to everyone.
3. Secure Printing – The Company is investigating the issues related to secure mobile printing and intends to pursue designing or licensing products in this market space.

The App and Play Stores are proven models for distributing mobile software applications.

About Com-Guard.com, Inc. (Pink Sheets: CGUD.pk), (www.com-guard.com) Com-Guard, Inc. has been accepted as a developer for the fastest growing mobile platforms, Apple iPhone™, iPad™ and Android™. The Company intends to port its award-winning

software, ComputerSafe® to create security applications in the mobile and netbook markets. In addition, it has entered the market for tracking items and events through the use of GPS, public databases and transactions.

The Company's products are Missed Call Tracker™ and DataCrypt™ currently selling in the Apple App store. The company has been a player in the security software market for over 15 years.

This press release contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Act of 1995. Forward-looking statements can be identified by words such as "anticipates," "intends," "plans," "seeks," "believes," "estimates," "expects" and similar references to future periods. Forward-looking statements are based on our current expectations and assumptions regarding our business, the economy and other future conditions. Because forward-looking statements relate to the future, they are subject to inherent uncertainties, risks and changes in circumstances that are difficult to predict. Our actual results may differ materially from those contemplated by the forward-looking statements. We caution you therefore against relying on any of these forward-looking statements. They are neither statements of historical fact nor guarantees or assurances of future performance. Expression of future goals and similar expressions reflecting something other than historical fact involve risks and uncertainties. The actual results the company achieves may differ materially from any forward-looking statements due to such risks and uncertainties. These risks and uncertainties may cause actual outcomes and results to differ materially from expectations in this press release. These and other risks are detailed in Com-Guard's Disclosure and Information Statement at www.pinksheets.com and its previously filed quarterly reports on Form 10-QSB and its annual report on Form 10-KSB. Any forward-looking statement made in this press release speaks only as of the date on which it is made. Factors or events that could cause our actual results to differ may emerge from time to time, and it is not possible for us to predict all of them. We undertake no obligation to publicly update any forward-looking statement, whether as a result of new information, future developments or otherwise.
